PREFACE TO THE OHIO BASIC CODE, 2016 EDITION

American Legal Publishing’s Ohio Basic Code has been published and continuously maintained since 1970, first as Anderson’s Ohio Basic Code and then as American Legal Publishing’s Ohio Basic Code. The Ohio Basic Code has been designed specifically for smaller Ohio municipalities, and this 2016 Edition of the Basic Code contains a comprehensive revision to the prior 2015 Basic Code. The Ohio Basic Code, 2016 Edition, is designed to replace the prior 2015 Ohio Basic Code in its entirety and reflects American Legal Publishing’s continued efforts to provide a modern and comprehensive code of ordinances for smaller Ohio municipalities without the expense of a customized code of ordinances.

This Ohio Basic Code, 2016 Edition, constitutes the 38th supplement of the Basic Code. The Ohio Basic Code is now referred to by edition, with this edition being referred to as “The Ohio Basic Code, 2016 Edition”. Thus, when this 2016 Edition is due to be “supplemented” next year, it will be reprinted in its entirety and will be referred to as “The Ohio Basic Code, 2017 Edition”. This edition reflects all relevant Ohio legislation passed through September 15, 2015.

Please note the following formatting features of The Ohio Basic Code, 2016 Edition:

- Because the Ohio Basic Code is soft-bound instead of looseleaf, there are no supplement pages to insert into the previous Ohio Basic Code; rather, the previous Ohio Basic Code should be discarded in its entirety and replaced with this version of the Ohio Basic Code, 2016 Edition. However, the current edition retains three holes to accommodate the use of any binders that may have been supplied with a prior version of the Basic Code.

- This version provides the user with an easily accessible and transportable code of ordinances, and eliminates the necessity of annual replacement pages. Instead of the labor intensive need to insert replacement pages each year, the Basic Code will be updated by reprinting the Basic Code in its entirety every year. The only step that will need to be taken to update the Basic Code is discarding the prior Basic Code edition and replacing it with the most recent edition of the Basic Code.

- In addition to this version, the Ohio Basic Code is available on disk in a word processing format or in Folio® search and retrieval format. A redline/strikeout draft detailing the changes made in the Ohio Basic Code, 2016 Edition, is also available. For ordering information, contact the publisher at 1-800-445-5588.

The Ohio Basic Code is intended to be adopted by municipalities as a model code of ordinances. The Ohio Basic Code contains extensive regulations concerning Government Administration, Traffic Offenses, General Regulations, Business Regulations and General Offenses; however, municipalities are free to adopt and enforce separate ordinances and resolutions. Thus, although the scope of the Ohio Basic Code in certain areas is nearly comprehensive, each municipality may have additional legislation which has not been covered by the provisions of the Ohio Basic Code. For example, the municipality is likely to have legislation concerning public works (sewer use, water regulations and the like) and land usage (building regulations, flood damage prevention regulations, subdivision regulations, zoning regulations and the like). Such additional legislation should be available for public inspection at the office of the Municipal Clerk.

Additionally, pursuant to the terms of § 10.15 of the Ohio Basic Code, the municipality is free to amend, add or repeal sections of the Ohio Basic Code. Such direct legislation would superecede the provisions of the Ohio Basic Code and should be available for public inspection at the office of the Municipal Clerk.

The arrangement of the Ohio Basic Code generally parallels the numbering system used in the Ohio Revised Code. The Ohio Basic Code is divided into eight odd-numbered titles, each devoted to a particular topic of municipal law. The titles include the following topics: Title I - General Provisions; Title III - Administration; Title V - Public Works; Title VII - Traffic Code; Title IX - General Regulations; Title XI - Business Regulations; Title XIII - General Offenses Code; and Title XV - Land Usage. The title concerning Public Works has been reserved for specific local legislation.

Titles are divided into chapters, and all chapters are subdivided into sections. A citation to a specific section identifies the title, chapter and section number of the Basic Code provision being cited. For example, “70.11” refers to section 11 of Chapter 70 in Title VII. Title and chapter number appear to the left of the decimal: the title number precedes the first digit to the left of the decimal, and the chapter number constitutes all numerals to the left of the decimal. The section number appears to the right of the decimal. As another example, “138.05” indicates that the citation refers to section 05 of Chapter 138 in Title XIII. Penalty provisions, when used, have been given a section number of .99 to parallel the numbering system used in the Ohio Revised Code.

The purpose of this title is to create consistency throughout the code, and the provisions of Title I apply to all titles of the code. Thus, the general provisions of Title I will not be repeated throughout the code unless a variation of the provision applies to a particular code provision. Title I contains provisions concerning general definitions, rules of construction, revivor and the effect of amendment or repeal, the construction of section references, conflicting provisions, severability, reference to offices, errors and omissions, ordinances repealed, ordinances unaffected, ordinances saved, application to future ordinances, interpretation, amendments to the code, amendatory language, explanation of statutory references, preservation of penalties, offenses, rights and liabilities, determination of legislative intent, and a general penalty.

A general penalty has been provided at § 10.99. This general penalty will apply when no other penalty has been specifically provided for in another provision of this code.

The legislative history of a section (or division of a section), denoted by an Ohio Revised Code citation set forth in parentheses, indicates the state law derivation of the Basic Code section. For example, if “(R.C. § 4511.21)” were to appear at the end of a section (or division of a section), this would indicate that the Basic Code provision is based directly on Ohio Revised Code § 4511.21.

The legislative history of a section (or division of a section) may also indicate a date of revision. This legislative history reference indicates in which edition of the Ohio Basic Code the section or division was amended. For example, if “(Rev. 2016)” were to appear at the end of a section (or division of a section), this would indicate that the Basic Code provision was revised from its original form in the Ohio Basic Code, 2015 Edition, to its current form in the Ohio Basic Code, 2016 Edition.
Cross-references and Statutory References

“Cross-references” direct the user to subject matter related to certain Basic Code provisions contained within another section or chapter of the Basic Code, while “Statutory references” direct the user to subject matter related to certain Basic Code provisions contained within the Ohio Revised Code (“R.C.”) or the Ohio Administrative Code (“O.A.C.”).

Headers

The Ohio Basic Code includes headers on each page. Headers on even-numbered pages will indicate which edition of the Basic Code is being consulted and will also indicate, in bold print, the name of the title being consulted. Example: “Ohio Basic Code, 2016 Edition - Traffic Code”. The left side of the header on even-numbered pages will indicate the number of the first section that appears on that page. Headers on odd-numbered pages will indicate, in bold print, the name of the Chapter being consulted. Example: “Equipment and Loads”. The right side of the header on odd-numbered pages will indicate the number of the last section that appears on that page.

Title and Chapter Analysis

A Table of Contents, giving the name of each chapter within the title and the respective chapter numbers, can be located on the first page of each title. A Chapter Analysis, giving section headings and the respective section numbers, can be located on the first page of each Chapter. Thus, if a user wants to search for a specific crime involving weapons, the user could bypass the general index and go directly to the Table of Contents at the beginning of Title XIII. A quick scan down this Table of Contents would identify Chapter 137 as “Weapons Control”. The user could then go directly to Chapter 137 and scan the Chapter Analysis for the appropriate section heading.

Tables of Ohio Legislative History References

A Table of Ohio Legislative History References has been inserted at the beginning of each title. These tables enable a user to trace the origin of the law contained within a particular title, and the tables provide citations to the Basic Code and the corresponding Ohio Revised Code section upon which the Basic Code section is based. Thus, these tables enable users to quickly and accurately determine if a particular Ohio Revised Code section is the source for a Basic Code section within a particular title.

Parallel References

The table entitled “Ohio Legislative History References – Master Table” enables a user to trace the origin of the law contained within the Ohio Basic Code, and the table provides a comprehensive list of citations to the Basic Code and the corresponding Ohio Revised Code section upon which the Basic Code section is based. This table enables a user to quickly and accurately determine if a particular Ohio Revised Code section is the source for a Basic Code provision.

Index

The Index contains references to all Basic Code provisions currently in effect. Index references cite section numbers.

(A) **Common and technical usage.** Words and phrases shall be read in context and construed according to the rules of grammar and common usage. Words and phrases that have acquired a technical or particular meaning, whether by legislative definition or otherwise, shall be construed accordingly.

(1) The singular includes the plural, and the plural includes the singular.

(2) Words of one gender include the other genders.

(R.C. § 1.43)

(C) **Calendar; computation of time.**

(1) The time within which an act is required by law to be done shall be computed by excluding the first and including the last day; except that when the last day falls on Sunday or a legal holiday, then the act may be done on the next succeeding day that is not a Sunday or a legal holiday.

(2) When a public office, in which an act required by law is to be performed, is closed to the public for the entire day that constitutes the last day for doing the act or before its usual closing time on that day, the act may be performed on the next succeeding day that is not a Sunday or a legal holiday.

(3) As used in divisions (C)(1) and (C)(2) of this section, **LEGAL HOLIDAY** means the following days:

(R.C. § 1.15)

(6) If a number of months is to be computed by counting the months from a particular day, the period ends on the same numerical day in the concluding month as the day of the month from which the computation is begun, unless there are not that many days in the concluding month, in which case the period ends on the last day of that month.

(R.C. § 1.57)

(B) The re-enactment, amendment, or repeal of an ordinance does not, except as provided in division (C) of this section:

(1) Affect the prior operation of the ordinance or any prior action taken thereunder;

(2) Affect any validation, cure, right, privilege, obligation or liability previously acquired, accrued, accorded or incurred thereunder;

(3) Affect any violation thereof or penalty, forfeiture or punishment incurred in respect thereto, prior to the amendment or repeal; or

(4) Affect any investigation, proceeding or remedy in respect of any privilege, obligation, liability, penalty, forfeiture or punishment; and the investigation, proceeding or remedy may be instituted, continued or enforced, and the penalty, forfeiture or punishment imposed, as if the ordinance had not been repealed or amended.

(C) If the penalty, forfeiture or punishment for any offense is reduced by a re-enactment or amendment of an ordinance, the penalty, forfeiture or punishment, if not already imposed, shall be imposed according to the ordinance as amended.

(R.C. § 1.58)

(D) An ordinance which is re-enacted or amended is intended to be a continuation of the prior ordinance and not a new enactment, so far as it is the same as the prior ordinance.

(R.C. § 1.54) (Rev. 2002)
§ 10.05 CONSTRUCTION OF SECTION REFERENCES.

(A) Wherever in a penalty section reference is made to a violation of a section or an inclusive group of sections, or of divisions or subdivisions of a section, the reference shall be construed to mean a violation of any provision of the section, sections, divisions or subdivisions included in the reference.

(R.C. § 1.23)

(C) A reference to any portion of a provision of this code applies to all re-enactments or amendments thereof.

(R.C. § 1.55)

(D) If a section refers to a series of numbers or letters, the first and the last numbers or letters are included.

(R.C. § 1.56)

(E) Whenever in one section reference is made to another section hereof, the reference shall extend and apply to the section referred to as subsequently amended, revised, recodified or renumbered, unless the subject matter has been changed or materially altered by the amendment or revision.

(Rev. 2002)

§ 10.06 CONFLICTING PROVISIONS.

(A) If a general provision conflicts with a special or local provision, they shall be construed, if possible, so that effect is given to both. If the conflict between the provisions is irreconcilable, the special or local provision prevails as an exception to the general provision, unless the general provision is the later adoption and the manifest intent is that the general provision prevail.

(R.C. § 1.51)

(B) (1) If ordinances enacted at different meetings of the Legislative Authority are irreconcilable, the ordinance latest in date of enactment prevails.

(B) (2) If amendments to the same ordinance are enacted at different meetings of the Legislative Authority, one amendment without reference to another, the amendments are to be harmonized, if possible, so that effect may be given to each. If the amendments are substantively irreconcilable, the latest in date of enactment prevails. The fact that a later amendment restates language deleted by an earlier amendment, or fails to include language inserted by an earlier amendment, does not of itself make the amendments irreconcilable. Amendments are irreconcilable only when changes made by each cannot reasonably be put into simultaneous operation.

(R.C. § 1.52)

(C) In the event of a conflict between any of the provisions of this code, or between any of the provisions of this code and any standard code adopted by the municipality pursuant to R.C. § 731.231, the provision that establishes the higher or stricter standard shall control.

(Rev. 2002)

§ 10.07 SEVERABILITY.

If any provisions of a section of this code or the application thereof to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of the section or related sections which can be given effect without the invalid provision or application, and to this end the provisions are severable.

(R.C. § 1.50)

§ 10.08 REFERENCE TO OFFICES.

Reference to a public office or officer shall be deemed to apply to any office, officer or employee of the municipality exercising the powers, duties or functions contemplated in the provision, irrespective of any transfer of functions or change in the official title of the functionary.

§ 10.09 ERRORS AND OMISSIONS.

If a manifest error is discovered consisting of the misspelling of any words, the omission of any words necessary to express the intention of the provisions affected, the use of words to which no meaning can be attached, or the use of a word when another word was clearly intended to express the intention, the spelling shall be corrected, and the words supplied, omitted or substituted shall conform with the manifest intention, and the provision shall have the same effect as though the correct words were contained in the text as originally published. No alteration shall be made or permitted if any question exists regarding the nature or extent of the error.

§ 10.10 ORDINANCES REPEALED.

With the exception of any ordinances specifically saved by the municipality, this code, from and after its effective date, shall contain all of the provisions of a general nature pertaining to the subjects herein enumerated and embraced. All prior ordinances pertaining to the subjects treated by this code shall be deemed repealed from and after the effective date of this code of ordinances.

§ 10.11 ORDINANCES UNAFFECTED.

All ordinances of a temporary or special nature, all other ordinances pertaining to subjects not enumerated and embraced in this code of ordinances, and all ordinances specifically saved by the municipality shall remain in full
General Provisions

§ 10.18  DETERMINATION OF LEGISLATIVE INTENT.

(A) In enacting an ordinance, it is presumed that:

(1) Compliance with the constitutions of the State and of the United States is intended;

§ 30.01 APPLICATION OF TITLE III.

(A) Title III of this code of ordinances is designed to include and incorporate, insofar as is practical, all legislation concerning the organization, qualifications, appointment or election, terms of office, compensation and the powers and duties of the officials, boards and bodies of the village. Pertinent sections of the Ohio Revised Code relative to these village offices and boards have been assembled and adopted as a part of this Title III. No material changes of the Ohio Revised Code sections referred to in the legislative histories have been made. The purpose of including these sections is to afford easy reference to the statutory provisions.

(B) In the interest of uniformity and consistency, all references to “village”, as the term appears in the Ohio Revised Code, have been changed to read “municipality” throughout this Title III. However, the provisions of this chapter shall only apply to the administration of village local government.

§ 30.02 QUALIFICATIONS; OATHS.

(A) Except as otherwise provided in division (B) of this section or in another section of the Ohio Revised Code, each officer of the municipality or of any department or board of the municipality, whether elected or appointed as a substitute for a regular officer, shall be an elector of the municipality and, before entering upon official duties, shall take an oath to support the Constitution of the United States and the Constitution of the State and an oath that the officer will faithfully, honestly and impartially discharge the duties of the office to which elected or appointed. These provisions as to official oaths shall extend to deputies, but they need not be electors. (B) Neither this section nor any section of the Ohio Revised Code requires, or shall be construed to require, that a Fire Chief be an elector of the municipality.

(R.C. § 733.68) (Rev. 2002)

§ 30.03 BONDS OF OFFICERS AND EMPLOYEES; AMOUNT.

Before entering upon the discharge of his or her duties, each officer and employee, where it is required by the Legislative Authority, shall execute a bond approved according to law in the amount set forth for his or her respective office or position.

§ 30.04 ADDITIONAL BOND; WHERE BONDS RECORDED AND KEPT.

Each officer required by law or ordinance to give bond shall do so before entering upon the duties of the office, except as otherwise provided by law. The Legislative Authority may at any time require each officer to give a new or additional bond. Each bond, except that of the Auditor or Clerk, upon its approval, shall be delivered to the Auditor or Clerk, who shall immediately record it in a record provided for that purpose, and file and carefully preserve it in his or her office. The bond of the Auditor or Clerk shall be delivered to the Treasurer, who shall in like manner record and preserve it.

(R.C. § 733.69)

§ 30.05 APPROVAL OF BONDS.

The official bonds of all municipal officers shall be prepared by the Solicitor or Director of Law. Except as otherwise provided in state law, the bonds shall be in a sum as the Legislative Authority prescribes by general or special ordinance, and be subject to the approval of the Mayor, except that the Mayor’s bond shall be approved by the Legislative Authority, or, if it is not legally organized, by the Clerk of the Court of Common Pleas of the county in which the municipality or the larger part thereof is situated.

(R.C. § 733.70)
§ 30.06 SUFFICIENCY OF FORM OF BOND.

In each bond mentioned in § 30.05, the condition that the person elected or appointed shall faithfully perform the duties of the office shall be sufficient. The fact that the instrument is without a seal, that blanks for the date or amount have been filled subsequent to its execution but before its acceptance, without the consent of the sureties, that all the obligees named in the instrument have not signed it, that new duties have been imposed on the officers or that any merely formal objection exists shall not be available in any suit on the instrument.

(R.C. § 733.71)

§ 30.07 FILLING VACANCIES IN OFFICES.

Unless otherwise provided by law, vacancies arising in appointive and elective offices of the municipality shall be filled by appointment by the Mayor for the remainder of the unexpired term, provided that:

(A) Vacancies in the office of the Mayor shall be filled in the manner provided by R.C. § 733.25, or a substantially equivalent municipal ordinance;

(B) Vacancies in the membership of the Legislative Authority shall be filled in the manner provided by R.C. § 731.43, or a substantially equivalent municipal ordinance;

(C) Vacancies in the office of President Pro Tempore of the Legislative Authority shall be filled in the manner provided by R.C. § 731.11, or a substantially equivalent municipal ordinance; and

(D) Vacancies in the Office of Clerk or Treasurer may be filled in the following manner: The Mayor may appoint a person to serve as acting officer to perform the duties of the office until a permanent officer is appointed to fill the vacancy.

(R.C. § 733.31(A)) (Rev. 1999)

§ 30.08 PUBLIC RECORDS AVAILABLE.

(A) Upon request and subject to division (H) of this section, all public records responsive to the request shall be promptly prepared and made available for inspection to any person at all reasonable times during regular business hours. Subject to division (H) of this section, upon request, a public office or person responsible for public records shall make copies of the requested public record available at cost and within a reasonable period of time. If a public record contains information that is exempt from the duty to permit public inspection or to copy the public record, the public office or the person responsible for the public record shall make available all of the information within the public record that is not exempt. When making that public record available for public inspection or copying that public record, the public office or the person responsible for the public record shall notify the requester of any reduction or make the reduction plainly visible. A reduction shall be deemed a denial of a request to inspect or copy the redacted information, except if federal or state law authorizes or requires a public office to make the redaction.

(B) To facilitate broader access to public records, a public office or the person responsible for public records shall organize and maintain public records in a manner that they can be made available for inspection or copying in accordance with this section. A public office also shall have available a copy of its current records retention schedule at a location readily available to the public. If a requester makes an ambiguous or overly broad request or has difficulty in making a request for copies or inspection of public records under this section, such that the public office or the person responsible for the requested public record cannot reasonably identify what public records are being requested, the public office or the person responsible for the requested public record may deny the request but shall provide the requester with an opportunity to revise the request by informing the requester of the manner in which records are maintained by the public office and accessed in the ordinary course of the public office’s or person’s duties.

(C) If a request is ultimately denied, in part or in whole, the public office or the person responsible for the requested public record shall provide the requester with an explanation, including legal authority, setting forth why the request was denied. If the initial request was provided in writing, the explanation also shall be provided to the requester in writing. The explanation shall not preclude the public office or the person responsible for the requested public record from relying upon additional reasons or legal authority in defending an action commenced under R.C. § 149.43(C).

(D) Unless specifically required or authorized by state or federal law or in accordance this section, no public office or person responsible for public records may limit or condition the availability of public records by requiring disclosure of the requester’s identity or the intended use of the requested public record. Any requirement that the requester disclose the requester’s identity or the intended use of the requested public record constitutes a denial of the request.

(E) A public office or person responsible for public records may ask a requester to make the request in writing, may ask for the requester’s identity, and may inquire about the intended use of the information requested, but may do so only after disclosing to the requester that a written request is not mandatory and that the requester may decline to reveal the requester’s identity or the intended use and when a written request or disclosure of the identity or intended use would benefit the requester by enhancing the ability of the public office or person responsible for public records to identify, locate or deliver the public records sought by the requester.

(F) If any person chooses to obtain a copy of a public record in accordance with this section, the public office or person responsible for the public record may require that person to pay in advance the cost involved in providing the copy of the public record in accordance with the choice made
by the person seeking the copy under this division. The public office or the person responsible for the public record shall permit that person to choose to have the public record duplicated upon paper, upon the same medium upon which the public office or person responsible for the public record keeps it, or upon any other medium upon which the public office or person responsible for the public record determines that it reasonably can be duplicated as an integral part of the normal operations of the public office or person responsible for the public record. When the person seeking the copy makes a choice under this division, the public office or person responsible for the public record shall provide a copy of it in accordance with the choice made by the person seeking the copy. Nothing in this section requires a public office or person responsible for the public record to allow the person seeking a copy of the public record to make the copies of the public record.

(H) A public office or person responsible for public records is not required to permit a person who is incarcerated pursuant to a criminal conviction or a juvenile adjudication to inspect or to obtain a copy of any public record concerning a criminal investigation or prosecution or concerning what would be a criminal investigation or prosecution if the subject of the investigation or prosecution were an adult, unless the request to inspect or to obtain a copy of the record is for the purpose of acquiring information that is subject to release as a public record under this section and the judge who imposed the sentence or made the adjudication with respect to the person, or the judge’s successor in office, finds that the information sought in the public record is necessary to support what appears to be a justiciable claim of the person.

(I) (1) Upon written request made and signed by a journalist on or after December 16, 1999, a public office, or person responsible for public records, having custody of the records of the agency employing a specified peace officer, parole officer, probation officer, bailiff, prosecuting attorney, assistant prosecuting attorney, correctional employee, community-based correctional facility employee, youth services employee, firefighter, EMT or investigator of the Bureau of Criminal Identification and Investigation shall disclose to the journalist the address of the actual personal residence of the peace officer, parole officer, probation officer, bailiff, prosecuting attorney, assistant prosecuting attorney, correctional employee, community-based correctional facility employee, youth services employee, firefighter, EMT or investigator of the Bureau of Criminal Identification and Investigation that the information sought in the public record is necessary to support what appears to be a justiciable claim of the person.

Except as otherwise provided in this section or R.C. § 149.43, the policy may not limit the number of public records that the public office will make available to a single person, may not limit the number of public records that it will make available during a fixed period of time, and may not establish a fixed period of time before it will respond to a request for inspection or copying of public records, unless that period is less than eight hours.

§ 30.10 MEETINGS OF PUBLIC BODIES TO BE OPEN; EXCEPTIONS; NOTICE.

(A) This section shall be liberally construed to require public officials to take official action and to conduct all deliberations upon official business only in open meetings, unless the subject matter is specifically excepted by law.

(B) As used in this section:

MEETING. Any prearranged discussion of the public business of the public body by a majority of its members.

PUBLIC BODY. Any of the following:

(a) Any board, commission, committee, council or similar decision-making body of a state agency, institution or authority, and any legislative authority or board, commission, committee, council, agency, authority or similar decision-making body of any county, township, municipal corporation, school district, or other political subdivision or local public institution;

(b) Any committee or subcommittee of a body described in division (a) of this definition; or

(c) A court of jurisdiction of a sanitary district organized wholly for the purpose of providing a water supply for domestic municipal and public use when meeting for the purpose of the appointment, removal or reappointment of a member of the board of directors of such a district pursuant to R.C. § 6115.10, if applicable, or for any other matter related to such a district other than litigation involving the district. As used in this division (c), COURT OF JURISDICTION has the same meaning as “court” in R.C. § 6115.01.

PUBLIC OFFICE. Has the same meaning as in R.C. § 149.011.

REGULATED INDIVIDUAL. Either of the following:

(a) A student in a state or local public educational institution; or

(b) A person who is, voluntarily or involuntarily, an inmate, patient or resident of a state or local institution because of criminal behavior, mental illness or retardation, disease, disability, age or other condition requiring custodial care.
(C) (1) All meetings of any public body are declared to be public meetings open to the public at all times. A member of a public body shall be present in person at a meeting open to the public to be considered present or to vote at the meeting and for purposes of determining whether a quorum is present at the meeting.

(2) The minutes of a regular or special meeting of any public body shall be promptly prepared, filed and maintained and shall be open to public inspection. The minutes need only reflect the general subject matter of discussions in executive sessions authorized under division (F) of this section.

(D) This section does not apply to any of the following: a grand jury; an audit conference conducted by the auditor of state or independent certified public accountants with officials of the public office that is the subject of the audit; or to other state agencies as set forth in R.C. § 121.22(D) and (E).

(E) (1) Every public body, by rule, shall establish a reasonable method whereby any person may determine the time and place of all regularly scheduled meetings and the time, place and purpose of all special meetings. A public body shall not hold a special meeting unless it gives at least 24 hours advance notice to the news media that have requested notification, except in the event of an emergency requiring immediate official action. In the event of an emergency, the member or members calling the meeting shall notify the news media that have requested notification immediately of the time, place and purpose of the meeting.

(2) The rule shall provide that any person, upon request and payment of a reasonable fee, may obtain reasonable advance notification of all meetings at which any specific type of public business is to be discussed. Provisions for advance notification may include but are not limited to mailing the agenda of meetings to all subscribers on a mailing list or mailing notices in self-addressed, stamped envelopes provided by the person.

(F) Except as provided division (F)(8) of this section, the members of a public body may hold an executive session only after a majority of a quorum of the public body determines, by a roll call vote, to hold an executive session and only at a regular or special meeting for the sole purpose of the consideration of any of the following matters:

(1) To consider the appointment, employment, dismissal, discipline, promotion, demotion, or compensation of a public employee or official, or the investigation of charges or complaints against a public employee, official, licensee or regulated individual, unless the public employee, official, licensee or regulated individual requests a public hearing. Except as otherwise provided by law, no public body shall hold an executive session for the discipline of an elected official for conduct related to the performance of the elected official’s official duties or for the elected official’s removal from office. If a public body holds an executive session pursuant to division (F)(1) of this section, the motion and vote to hold that executive session shall state which one or more of the approved purposes listed in division (F)(1) of this section are the purposes for which the executive session is to be held, but need not include the name of any person to be considered at the meeting;

(2) (a) To consider the purchase of property for public purposes, or for the sale of property at competitive bidding, if premature disclosure of information would give an unfair competitive or bargaining advantage to a person whose personal, private interest is adverse to the general public interest. No member of a public body shall use this division (F)(2) as a subterfuge for providing covert information to prospective buyers or sellers. A purchase or sale of public property is void if the seller or buyer of the public property has received covert information from a member of a public body that has not been disclosed to the general public in sufficient time for other prospective buyers and sellers to prepare and submit offers.

(b) If the minutes of the public body show that all meetings and deliberations of the public body have been conducted in compliance with this section, any instrument executed by the public body purporting to convey, lease, or otherwise dispose of any right, title or interest in any public property shall be conclusively presumed to have been executed in compliance with this section insofar as title or other interest of any bona fide purchasers, lessees, or transferees of the property is concerned.

(3) Conferences with an attorney for the public body concerning disputes involving the public body that are the subject of pending or imminent court action;

(4) Preparing for, conducting or reviewing negotiations or bargaining sessions with public employees concerning their compensation or other terms and conditions of their employment;

(5) Matters required to be kept confidential by federal law or regulations or state statutes;

(6) Details relative to the security arrangements and emergency response protocols for a public body or a public office, if disclosure of the matters discussed could reasonably be expected to jeopardize the security of the public body or public office;

(7) In the case of a county hospital operated pursuant to R.C. Chapter 339, a joint township hospital operated pursuant to R.C. Chapter 513, or a municipal hospital operated pursuant to R.C. Chapter 749, to consider trade secrets, as defined in R.C. § 1333.61;

(8) To consider confidential information related to the marketing plans, specific business strategy, production techniques, trade secrets, or personal financial statements of an applicant for economic development assistance, or to negotiations with other political subdivisions respecting requests for economic development assistance, provided that both of the following conditions apply:
(a) The information is directly related to a request for economic development assistance that is to be provided or administered under any provision of R.C. Chapter 715, 725, 1724, or 1728 or R.C. §§ 701.07, 3735.67 to 3735.70, 5709.40 to 5709.43, 5709.61 to 5709.69, 5709.73 to 5709.75, or 5709.77 to 5709.81, or that involves public infrastructure improvements or the extension of utility services that are directly related to an economic development project.

(b) A unanimous quorum of the public body determines, by a roll call vote, that the executive session is necessary to protect the interests of the applicant or the possible investment or expenditure of public funds to be made in connection with the economic development project.

(9) If a public body holds an executive session to consider any of the matters listed in divisions (F)(2) through (F)(8) of this section, the motion and vote to hold that executive session shall state which one or more of the approved matters listed in those divisions are to be considered at the executive session; or

(10) A public body specified in division (c) of the definition of “public body” in this section shall not hold an executive session when meeting for the purposes specified in that division (c).

(G) A resolution, rule or formal action of any kind is invalid unless adopted in an open meeting of the public body. A resolution, rule or formal action adopted in an open meeting that results from deliberations in a meeting not open to the public is invalid unless the deliberations were for a purpose specifically authorized in division (F) of this section and conducted at an executive session held in compliance with this section. A resolution, rule or formal action adopted in an open meeting is invalid if the public body that adopted the resolution, rule or formal action violated division (E) of this section.

(H) (1) Any person may bring an action to enforce this section. An action under this division (H)(1) shall be brought within two years after the date of the alleged violation or threatened violation. Upon proof of a violation or threatened violation of this section in an action brought by any person, the court of common pleas shall issue an injunction to compel the members of the public body to comply with its provisions.

(2) (a) If the court of common pleas issues an injunction pursuant to division (H)(1) of this section, the court shall order the public body that it enjoins to pay a civil forfeiture of $500 to the party that sought the injunction and shall award to that party all court costs and, subject to reduction as described in this division (H)(2), reasonable attorney’s fees. The court, in its discretion, may reduce an award of attorney’s fees to the party that sought the injunction or not award attorney’s fees to that party if the court determines both of the following:

1. That, based on the ordinary application of statutory law and case law as it existed at the time of violation or threatened violation that was the basis of the injunction, a well-informed public body reasonably would believe that the public body was not violating or threatening to violate this section;

2. That a well-informed public body reasonably would believe that the conduct or threatened conduct that was the basis of the injunction would serve the public policy that underlies the authority that is asserted as permitting that conduct or threatened conduct.

(b) If the court of common pleas does not issue an injunction pursuant to division (H)(1) of this section and the court determines at that time that the bringing of the action was frivolous conduct, as defined in R.C. § 2323.51(A), the court shall award to the public body all court costs and reasonable attorney’s fees, as determined by the court.

(3) Irreparable harm and prejudice to the party that sought the injunction shall be conclusively and irrebuttable presumed upon proof of a violation or threatened violation of this section.

(4) A member of a public body who knowingly violates an injunction issued pursuant to division (H)(1) of this section may be removed from office by an action brought in the court of common pleas for that purpose by the prosecuting attorney or the attorney general.

(B) Except as otherwise provided in division (C) of this section, no political subdivision shall require any of its employees, as a condition of employment, to reside in any specific area of the state.

(C) (1) Division (B) of this section does not apply to a volunteer.

The combination shall be effective on January 1 following the next regular municipal election at which the Clerk is to be elected, provided that a Clerk-Treasurer shall be elected at such election pursuant to this section and shall be elected for a term of four years, commencing on the first day of April following his or her election. Between the first day of January and the first day of April following such an election, the Clerk shall perform the duties of Clerk-Treasurer. Council shall file certification of the action with the Board of Elections not less than 120 days before the day of the next municipal primary election at which the Clerk is to be elected, provided that in villages under 2,000 population in which no petition for a primary election was filed pursuant to R.C. § 3513.01, or in villages in which no primary is held pursuant to R.C.
§ 3513.02, the action shall be certified to the Board of Elections not less than 120 days before the next general election at which the Clerk is to be elected.

(b) At the succeeding regular municipal election and thereafter, the Clerk-Treasurer shall be elected for a term of four years, commencing on the first day of April following the Clerk-Treasurer’s election. The Clerk-Treasurer shall be an elector of the municipality.

(2) In addition to the circumstances described in division (A)(1) of this section, when a vacancy exists in the office of Treasurer or Clerk, the Legislative Authority may, by ordinance or resolution passed by at least a majority vote, combine the duties of the Clerk and the Treasurer into one office, to be known as the Clerk-Treasurer. The combination shall be effective on the effective date of the ordinance or resolution combining the duties of the offices of Clerk and Treasurer. At the next regular municipal election at which the Clerk would have been elected and each four years thereafter, the Clerk-Treasurer shall be elected for a term of four years, commencing on the first day of April following the Clerk-Treasurer’s election. The Clerk-Treasurer shall be an elector of the municipality.

(3) The Clerk-Treasurer shall perform the duties provided by law for the Clerk and the Treasurer. All laws pertaining to the Clerk and to the Treasurer shall be construed to apply to the Clerk-Treasurer, provided that the initial compensation for the office of Clerk-Treasurer shall be established by the Legislative Authority and that action shall not be subject to R.C. § 731.13 relating to the time when the compensation of elected officials shall be fixed and pertaining to changes in compensation of officials during the term of office.

(4) If and when the municipality has a Clerk-Treasurer, the Legislative Authority may separate the offices by ordinance or resolution passed by at least a majority vote. The action to separate the offices may be taken in either of the following circumstances:

(a) When a vacancy exists in the office of Clerk-Treasurer, in which case the separation shall be effective upon the effective date of the ordinance or resolution.

(b) When the action of the Legislative Authority is certified to and filed with the Board of Elections not less than 120 days before the day of the next primary election at which the Clerk and Treasurer are to be elected, provided that in villages under 2,000 population in which no petition for a primary election was filed pursuant to R.C. § 3513.01, or in villages in which no primary is held pursuant to R.C. § 3513.02, the action shall be certified to the Board of Elections not less than 120 days before the next general election at which the Clerk and Treasurer are to be elected. (R.C. § 733.261) (Rev. 2011)

(B) Office of Fiscal Officer.

(1) (a) In lieu of having the elected office of Clerk and the office of Treasurer, or the combined elected office of Clerk-Treasurer, the municipality may combine the duties of the Clerk and Treasurer into one appointed office, to be known as the Fiscal Officer. To make this change, the Legislative Authority shall pass, by a two-thirds vote, an ordinance or resolution proposing to make the change effective on the first day of January following the next regular municipal election at which the Clerk or Clerk-Treasurer is to be elected.

(b) So that no election for the office of Clerk or Clerk-Treasurer is held after the passage of the ordinance or resolution, the Legislative Authority shall file a certified copy of the ordinance or resolution with the Board of Elections not less than 120 days before the day of the next succeeding municipal primary election at which candidates for the office of Clerk or Clerk-Treasurer are to be nominated, or, in villages with a population of under 2,000 in which no petition for a primary election is filed under R.C. § 3513.01 or in villages in which no primary is held under R.C. § 3513.02, not less than 120 days before the next succeeding regular municipal election at which the Clerk or Clerk-Treasurer is to be elected.

(2) In addition to the circumstances described in division (B)(1) of this section, when a vacancy exists in the office of Clerk or Clerk-Treasurer, the Legislative Authority may pass, by a two-thirds vote, an ordinance or resolution to combine the duties of the Clerk and the Treasurer into the appointed office of Fiscal Officer. That change shall take effect on the effective date of the ordinance or resolution.

(3) A Fiscal Officer appointed under this section shall perform the duties provided by law for the Clerk and Treasurer and any other duties consistent with the nature of the office that are provided for by municipal ordinance.

(4) (a) A Fiscal Officer shall be appointed by the Mayor, but that appointment does not become effective until it is approved by a majority vote of the Legislative Authority. The Fiscal Officer need not be an elector of the village or reside in the village at the time of appointment; however, the Fiscal Officer shall become a resident of the village within six months after the appointment takes effect, unless an ordinance is passed approving the Fiscal Officer’s residence outside of the village.

(b) The Fiscal Officer may be removed without cause either by the Mayor with the consent of a majority of the members of the Legislative Authority or by a three-fourths vote of the Legislative Authority with or without the consent of the Mayor.

(5) (a) The Legislative Authority of a village that has a Fiscal Officer may abolish that appointed office and return to an elected office of Clerk-Treasurer by passing an ordinance or resolution by a two-thirds vote.
§ 31.065

(b) If a vacancy exists in the office of Fiscal Officer when this ordinance or resolution is passed, the abolition shall take effect on the effective date of the ordinance or resolution, and the Mayor shall appoint a Clerk-Treasurer to serve until the first day of April following the next regular municipal election at which a Clerk-Treasurer can be elected. So an election can be held, the Legislative Authority shall file a certified copy of the ordinance or resolution with the Board of Elections not less than 120 days before the day of the next succeeding municipal primary election.

(c) If a vacancy does not exist in the office of Fiscal Officer when the abolishing ordinance or resolution is passed, the Legislative Authority shall certify a copy of the ordinance or resolution to the Board of Elections not less than 120 days before the day of the next succeeding municipal primary election.

(d) The person elected at the next regular municipal election as Clerk-Treasurer under the circumstances described in this division shall serve a four-year term commencing on the first day of April following that election. (R.C. § 733.262)  (Rev. 2011)

The Treasurer shall demand and receive from the County Treasurer taxes levied and assessments made and certified to the County Auditor by the Legislative Authority, and placed on the tax list by the Auditor for collection, moneys from persons authorized to collect or required to pay them, accruing to the municipality from any judgments, fines, penalties, forfeitures, licenses, and costs taxed in Mayor’s Court, and debts due the municipality. No appointment is final until the appointee has satisfactorily completed his or her probationary period. If the service of the appointee is unsatisfactory during the probationary period, he or she may be removed by the Mayor and the reasons for the removal shall be communicated to the Legislative Authority. If a person is appointed to successive terms as Street Commissioner, he or she shall serve only one six month probationary period during those successive terms.

(A) Except as provided in division (B) of this section, when it considers it necessary, the Legislative Authority may provide legal counsel for the municipality, or for any department or official of the municipality, for a period not to exceed two years and shall provide compensation for the legal counsel.

(B) (1) A petition may be filed with the Clerk, signed by registered electors residing in the municipality equal in number to not less than 10% of the total vote cast for all candidates for Governor in the municipality at the most recent general election at which a Governor was elected, requesting that the question be placed before the electors whether, instead of the Legislative Authority appointing legal counsel for the municipality or for any department or official of the municipality, the Mayor shall appoint an attorney or law firm as the legal counsel with the advice and consent of the Legislative Authority. Within two weeks after receipt of the petition, the Clerk shall certify it to the Board of Elections, which shall determine its sufficiency and validity. The petition shall be certified to the Board of Elections not less than 90 days prior to the election at which the question is to be voted upon.

(2) At the election, if a majority of the electors of the municipality approves the question, then effective immediately when the Mayor considers it necessary, the Mayor shall appoint, with the advice and consent of the Legislative Authority, an attorney or law firm as legal counsel for the municipality, or for any department or official of the municipality, for a period not to exceed two years. The appointment of legal counsel under this division shall be pursuant to a contract approved by the Mayor and a majority vote of the Legislative Authority. The contract shall provide for the compensation and other terms of the engagement of the legal counsel, and the Legislative Authority shall provide that compensation for the legal counsel.

(C) When acting under this section, the Legislative Authority acts in its administrative capacity.

(R.C. § 733.48) (Rev. 2011)

§ 31.101 ADMINISTRATOR.

The Administrator established under this section shall have those powers provided by division (B) of this section. The Administrator shall be appointed by the Mayor, but shall not take office unless his or her appointment has been approved by a majority vote of the members elected to the Legislative Authority. The Administrator need not be an elector or reside in the municipality at the time of his or her appointment; however, he or she shall become a resident of the municipality within six months after his or her appointment by the Mayor and
confirmation by the Legislative Authority, unless his or her residence outside the municipality is approved by ordinance. The Administrator shall not be an elected official of the municipality at the time of his or her appointment or during his or her tenure in office. The Administrator shall serve at the pleasure of the Mayor and Legislative Authority and may be removed without cause by the Mayor with the consent of a majority of the members elected to the Legislative Authority, or he or she may be removed without cause by the affirmative vote of three-fourths of the members elected to the Legislative Authority, without the consent of the Mayor. The Legislative Authority may abolish the position of Administrator by ordinance.

(R.C. § 735.271)

(B) Abolishment and re-establishment of Board of Public Affairs.

(1) Upon the establishment of the position of Administrator, his or her appointment by the Mayor and confirmation by the Legislative Authority, as provided by division (A) of this section, the Board of Trustees of Public Affairs, if such a Board has been created in accordance with R.C. § 735.28, shall be abolished and the term of office of members of the Board shall terminate. All contracts entered into by the Board and rules and regulations promulgated and other action taken by the Board shall continue in effect until they have terminated of their own accord or until they have been modified, changed, revised, amended or repealed in the manner provided by law.

(2) If the Legislative Authority abolishes the position of Administrator, as provided by division (A) of this section, a Board of Trustees of Public Affairs shall be established by operation of law and the Mayor shall appoint three members of this Board, subject to the confirmation of the Legislative Authority, who shall serve until the successors of the appointed members have been elected at the next regular election of municipal officers held in the municipality occurring more than 100 days after the appointment of such members by the Mayor, as provided by R.C. § 735.28. The Board shall have those powers and duties provided by R.C. §§ 735.28 and 735.29 and as otherwise provided by law.

(R.C. § 735.272) (Rev. 2002)

(C) Powers and duties of the Administrator.

(1) The Administrator shall manage, conduct, and control the water works, electric light plants, artificial or natural gas plants, or other similar public utilities, furnish supplies of water, electricity, or gas, and collect all water, electric and gas rents.

(2) The Administrator may make such bylaws and regulations as it deems necessary for the safe, economical, and efficient management and protection of the works, plants, and public utilities. These bylaws and regulations, when not repugnant to municipal ordinances and resolutions or to the Ohio Constitution, shall have the same validity of ordinances.

§ 31.102 BOARD OF TRUSTEES OF PUBLIC AFFAIRS.

(A) Appointment; election; organization.

(1) If a water works, electric light plant, artificial or natural gas plant or other similar public utility is situated in the municipality, or when the Legislative Authority orders a water works, electric light plant, artificial or natural gas plant or other similar public utility to be constructed, or to be leased or purchased from any individual, company or corporation, or when the Legislative Authority determines to establish a schedule of rates or charges of rents for use of the sewerage system and sewage pumping, treatment and disposal works of the municipality, The Legislative Authority shall establish a Board of Trustees of Public Affairs, which shall consist of three members who are residents of the municipality.

(2) All members shall have four-year terms, except that members of boards established after July 26, 1967, shall be elected as follows: at the next regular election of municipal officials occurring more than 100 days after the
appointment of the first members of the Board as provided in this section, one member shall be elected for a term of two years and two members shall be elected for terms of four years each. Thereafter, all such members shall be elected for terms of four years.

(3) When the Legislative Authority establishes such Board, the Mayor shall appoint the members thereof, subject to the confirmation of the Legislative Authority. The successors of such appointed members shall be elected at the next regular election of municipal officers held in the municipality which occurs more than 100 days after the appointment.

(4) In case of a vacancy in the Board from death, resignation or otherwise, it shall be filled for the unexpired term by appointment by the Mayor, subject to confirmation by the Legislative Authority.

(5) The Board shall organize by electing one of its members President. Unless the office of Clerk of the Board has been consolidated with the office of Clerk of the municipality, as authorized by R.C. § 733.28, it may elect a Clerk, who shall be known as the Clerk of the Board of Trustees of Public Affairs.

(R.C. § 735.28)

(B) General powers and duties.

(1) The Board of Trustees of Public Affairs appointed under division (A) of this section shall manage, conduct and control the waterworks, electric light plants, artificial or natural gas plants or other similar public utilities, furnish supplies of water, electricity or gas, collect all water, electric and gas rents or charges and appoint necessary officers, employees and agents.

(2) The Board may make such bylaws and rules as it determines to be necessary for the safe, economical and efficient management and protection of the works, plants and public utilities. These bylaws and rules, when not repugnant to local ordinances or to the Constitution or laws of the state, shall have the same validity as ordinances.

(3) For the purpose of paying the expenses of conducting and managing the waterworks, plants and public utilities or of making necessary additions thereto and extensions and repairs thereon, the Board may assess a water rent or charge, or a light, power, gas or utility rent, of sufficient amount and in such manner as it determines to be most equitable, upon all tenements and premises supplied therewith. When the rents, except water rents and charges, are not paid when due, the Board may certify them to the County Auditor to be placed on the duplicate and collected as other municipal taxes, or it may collect them by actions at law in the name of the municipality. When water rents or charges are not paid when due, the Board may do either or both of the following:

(a) Certify them, together with any penalties, to the County Auditor. The County Auditor shall place the certified amount on the real property tax list and duplicate against the property served by the connection if he or she also receives from the Board additional certification that the unpaid rents or charges have arisen pursuant to a service contract made directly with an owner who occupies the property served. The amount placed on the tax list and duplicate shall be a lien on the property served from the date placed on the list and duplicate and shall be collected in the same manner as other taxes, except that, notwithstanding R.C. § 323.15, the County Treasurer shall accept a payment in such amount when separately tendered as payment for the full amount of the unpaid water rents or charges and associated penalties. The lien shall be released immediately upon payment in full of the certified amount. Any amounts collected by the County Treasurer under this division shall be placed for immediate distribution to the municipality, in the appropriate distinct fund established for water rents and charges.

(b) Collect them by action at law in the name of the municipality from an owner, tenant or other person who is liable to pay the rents or charges.

(4) The Board shall have the same powers and perform the same duties as are provided in R.C. §§ 743.01, 743.05 through 743.10, 743.11, 743.18, 743.24 and 735.05 through 735.09, which powers and duties relating to waterworks in any of these sections shall extend to and include electric light, power and gas plants, and such other duties as are prescribed by law or ordinance not inconsistent herewith.

(5) If the Board assesses water rents or charges, it shall determine the actual amount of rents due, based upon an actual reading of each customer’s meter at least once in each three-month period, and at least quarterly the Board shall render a bill for the actual amount shown by the meter reading to be due, except that estimated bills may be rendered if access to a customer’s meter was unobtainable for a timely reading. If the Board assesses water rents or charges, it shall establish procedures providing fair and reasonable opportunity for resolution of billing disputes.

(6) When property to which water service is provided is about to be sold, any party to the sale or his or her agent may request the Board to read the meter at that property and to render, within ten days following the date on which the request is made, a final bill for all outstanding rents and charges for water service. Such a request shall be made at least 14 days prior to the transfer of the title of the property.

(7) At any time prior to a certification under division (B)(3)(a) of this section, the Board shall accept any partial payment of unpaid water rents or charges, in the amount of $10 or more.

GENERAL PROVISIONS

§ 32.001 MEMBERS OF THE LEGISLATIVE AUTHORITY; ELECTION; TERMS OF OFFICE.

(A) Except as otherwise provided in division (B) or (C) of this section, the legislative power of each municipality shall be vested in, and exercised by, a Legislative Authority, composed of six members, who shall be elected by the electors of the municipality at large, for terms of four years.

(B) The Legislative Authority may adopt an ordinance or resolution that, if approved by a majority of the electors voting on the issue, would reduce the number of members of the Legislative Authority to five. A certified copy of the ordinance or resolution shall be filed with the Board of Elections no later than 4:00 p.m. of the ninetieth day before the day of the next election at which members of the Legislative Authority are to be elected.
(C) The electors may propose a reduction in the number of members of the Legislative Authority from six to five by initiative petition in accordance with the procedure set forth in R.C. § 731.28.

(D) If a majority of the votes cast on the question proposed under division (B) or (C) of this section is in the affirmative, the Legislative Authority shall be composed of five members, who shall be elected at large, for terms of four years. If members of the Legislative Authority have staggered terms of office as required by this section, the decrease in number of members shall be implemented as necessary over the next two municipal elections at which members of the Legislative Authority would be elected. If the Legislative Authority has adopted an ordinance or resolution to eliminate staggered terms of office under division (E) of this section, the five members shall be elected as set forth in division (E)(2)(b) of this section.

(R.C. § 731.09) (Rev. 2014)

(E) (1) The Legislative Authority may, by the adoption of an ordinance or resolution to eliminate staggered terms of office, determine that all members of the Legislative Authority shall be elected at the same municipal election as provided for in this section.

(2) At the regular municipal election occurring not less than 90 days after the certification of the ordinance or resolution to the Board of Elections eliminating staggered terms of office, the following apply:

(a) If there are six members of the Legislative Authority, the number of members eligible for election at that regular municipal election shall be elected to two-year nonstaggered terms, and all members of the Legislative Authority shall be elected to four-year nonstaggered terms at following municipal elections.

(b) If there are five members of the Legislative Authority, a number of members that is one less than the number of members that would otherwise be eligible for election at that regular municipal election but for the first-time implementation of the new membership of five, or, in the case of a village that has previously reduced its number of members to five, then the number of members eligible for election at that regular municipal election shall be elected to two-year nonstaggered terms, and all members shall be elected to four-year nonstaggered terms at all following municipal elections.

(R.C. § 731.091) (Rev. 2014)

§ 32.002  PRESIDENT PRO TEMPORE; EMPLOYEES.

(A) At the first meeting in January of each year, the Legislative Authority shall immediately proceed to elect a President Pro Tempore from its own number, who shall serve until the first meeting in January next after his or her election. The Legislative Authority may provide employees for the municipality as it determines, and employees may be removed at any regular meeting by a majority of the members elected to the Legislative Authority.

(B) When the Mayor is absent from the municipality, or is unable, for any cause, to perform his or her duties, the President Pro Tempore shall be the acting Mayor, and shall have the same powers and perform the same duties as the Mayor.

(R.C. § 731.10)

§ 32.003  VACANCY WHEN PRESIDENT PRO TEMPORE BECOMES MAYOR.

When the President Pro Tempore of the Legislative Authority becomes the Mayor, the vacancy thus created shall be filled as provided in § 32.006, and the Legislative Authority shall elect another President Pro Tempore from its own number, who shall have the same rights, powers, and duties as his or her predecessor.

(R.C. § 731.11)

§ 32.004  QUALIFICATIONS OF MEMBERS OF THE LEGISLATIVE AUTHORITY.

(A) Each member of the Legislative Authority shall have resided in the municipality for at least one year immediately preceding the member’s election, and shall be an elector of the municipality. No member of the Legislative Authority shall hold any other public office, be interested in any contract with the municipality, or hold employment with the municipality, except that the member may be a notary public, a member of the state militia, or a volunteer firefighter of the village; provided that the member shall not receive any compensation for his or her services as a volunteer firefighter of the village in addition to his or her regular compensation as a member of the Legislative Authority. Any member who ceases to possess any of these qualifications, or who moves from the municipality, shall forfeit his or her office.

(B) The purpose of establishing a one-year residency requirement in this section is to recognize that the municipality has a substantial and compelling interest in encouraging qualified candidacies for election to the office of member of the Legislative Authority by ensuring that a candidate for the office has every opportunity to become knowledgeable with and concerned about the problems and needs of the area the candidate seeks to represent. In enacting this requirement, the municipality finds that the one-year period is reasonably related to this purpose, while leaving unimpaired a person’s right to travel, to vote, and to be a candidate for public office.

(R.C. § 731.12) (Rev. 1999)

§ 32.005  COMPENSATION AND BONDS OF MUNICIPAL OFFICERS AND EMPLOYEES.

The Legislative Authority shall fix the compensation and bonds of all officers, clerks, and employees of the
municipality, except as otherwise provided by law. (2) The bids shall be opened and shall be

§ 32.026 BIDS AND PROCEEDINGS.

Each bid on any contract under § 32.025 shall contain the full name of every person interested in the bid. If the bid is for the construction, demolition, alteration, repair, or reconstruction of an improvement, it shall meet the requirements of R.C. § 153.54. If the bid is for any other contract authorized by § 32.025, it shall be accompanied by a sufficient bond or certified check, cashier's check, or money order on a solvent bank or savings and loan association that, if the bid is accepted, a contract will be entered into and the performance of it properly secured. If the bid for work embraces both labor and materials, it shall be separately stated, with the price thereof. The Legislative Authority or Administrator, in the event an Administrator has been appointed as provided by R.C. § 735.271, or a substantially equivalent municipal ordinance, may reject any and all bids. The contract shall be between the municipality and the bidder, and the municipality shall pay the contract price in cash. When a bonus is offered for completion of a contract prior to a specified date, the Legislative Authority or Administrator, in the event an Administrator has been appointed as provided in R.C. § 735.271, or a substantially equivalent municipal ordinance, may exact a prorated penalty in like sum for each day or delay beyond the specified date. When there is reason to believe there is collusion or combination among bidders, the bids of those concerned therein shall be rejected.

(R.C. § 731.15) (Rev. 1999)

§ 32.027 ALTERATIONS OR MODIFICATIONS OF CONTRACT.

When it becomes necessary in the opinion of the Legislative Authority or Administrator, in the event an Administrator has been appointed as provided in R.C. § 735.271, or a substantially equivalent municipal ordinance, in the prosecution of any work under contract, to make alterations or modifications in the contract, the alterations or modifications shall be made only by the Legislative Authority by resolution or by the Administrator in writing, in the event an Administrator had been appointed as provided in R.C. § 735.271, or a substantially equivalent municipal ordinance, but the resolution or written modification shall be of no effect until the price to be paid for the work and material, or both, under the altered or modified contract has been agreed upon in writing and signed by the contractor, and by the Mayor or Administrator in the event an Administrator has been appointed as provided in R.C. § 735.271, or a substantially equivalent municipal ordinance, on behalf of the municipality. No contractor shall recover anything for work or material because of any alteration or modification unless the contract is made as provided in this section, nor shall the contractor recover for the work or material, or either, more than the agreed price. The law relating to requiring bids and the awarding of contracts for public buildings, so far as they apply, shall remain in effect. The factors that the municipality shall consider in determining whether a bidder on the contract is responsible include the experience of the bidder, the bidder’s financial condition, conduct and performance on previous contracts, facilities, management skills, and ability to execute the contract properly.

(2) For purposes of this division, the provision of a bid guaranty in accordance with R.C. § 153.54(A)(1) and (B) issued by a surety licensed to do business in this state is evidence of financial responsibility, but the municipality may request additional financial information for review from an apparent low bidder after it opens all submitted bids. The municipality shall keep additional financial information it receives pursuant to a request under this division confidential, except under proper order of a court. The additional financial information is not a public record under R.C. § 149.43.

(3) An apparent low bidder found not to be responsive and responsible shall be notified by the municipality of that finding and the reasons for it. The notification shall be given in writing and by certified mail or by electronic means.

(B) Where the municipality has adopted an ordinance or resolution under division (C) of this section and determines to award a contract to a bidder other than the apparent low bidder or bidders for the construction, reconstruction, improvement, enlargement, alteration, repair, painting or

Notwithstanding any other provision of the Ohio Revised Code, the procedure described in this division is not subject to R.C. Chapter 119.

(C) The municipality may, by ordinance or resolution, adopt a policy of requiring each competitively bid contract it awards to be awarded to the lowest responsive and responsible bidder in accordance with this section.

§ 36.02 NONLIABILITY OF MUNICIPALITY; EXCEPTIONS.

(A) Classifications of functions; nonliability; jurisdiction of the courts.

(1) For the purposes of this chapter, the functions of political subdivisions are classified as governmental functions and proprietary functions. Except as provided in division (B) of this section, a political subdivision is not liable in damages in a civil action for injury, death, or loss to person or property allegedly caused by any act or omission of the political subdivision or an employee of the political subdivision in connection with a governmental or proprietary function.

(2) The defenses and immunities conferred under this chapter and R.C. Chapter 2744 apply in connection with all governmental and proprietary functions performed by the political subdivision and its employees, whether performed on
§ 36.02

Ohio Basic Code, 2016 Edition – Administration

behalf of the political subdivision or on behalf of another political subdivision.

(3) Subject to statutory limitations upon their monetary jurisdiction, the Courts of Common Pleas, the Municipal Courts, and the County Courts have jurisdiction to hear and determine civil actions governed by or brought pursuant to this chapter.

(B) Exceptions. Subject to § 36.03 and R.C. §§ 2744.03 and 2744.05, a political subdivision is liable in damages in a civil action for injury, death, or loss to person or property allegedly caused by an act or omission of the political subdivision or of any of its employees in connection with a governmental or proprietary function, as follows:

(1) Except as otherwise provided in this division, political subdivisions are liable for injury, death, or loss to person or property caused by the negligent operation of any motor vehicle by their employees when the employees are engaged within the scope of their employment and authority. The following are full defenses to that liability:

(a) A member of a municipal police department or any other police agency was operating a motor vehicle while responding to an emergency call and the operation of the vehicle did not constitute willful or wanton misconduct;

(b) A member of a municipal fire department or any other firefighting agency was operating a motor vehicle while engaged in duty at a fire, proceeding toward a place where a fire is in progress or is believed to be in progress, or answering any other emergency alarm and the operation of the vehicle did not constitute willful or wanton misconduct;

(c) A member of an emergency medical service owned or operated by a political subdivision was operating a motor vehicle while responding to or completing a call for emergency medical care or treatment, the member was holding a valid commercial driver’s license issued pursuant to R.C. Chapter 4506 or a driver’s license issued pursuant to R.C. Chapter 4507, the operation of the vehicle did not constitute willful or wanton misconduct, and the operation complies with the precautions of R.C. § 4511.03.

(2) Except as otherwise provided in R.C. §§ 3314.07 and 3746.24, political subdivisions are liable for injury, death, or loss to person or property caused by the negligent performance of acts by their employees with respect to proprietary functions of the political subdivisions.

(3) Except as otherwise provided in R.C. § 3746.24, political subdivisions are liable for injury, death, or loss to person or property caused by their negligent failure to keep public roads in repair and other negligent failure to remove obstructions from public roads, except that it is a full defense to that liability, when a bridge within a municipality is involved, that the municipality does not have the responsibility for maintaining or inspecting the bridge.

(4) Except as otherwise provided in R.C. § 3746.24, political subdivisions are liable for injury, death, or loss to person or property that is caused by the negligence of their employees and that occurs within or on the grounds of, and is due to physical defects within or on the grounds of, buildings that are used in connection with the performance of a governmental function, including but not limited to office buildings and courthouses, but not including jails, places of juvenile detention, workhouses, or any other detention facility, as defined in R.C. § 2921.01.

(5) In addition to the circumstances described in divisions (B)(1) through (B)(4) of this section, a political subdivision is liable for injury, death, or loss to person or property when civil liability is expressly imposed upon the political subdivision by a section of the Ohio Revised Code, including but not limited to R.C. §§ 2743.02 and 5591.37. Civil liability shall not be construed to exist under another section of this code or the Ohio Revised Code merely because that section imposes a responsibility or mandatory duty upon a political subdivision, because that section provides for a criminal penalty, because of a general authorization in that section that a political subdivision may sue and be sued, or because that section uses the term “shall” in a provision pertaining to a political subdivision.

(C) An order that denies a political subdivision or an employee of a political subdivision the benefit of an alleged immunity from liability as provided in this chapter or any other provision of the law is a final order.

(R.C. § 2744.02) (Rev. 2008)

§ 36.03 DEFENSES AND IMMUNITIES.

(A) In a civil action brought against a political subdivision or an employee of a political subdivision to recover damages for injury, death, or loss to person or property allegedly caused by any act or omission in connection with a governmental or proprietary function, the following defenses or immunities may be asserted to establish nonliability:

(1) The political subdivision is immune from liability if the employee involved was engaged in the performance of a judicial, quasi-judicial, prosecutorial, legislative, or quasi-legislative function.

(2) The political subdivision is immune from liability if the conduct of the employee involved, other than negligent conduct, that gave rise to the claim of liability was required by law or authorized by law, or if the conduct of the employee involved that gave rise to the claim of liability was necessary or essential to the exercise of powers of the political subdivision or employee.

(3) The political subdivision is immune from liability if the action or failure to act by the employee involved that gave rise to the claim of liability was within the discretion of the employee with respect to policy making, planning, or enforcement powers by virtue of the duties and responsibilities of the office or position of the employee.
(4) The political subdivision is immune from liability if the action or failure to act by the political subdivision or employee involved that gave rise to the claim of liability, resulted in injury or death to a person who had been convicted of or pleaded guilty to a criminal offense and who, at the time of the injury or death, was serving any portion of his or her sentence by performing community service work for or in the political subdivision whether pursuant to R.C. § 2951.02 or otherwise, or resulted in injury or death to a child who was found to be a delinquent child and who, at the time of the injury or death, was performing community service or community work for or in a political subdivision in accordance with the order of a juvenile court entered pursuant to R.C. § 2152.19 or 2152.20, and if, at the time of that person’s or child’s injury or death, the person or child was covered for purposes of R.C. Chapter 4123 in connection with the community service or community work for or in the political subdivision.

(5) The political subdivision is immune from liability if the injury, death, or loss to person or property resulted from the exercise of judgment or discretion in determining whether to acquire, or how to use, equipment, supplies, materials, personnel, facilities, and other resources, unless the judgment or discretion was exercised with malicious purpose, in bad faith, or in a wanton or reckless manner.

(6) In addition to any immunity or defense referred to in division (A)(7) of this section and in circumstances not covered by that division or R.C. §§ 3314.07 and 3746.24, the employee is immune from liability unless one of the following applies:

(a) His or her acts or omissions were manifestly outside the scope of his or her employment or official responsibilities;

(b) His or her acts or omissions were with malicious purpose, in bad faith, or in a wanton or reckless manner;

(c) Civil liability is expressly imposed upon the employee by a section of the Ohio Revised Code. Civil liability shall not be construed to exist under another section of the Ohio Revised Code merely because that section imposes a responsibility or mandatory duty upon an employee, because that section provides for a criminal penalty, because of a general authorization in that section that an employee may sue and be sued, or because the section supplies, materials, personnel, facilities, and other resources, unless the judgment or discretion was exercised with malicious purpose, in bad faith, or in a wanton or reckless manner.

(7) The political subdivision, and an employee who is the Chief Legal Officer of a political subdivision, an assistant of any such person, or a judge of a court of this state, is entitled to any defense or immunity available at common law or established by the Ohio Revised Code.

(B) Any immunity or defense conferred upon, or referred to in connection with, an employee by division (A)(6) or (A)(7) of this section does not affect or limit any liability of a political subdivision for an act or omission of the employee as provided in § 36.02 above. (R.C. § 2744.03) (Rev. 2003)

§ 36.04 LIMITATION OF ACTIONS.

(A) An action against a political subdivision to recover damages for injury, death, or loss to person or property allegedly caused by any act or omission in connection with a governmental or proprietary function, whether brought as an original action, cross-claim, counterclaim, third-party claim, or claim for subrogation, shall be brought within two years after the cause of action accrues, or within any applicable shorter period of time for bringing the action provided by the Ohio Revised Code. The period of limitation contained in this division shall be tolled pursuant to R.C. § 2305.16. This section applies to actions brought against political subdivisions by all persons, governmental entities, and the state.

(B) In the complaint filed in a civil action against a political subdivision or an employee of a political subdivision to recover damages for injury, death, or loss to person or property allegedly caused by an act or omission in connection with a governmental or proprietary function, whether filed in an original action, cross-claim, counterclaim, third-party claim, or claim for subrogation, the complainant shall include a demand for a judgment for the damages that the judge in a nonjury trial or the jury in a jury trial finds that the complainant is entitled to be awarded, but shall not specify in that demand any monetary amount for damages sought. (R.C. § 2744.04) (Rev. 2003)

§ 36.05 DAMAGES.

(A) Notwithstanding any other provision of the Ohio Revised Code or rules of a court to the contrary, in an action against a political subdivision to recover damages for injury, death or loss to person or property caused by an act or omission in connection with a governmental or proprietary function, punitive or exemplary damages shall not be awarded.

(B) (1) If a claimant receives or is entitled to receive benefits for injuries or loss allegedly incurred from a policy or policies of insurance or any other source, the benefits shall be disclosed to the court, and the amount of the benefits shall be deducted from any award against a political subdivision recovered by the claimant. No insurer or other person is entitled to bring an action under a subrogation provision in an insurance or other contract against a political subdivision with respect to those benefits. The amount of the benefits shall be deducted from an award against a political subdivision under division (B)(1) of this section regardless of whether the claimant may be under an obligation to pay back the benefits upon recovery, in whole or in part, for the claim. A claimant whose benefits have been deducted from an award under division (B)(1) of this section is not considered fully
compensated and shall not be required to reimburse a subrogated claim for benefits deducted from an award pursuant to division (B)(1) of this section.

(2) Nothing in division (B)(1) of this section shall be construed to do either of the following:

(a) Limit the rights of a beneficiary under a life insurance policy or the rights of sureties under fidelity or surety bonds;

(b) Prohibit the Department of Medicaid from recovering from the political subdivision, pursuant to R.C. § 5160.37, the cost of medical assistance under a medical assistance program.

(C) (1) There shall not be any limitation on compensatory damages that represent the actual loss of the person who is awarded the damages. However, except in wrongful death actions brought pursuant to R.C. Chapter 2125, damages that arise from the same cause of action, transaction or occurrence, or series of transactions or occurrences and that do not represent the actual loss of the person who is awarded the damages shall not exceed $250,000 in favor of any one person. The limitation on damages that do not represent the actual loss of the person who is awarded the damages provided in this section does not apply to court costs that are awarded to a plaintiff, or to interest on a judgment rendered in favor of a plaintiff, in an action against a political subdivision.

(2) (a) As used in this section, THE ACTUAL LOSS OF THE PERSON WHO IS AWARDED THE DAMAGES includes all of the following:

1. All wages, salaries, or other compensation lost by the person injured as a result of the injury, including wages, salaries, or other compensation lost as of the date of a judgment and future expected lost earnings of the person injured;

2. All expenditures of the person injured or another person on behalf of the person injured for medical care or treatment, for rehabilitation services, or for other care, treatment, services, products, or accommodations that were necessary because of the injury;

3. All expenditures to be incurred in the future, as determined by the court, by the person injured or another person on behalf of the person injured for medical care or treatment, for rehabilitation services, or for other care, treatment, service, products or accommodations that will be necessary because of the injury;

4. All expenditures of a person whose property was injured or destroyed or of another person on behalf of the person whose property was injured or destroyed in order to repair or replace the property that was injured or destroyed;

5. All expenditures of the person injured or of the person whose property was injured or destroyed or of another person on behalf of the person whose property was injured or destroyed in order to repair or replace the property that was injured or destroyed or of another person on behalf of the person injured for medical care or treatment, for rehabilitation services, or for other care, treatment, services, products, or accommodations that were necessary because of the injury;

6. Any other expenditures of the person injured or of the person whose property was injured or destroyed or of another person on behalf of the person injured or of the person whose property was injured or destroyed that the court determines represent an actual loss experienced because of the personal or property injury or property loss.

(b) As used in this section, THE ACTUAL LOSS OF THE PERSON WHO IS AWARDED THE DAMAGES does not include any fees paid or owed to an attorney for any services rendered in relation to a personal or property injury or property loss, and does not include any damages awarded for pain and suffering, for the loss of society, consortium, companionship, care, assistance, attention, protection, advice, guidance, counsel, instruction, training, or education of the person injured, for mental anguish, or for any other intangible loss.

(R.C. § 2744.05) (Rev. 2014)

§ 36.06 SATISFACTION OF JUDGMENTS.

(A) Real or personal property, and moneys, accounts, deposits, or investments of a political subdivision are not subject to execution, judicial sale, garnishment, or attachment to satisfy a judgment rendered against a political subdivision in a civil action to recover damages for injury, death, or loss to person or property caused by an act or omission of the political subdivision or any of its employees in connection with a governmental or proprietary function. Those judgments shall be paid from funds of the political subdivisions that have been appropriated for that purpose, but, if sufficient funds are not currently appropriated for the payment of judgments, the fiscal officer of a political subdivision shall certify the amount of any unpaid judgments to the taxing authority of the political subdivision for inclusion in the next succeeding budget and annual appropriation measure and payment in the next succeeding fiscal year as provided by R.C. § 5705.08, unless any judgment of that nature is to be paid from the proceeds of bonds issued pursuant to R.C. § 133.14 or pursuant to annual installments authorized by divisions (B) or (C) of this section.

(B) (1) (a) As used in this section, THE ACTUAL LOSS OF THE PERSON WHO IS AWARDED THE DAMAGES includes all of the following:

1. All wages, salaries, or other compensation lost by the person injured as a result of the injury, as of the date of judgment;

2. All expenditures of the person injured or of another person on behalf of the person injured for medical care or treatment, for rehabilitation services, or for other care, treatment, services, products, or accommodations that were necessary because of the injury;
3. All expenditures of a person whose property was injured or destroyed or of another person on behalf of the person whose property was injured or destroyed in order to repair or replace the property that was injured or destroyed;

4. All expenditures of the person injured or whose property was injured or destroyed or of another person on behalf of the person injured whose property was injured or destroyed in relation to the actual preparation or presentation of the claim involved;

5. Any other expenditure of the person injured or whose property was injured or destroyed or of another person on behalf of the person injured or of the person whose property was injured or destroyed that the court determines represent an actual loss experienced because of the personal or property injury or property loss.

(b) As used in this section, THE ACTUAL LOSS OF THE PERSON WHO IS AWARDED THE DAMAGES does not include any of the following:

1. Wages, salaries, or other compensation lost by the person injured as a result of the injury that are future expected earnings of that person;

2. Expenditures to be incurred in the future, as determined by the court, by the person injured or by another person on behalf of the person injured for medical care or treatment, for rehabilitation services, or for other care, treatment, services, products, or accommodations that will be necessary because of the injury;

3. Any fees paid or owed to an attorney for any services rendered in relation to a personal or property injury or property loss;

4. Any damages awarded for pain and suffering, for the loss of society, consortium, companionship, care, assistance, attention, protection, advice, guidance, counsel, instruction, training, or education of the person injured, for mental anguish, or for any other intangible loss.

2. (a) Except as specifically provided to the contrary in this section, a court that renders a judgment against a political subdivision as described in division (A) of this section and that is not in favor of the state may authorize the political subdivision, upon the motion of the political subdivision, to pay the judgment or a specified portion of the judgment in annual installments over a period not to exceed ten years, subject to the payment of interest at the rate specified in R.C. § 1343.03(A). A court shall not authorize the payment in installments under this division of any portion of a judgment or entire judgment that represents the actual loss of the person who is awarded the damages.

(b) Additionally, a court shall not authorize the payment in installments under this division of any portion of a judgment or entire judgment that does not represent the actual loss of the person who is awarded the damages unless the court, after balancing the interests of the political subdivision and of the person in whose favor the judgment was rendered, determines that installment payments would be appropriate under the circumstances and would not be unjust to the person in whose favor the judgment was rendered. If a court makes that determination, it shall fix the amount of the installment payments in a manner that achieves for the person in whose favor the judgment was rendered the same economic result over the period as that person would have received if the judgment or portion of the judgment subject to the installment payments had been paid in a lump sum payment.

(C) At the option of a political subdivision, a judgment as described in division (A) of this section and that is rendered in favor of the state may be paid in equal annual installments over a period not to exceed ten years, without the payment of interest.

(R.C. § 2744.06) (Rev. 2003)

§ 36.07 PROVISION OF EMPLOYEES’ DEFENSE; CONSENT JUDGMENTS.

(A) Defense of actions against employees.

(1) Except as otherwise provided in this division, a political subdivision shall provide for the defense of an employee, in any state or federal court, in any civil action or proceeding which contains an allegation for damages for injury, death, or loss to person or property caused by an act or omission of the employee in connection with a governmental or proprietary function. The political subdivision has the duty to defend the employee if the act or omission occurred while the employee was acting in good faith and not manifestly outside the scope of his or her employment or official responsibilities. Amounts expended by a political subdivision in the defense of its employees shall be from funds appropriated for this purpose or from proceeds of insurance. The duty to provide for the defense of an employee specified in this division does not apply in a civil action or proceeding that is commenced by or on behalf of a political subdivision.

(2) Except as otherwise provided in this division, a political subdivision shall indemnify and hold harmless an employee in the amount of any judgment, other than a judgment for punitive or exemplary damages, that is obtained against the employee in a state or federal court or as a result of a law of a foreign jurisdiction and that is for damages for injury, death, or loss to person or property caused by an act or omission in connection with a governmental or proprietary function, if at the time of the act or omission the employee was acting in good faith and within the scope of his or her employment or official responsibilities.

(B) Consent judgments.

(1) A political subdivision may enter into a consent judgment or settlement and may secure releases from liability for itself or an employee, with respect to any claim for injury, death, or loss to person or property caused by an act or omission in connection with a governmental or proprietary function.
§ 36.07  LIABILITY INSURANCE.

(A) (1) A political subdivision may use public funds to secure insurance with respect to its and its employees’ potential liability in damages in civil actions for injury, death, or loss to persons or property allegedly caused by an act or omission of the political subdivision or any of its employees in connection with a governmental or proprietary function. The insurance may be at the limits, for the circumstances, and subject to the terms and conditions, that are determined by the political subdivision in its discretion. The insurance may be for the period of time that is set forth in specifications for competitive bids or, when competitive bidding is not required, for the period of time that is mutually agreed upon by the political subdivision and insurance company. The period of time does not have to be, but can be, limited to the fiscal cycle under which the political subdivision is funded and operated.

(2) (a) Regardless of whether a political subdivision procures a policy of liability insurance pursuant to division (A)(1) of this section or otherwise, the political subdivision may establish and maintain a self-insurance program relative to its and its employees’ potential liability in damages in civil actions for injury, death, or loss to persons or property allegedly caused by an act or omission of the political subdivision or any of its employees in connection with a governmental or proprietary function. The political subdivision may reserve such funds as it deems appropriate in a special fund that may be established pursuant to an ordinance or resolution of the political subdivision and not subject to R.C. § 5705.12. The political subdivision may allocate the costs of insurance of a self-insurance program, or both, among the funds or accounts in the subdivision’s treasury on the basis of relative exposure and loss experience. The political subdivision may require any deductibles under an insurance or self-insurance program, or both, to be paid from funds or accounts in the subdivision’s treasury from which a loss was directly attributable. If it so chooses, the political subdivision may contract with any person, other political subdivision, or regional council of governments for purposes of the administration of the program.

(b) Political subdivisions that have established self-insurance programs relative to their and their employees’ potential liability as described in division (A)(2)(a) of this section may mutually agree that their self-insurance programs will be jointly administered in a specific manner.

(C) Failure to provide defense. If a political subdivision refuses to provide an employee with a defense in a civil action or proceeding as described in division (A)(1) of this section, upon the motion of the political subdivision, the court shall conduct a hearing regarding the political subdivision’s duty to defend the employee in that civil action. The political subdivision shall file the motion within 30 days of the close of discovery in the action. After the motion is filed, the employee shall have not less than 30 days to respond to the motion. At the request of the political subdivision or the employee, the court shall order the motion to be heard at an oral hearing. At the hearing on the motion, the court shall consider all evidence and arguments submitted by the parties. In determining whether a political subdivision has a duty to defend the employee in the action, the court shall determine whether the employee was acting both in good faith and not manifestly outside the scope of employment or official responsibilities. The pleadings shall not be determinative of whether the employee acted in good faith or was manifestly outside the scope of employment or official responsibilities. If the court determines that the employee was acting both in good faith and not manifestly outside the scope of employment or official responsibilities, the court shall order the political subdivision to defend the employee in the action.

(R.C. § 2744.07) (Rev. 2003)

§ 36.08 LIABILITY INSURANCE.

(A) (1) A political subdivision may use public funds to secure insurance with respect to its and its employees’ potential liability in damages in civil actions for injury, death, or loss to persons or property allegedly caused by an act or omission of the political subdivision or any of its employees in connection with a governmental or proprietary function. The insurance may be at the limits, for the circumstances, and subject to the terms and conditions, that are determined by the political subdivision in its discretion. The insurance may be for the period of time that is set forth in specifications for competitive bids or, when competitive bidding is not required, for the period of time that is mutually agreed upon by the political subdivision and insurance company. The period of time does not have to be, but can be, limited to the fiscal cycle under which the political subdivision is funded and operated.

(2) (a) Regardless of whether a political subdivision procures a policy of liability insurance pursuant to division (A)(1) of this section or otherwise, the political subdivision may establish and maintain a self-insurance program relative to its and its employees’ potential liability in damages in civil actions for injury, death, or loss to persons or property allegedly caused by an act or omission of the political subdivision or any of its employees in connection with a governmental or proprietary function. The political subdivision may reserve such funds as it deems appropriate in a special fund that may be established pursuant to an ordinance or resolution of the political subdivision and not subject to R.C. § 5705.12. The political subdivision may allocate the costs of insurance of a self-insurance program, or both, among the funds or accounts in the subdivision’s treasury on the basis of relative exposure and loss experience. The political subdivision may require any deductibles under an insurance or self-insurance program, or both, to be paid from funds or accounts in the subdivision’s treasury from which a loss was directly attributable. If it so chooses, the political subdivision may contract with any person, other political subdivision, or regional council of governments for purposes of the administration of the program.

(b) Political subdivisions that have established self-insurance programs relative to their and their employees’ potential liability as described in division (A)(2)(a) of this section may mutually agree that their self-insurance programs will be jointly administered in a specific manner.

(C) The authorizations for political subdivisions to secure insurance and to establish and maintain self-insurance programs in this section are in addition to any other authority to secure insurance or to establish and maintain self-insurance programs that is granted pursuant to the Ohio Revised Code or the Ohio Constitution, and they are not in derogation of any other authorization.

(D) If a political subdivision, pursuant to division (A)(2)(a) of this section or a joint self-insurance pool pursuant to R.C. § 2744.081, has allocated costs to, or required the payment of deductibles from, funds or accounts in the subdivision’s treasury, the subdivisions’s fiscal officer, pursuant to ordinance or resolution of the Legislative Authority, shall transfer amounts equal to those costs or deductibles from the funds or accounts of the subdivision’s General Fund if both of the following occur:

(1) The subdivision requests payment from the employee responsible for the funds or accounts for those costs or deductibles;
(2) The employee receiving the request fails to remit payment within 45 days after the date of receipt of the request.

(E) The provisions of R.C. §§ 5705.14, 5705.15, and 5705.16 do not apply to transfers made pursuant to division (D) of this section.

(b) That a member of the Legislative Authority or an officer of the municipality is or has been interested, directly or indirectly, in the profits of a contract, job, work or service, or is or has been acting as a commissioner, architect, superintendent or engineer in work undertaken or prosecuted by the municipality, contrary to law; or

(R.C. § 733.75)

(E) Removal of officer if found guilty. No costs or expenses shall be charged to the accused if he or she is acquitted upon trial. If an appeal on questions of law is instituted by the officer complained of, to reverse or vacate the order of the probate court, the officer shall not exercise the functions of his or her office until the order is finally reversed or vacated.

If the offender previously has been found guilty of an offense under this section or under R.C. § 2921.331 or any other substantially equivalent municipal ordinance, in addition to any other sanction imposed for the offense, the court shall impose a class one suspension as described in R.C. § 4510.02(A)(1). The court may grant limited driving privileges to the offender on a suspension imposed for a misdemeanor violation of this section as set forth in R.C. § 4510.021. No judge shall suspend any portion of the suspension under a class one suspension of an offender’s license, permit, or privilege required by this division.

§ 70.07 USE OF PRIVATE PROPERTY FOR VEHICULAR TRAVEL.

The provisions of this traffic code do not prevent the owner of real property, used by the public for purposes of vehicular travel by permission of the owner and not as a matter of right, from prohibiting such use or from requiring additional conditions to those specified in this traffic code, or otherwise regulating such use as may seem best to the owner. (R.C. § 4511.08)

(A) No person, firm or corporation shall cut, injure, remove, or destroy any fence or other barrier designed and erected to prevent traffic from entering or leaving a limited access highway without the permission of the Director of Transportation, except in a case of emergency where life or property is in danger. No person, firm or corporation shall cause a vehicle of any character to enter or leave a limited access highway at any point other than intersections designated by the Director for such purposes, except in a case of emergency where life or property is in danger. (R.C. § 3767.201)

(B) Whoever violates this section is guilty of a minor misdemeanor. (R.C. § 3767.99(D))

§ 70.10 THROUGH HIGHWAYS.

(A) All state routes are hereby designated as through highways, provided that stop signs, yield signs, or traffic-control signals shall be erected at all intersections with such through highways by the Department of Transportation as to highways under its jurisdiction and by local authorities as to highways under their jurisdiction, except as otherwise provided in this section. Where two or more state routes that are through highways intersect, and no traffic-control signal is in operation, stop signs or yield signs shall be erected at one or more entrances thereto by the Department or by local authorities having jurisdiction, except as otherwise provided in this section. Whenever the Director of Transportation determines on the basis of an engineering and traffic investigation that stop signs are necessary to stop traffic on a through highway for safe and efficient operation, nothing in this section shall be construed to prevent such installations. When circumstances warrant, the Director also may omit stop signs on roadways intersecting through highways under his or her jurisdiction. Before the Director either installs or removes a stop sign under this division, he or she shall give notice, in writing, of that proposed action to the affected local authority at least 30 days before installing or removing the stop sign.

(B) Other streets or highways, or portions thereof, are hereby designated as through highways if they are within the municipality, if they have a continuous length of more than one mile between the limits of the street or highway or portion thereof, and if they have stop or yield signs or traffic-
control signals at the entrances of the majority of intersecting streets or highways. For purposes of this section, the limits of the street or highway, or portion thereof, shall be the municipal corporation line, the physical terminus of the street or highway, or any point on the streets or highway at which vehicular traffic thereon is required by regulatory signs to stop or yield to traffic on the intersecting street, provided, that in residence districts, the municipality may by ordinance designate such street or highway, or portion thereof, not to be a through highway and thereafter the affected residence district shall be indicated by official traffic-control devices. Where two or more through highways designated under this division intersect and no traffic-control signal is in operation, stop signs or yield signs shall be erected at one or more entrances thereto by the Department or by local authorities having jurisdiction, except as otherwise provided in this section.

(C) The Department or local authorities having jurisdiction need not erect stop signs at intersections they find to be so constructed as to permit traffic to safely enter a through highway without coming to a stop. Signs shall be erected at such intersections indicating that the operator of a vehicle shall yield the right-of-way to or merge with all traffic proceeding on the through highway.

(D) Local authorities, with reference to highways under their jurisdiction, may designate additional through highways, and shall erect stop signs, yield signs, or traffic-control signals at all streets and highways intersecting such through highways, or may designate any intersection as a stop or yield intersection, and shall erect like signs at one or more entrances to the intersection.

(R.C. § 4511.65) (Rev. 1999)

§ 70.11 OFFICER MAY REMOVE IGNITION KEY.

A law enforcement officer may remove the ignition key left in the ignition switch of an unlocked and unattended motor vehicle parked on a street or highway. The officer removing the key shall place notification upon the vehicle detailing his or her name and badge number, the place where the key may be reclaimed, and the procedure for reclaiming the key. The key shall be returned to the owner of the motor vehicle upon presentation of proof of ownership.

§ 70.12 REMOVAL OF VEHICLES AFTER ACCIDENTS.

(A) If a motor vehicle accident occurs on any highway, public street, or other property open to the public for purposes of vehicular travel and if any motor vehicle, cargo, or personal property that has been damaged or spilled as a result of the motor vehicle accident is blocking the highway, street, or other property or is otherwise endangering public safety, a public safety official may do either of the following without the consent of the owner but with the approval of the law enforcement agency conducting any investigation of the accident:

(1) Remove, or order the removal of, the motor vehicle if the motor vehicle is unoccupied, cargo, or personal property from the portion of the highway, public street, or property ordinarily used for vehicular travel on the highway, public street, or other property open to the public for purposes of vehicular travel.

(2) If the motor vehicle is a commercial motor vehicle, allow the owner or operator of the vehicle the opportunity to arrange for the removal of the motor vehicle within a period of time specified by the public safety official. If the public safety official determines that the motor vehicle cannot be removed within the specified period of time, the public safety official shall remove or order the removal of the motor vehicle.

(B) (1) Except as provided in division (B)(2) of this section, the Department of Transportation, any employee of the Department of Transportation, or a public safety official who authorizes or participates in the removal of any unoccupied motor vehicle, cargo, or personal property as authorized by division (A) of this section, regardless of whether the removal is executed by a private towing service, is not liable for civil damages for any injury, death, or loss to person or property that results from the removal of that unoccupied motor vehicle, cargo, or personal property. Further, except as provided in division (B)(2) of this section, if a public safety official authorizes, employs, or arranges to have a private towing service remove any unoccupied motor vehicle, cargo, or personal property as authorized by division (A) of this section, that private towing service is not liable for civil damages for any injury, death, or loss to person or property that results from the removal of that unoccupied motor vehicle, cargo, or personal property.

(2) Division (B)(1) of this section does not apply to any of the following:

(a) Any person or entity involved in the removal of an unoccupied motor vehicle, cargo, or personal property pursuant to division (A) of this section if that removal causes or contributes to the release of a hazardous material or to structural damage to the roadway;

(b) A private towing service that was not authorized, employed, or arranged by a public safety official to remove an unoccupied motor vehicle, cargo, or personal property under this section;

(c) Except as provided in division (B)(2)(d) of this section, a private towing service that was authorized, employed, or arranged by a public safety official to perform the removal of the unoccupied motor vehicle, cargo, or personal property but the private towing service performed the removal in a negligent manner;

(d) A private towing service that was authorized, employed, or arranged by a public safety official to perform the removal of the unoccupied motor vehicle, cargo, or personal property that was endangering public safety but the private towing service performed the removal in a reckless manner.
(C) As used in divisions (A) and (B) of this section:

HAZARDOUS MATERIAL. Has the same meaning as in R.C. § 2305.232.

PUBLIC SAFETY OFFICIAL. Means any of the following:

(a) The sheriff of the county, or the chief of police in the municipal corporation, township, or township or joint police district, in which the accident occurred;

(b) A state highway patrol trooper;

(c) The chief of the fire department having jurisdiction where the accident occurred;

(d) A duly authorized subordinate acting on behalf of an official specified in divisions (a) to (c) of this definition.

(R.C. § 4513.66) (Rev. 2016)

(D) If a towing service is removing a motor vehicle, and the removal was not authorized under R.C. § 4513.60, 4513.601, 4513.61, or 4513.66, or any substantially equivalent municipal ordinance, prior to removing the motor vehicle, the towing service shall provide a written estimate of the price for the removal to the operator of the motor vehicle unless the operator is incapacitated, seriously injured, or otherwise unavailable to accept the estimate. The towing service shall not submit such an estimate to any repair facility or storage facility to which the motor vehicle is transported unless the operator of the motor vehicle meets one of the conditions specified above.

(E) The towing service shall ensure that any estimate provided under division (D) of this section includes the fees, services to be rendered, and destination of the vehicle.

(F) If a towing service fails to provide a written estimate as required by this section, the towing service shall not charge fees for the towing and storage of the motor vehicle that exceed 25% of the fees authorized under R.C. § 4513.601(G)(1)(b) for a motor vehicle removed from a private tow-away zone.

(G) Any storage facility that accepts towed vehicles shall conspicuously post a notice at the entrance to the storage facility that states the limitation on fees established under division (C) of this section.

(R.C. § 4513.68) (Rev. 2016)

TRAFFIC-CONTROL DEVICES

§ 70.30 OBEYING TRAFFIC-CONTROL DEVICES.

(A) (1) No pedestrian or driver of a vehicle shall disobey the instructions of any traffic-control device placed in accordance with the provisions of this traffic code, unless at the time otherwise directed by a police officer.

(2) No provision of this traffic code for which signs are required shall be enforced against an alleged violator if, at the time and place of the alleged violation, an official sign is not in proper position and sufficiently legible to be seen by an ordinarily observant person. Whenever a particular section of this traffic code does not state that signs are required, that section shall be effective even though no signs are erected or in place.

(R.C. § 4511.12(A))

(B) (1) Except as provided in division (C) of this section, any operator of a commercial motor vehicle, upon approaching a scale location established for the purpose of determining the weight of the vehicle and its load, shall comply with any traffic control device or the order of a peace officer directing the vehicle to proceed to be weighed or otherwise inspected.

(2) Any operator of a commercial motor vehicle, upon bypassing a scale location in accordance with division (C) of this section, shall comply with an order of a peace officer to stop the vehicle to verify the use and operation of an electronic clearance device.

(C) Any operator of a commercial motor vehicle that is equipped with an electronic clearance device authorized by the Superintendent of the State Highway Patrol under R.C. § 4549.081 may bypass a scale location, regardless of the instruction of a traffic control device to enter the scale facility, if either of the following apply:

(1) The in-cab transponder displays a green light or other affirmative visual signal and also sounds an affirmative audible signal;

(2) Any other criterion established by the Superintendent of the State Highway Patrol is met.

(D) Any peace officer may order the operator of a commercial motor vehicle that bypasses a scale location to stop the vehicle to verify the use and operation of an electronic clearance device.

(E) As used in this section, COMMERCIAL MOTOR VEHICLE means any combination of vehicles with a gross vehicle weight rating or an actual gross vehicle weight of more than 10,000 pounds if the vehicle is used in interstate or intrastate commerce to transport property and also means any vehicle that is transporting hazardous materials for which placarding is required pursuant to 49 C.F.R. parts 100 through 180.

(R.C. § 4511.121(A) - (C), (E))

(F) No person shall use an electronic clearance device if the device or its use is not in compliance with rules of the Superintendent of the State Highway Patrol.

§ 70.31 SIGNAL LIGHTS.

Highway traffic signal indications for vehicles and pedestrians shall have the following meanings:

(A) Steady green signal indication.

(1) (a) Vehicular traffic facing a circular green signal indication is permitted to proceed straight through or turn right or left or make a u-turn movement except as such movement is modified by a lane-use sign, turn prohibition sign, lane marking, roadway design, separate turn signal indication, or other traffic control device. Such vehicular traffic, including vehicles turning right or left or making a u-turn movement, shall yield the right-of-way to both of the following:

1. Pedestrians lawfully within an associated crosswalk;

2. Other vehicles lawfully within the intersection.

(b) In addition, vehicular traffic turning left or making a u-turn movement to the left shall yield the right-of-way to other vehicles approaching from the opposite direction so closely as to constitute an immediate hazard during the time when such turning vehicle is moving across or within the intersection.

(2) Vehicular traffic facing a green arrow signal indication, displayed alone or in combination with another signal indication, is permitted to cautiously enter the intersection only to make the movement indicated by such arrow, or such other movement as is permitted by other indications displayed at the same time. Such vehicular traffic, including vehicles turning right or left or making a u-turn movement, shall yield the right-of-way to both of the following:

(a) Pedestrians lawfully within an associated crosswalk;

(b) Other traffic lawfully using the intersection.

(3) (a) Unless otherwise directed by a pedestrian signal indication, as provided in R.C. § 4511.14, pedestrians facing a circular green signal indication are permitted to proceed across the roadway within any marked or unmarked associated crosswalk. The pedestrian shall yield the right-of-way to vehicles lawfully within the intersection or so close as to create an immediate hazard at the time that the green signal indication is first displayed.

(b) Pedestrians facing a green arrow signal indication, unless otherwise directed by a pedestrian signal indication or other traffic control device, shall not cross the roadway.

(B) Steady yellow signal indication.

(1) Vehicular traffic facing a steady circular yellow signal indication is thereby warned that the related green movement or the related flashing arrow movement is being terminated or that a steady red signal indication will be exhibited immediately thereafter when vehicular traffic shall not enter the intersection. The provisions governing vehicular operation under the movement being terminated shall continue to apply while the steady circular yellow signal indication is displayed.

(2) Vehicular traffic facing a steady yellow arrow signal indication is thereby warned that the related green arrow movement or the related flashing arrow movement is being terminated. The provisions governing vehicular operation under the movement being terminated shall continue to apply while the steady yellow arrow signal indication is displayed.
(3) Pedestrians facing a steady circular yellow or yellow arrow signal indication, unless otherwise directed by a pedestrian signal indication as provided in R.C. § 4511.14 or other traffic control device, shall not enter the roadway.

(C) Steady red signal indication.

(1) (a) Vehicular traffic facing a steady circular red signal indication, unless entering the intersection to make another movement permitted by another signal indication, shall stop at a clearly marked stop line; but if there is no stop line, traffic shall stop before entering the crosswalk on the near side of the intersection; or if there is no crosswalk, then before entering the intersection; and shall remain stopped until a signal indication to proceed is displayed except as provided in divisions (C)(1), (C)(2), and (C)(3) of this section.

(b) Except when a traffic control device is in place prohibiting a turn on red or a steady red arrow signal indication is displayed, vehicular traffic facing a steady circular red signal indication is permitted, after stopping, to enter the intersection to turn right, or to turn left from a one-way street into a one-way street. The right to proceed with the turn shall be subject to the provisions that are applicable after making a stop at a stop sign.

(2) (a) Vehicular traffic facing a steady red arrow signal indication shall not enter the intersection to make the movement indicated by the arrow and, unless entering the intersection to make another movement permitted by another signal indication, shall stop at a clearly marked stop line; but if there is no stop line, before entering the crosswalk on the near side of the intersection; or if there is no crosswalk, then before entering the intersection; and shall remain stopped until a signal indication or other traffic control device permitting the movement indicated by such red arrow is displayed.

(b) When a traffic control device is in place permitting a turn on a steady red arrow signal indication, vehicular traffic facing a steady red arrow indication is permitted, after stopping, to enter the intersection to turn right, or to turn left from a one-way street into a one-way street. The right to proceed with the turn shall be limited to the direction indicated by the arrow and shall be subject to the provisions that are applicable after making a stop at a stop sign.

(3) Unless otherwise directed by a pedestrian signal indication as provided in R.C. § 4511.14 or other traffic control device, pedestrians facing a steady circular red or steady red arrow signal indication shall not enter the roadway.

(4) Local authorities by ordinance, or the Director of Transportation on state highways, may prohibit a right or a left turn against a steady red signal at any intersection, which shall be effective when signs giving notice thereof are posted at the intersection.

(D) Flashing green signal indication. A flashing green signal indication has no meaning and shall not be used.

(E) Flashing yellow signal indication.

(1) (a) Vehicular traffic, on an approach to an intersection, facing a flashing circular yellow signal indication, is permitted to cautiously enter the intersection to proceed straight through or turn right or left or make a u-turn movement except as such movement is modified by lane-use signs, turn prohibition signs, lane markings, roadway design, separate turn signal indications, or other traffic control devices. Such vehicular traffic, including vehicles turning right or left or making a u-turn movement, shall yield the right-of-way to both of the following:

   1. Pedestrians lawfully within an associated crosswalk;
   2. Other vehicles lawfully within the intersection.

   (b) In addition, vehicular traffic turning left or making a u-turn to the left shall yield the right-of-way to other vehicles approaching from the opposite direction so closely as to constitute an immediate hazard during the time when such turning vehicle is moving across or within the intersection.

(2) (a) Vehicular traffic, on an approach to an intersection, facing a flashing yellow arrow signal indication, displayed alone or in combination with another signal indication, is permitted to cautiously enter the intersection only to make the movement indicated by such arrow, or other such movement as is permitted by other signal indications displayed at the same time. Such vehicular traffic, including vehicles turning right or left or making a u-turn, shall yield the right-of-way to both of the following:

   1. Pedestrians lawfully within an associated crosswalk;
   2. Other vehicles lawfully within the intersection.

   (b) In addition, vehicular traffic turning left or making a u-turn to the left shall yield the right-of-way to other vehicles approaching from the opposite direction so closely as to constitute an immediate hazard during the time when such turning vehicle is moving across or within the intersection.

(3) Pedestrians facing any flashing yellow signal indication at an intersection, unless otherwise directed by a pedestrian signal indication or other traffic control device, are permitted to proceed across the roadway within any marked or unmarked associated crosswalk. Pedestrians shall yield the right-of-way to vehicles lawfully within the intersection at the time that the flashing yellow signal indication is first displayed.
(4) When a flashing circular yellow signal indication is displayed as a beacon to supplement another traffic control device, road users are notified that there is a need to pay additional attention to the message contained thereon or that the regulatory or warning requirements of the other traffic control device, which might not be applicable at all times, are currently applicable.

(F) **Flashing red signal indication.**

(1) Vehicular traffic, on an approach to an intersection, facing a flashing circular red signal indication, shall stop at a clearly marked stop line; but if there is no stop line, before entering the crosswalk on the near side of the intersection; or if there is no crosswalk, at the point nearest the intersecting roadway where the driver has a view of approaching traffic on the intersecting roadway before entering the intersection. The right to proceed shall be subject to the provisions that are applicable after making a stop at a stop sign.

(2) Pedestrians facing any flashing red signal indication at an intersection, unless otherwise directed by a pedestrian signal indication or other traffic control device, are permitted to proceed across the roadway within any marked or unmarked associated crosswalk. Pedestrians shall yield the right-of-way to vehicles lawfully within the intersection at the time that the flashing red signal indication is first displayed.

(3) When a flashing circular red signal indication is displayed as a beacon to supplement another traffic control device, road users are notified that there is a need to pay additional attention to the message contained thereon or that the regulatory requirements of the other traffic control device, which might not be applicable at all times, are currently applicable. Use of this signal indication shall be limited to supplementing stop, do not enter, or wrong way signs, and to applications where compliance with the supplemented traffic control device requires a stop at a designated point.

(G) In the event an official traffic-control signal is erected and maintained at a place other than an intersection, the provisions of this section shall be applicable except as to those provisions which by their nature can have no application. Any stop required shall be made at a sign or marking on the pavement indicating where the stop shall be made, but in the absence of any such sign or marking the stop shall be made at the signal.

The pedestrian shall yield the right-of-way to vehicles lawfully within the intersection at the time that the walking person signal indication is first shown.

(B) A flashing upraised hand signal indication, which symbolizes “don’t walk”, means that a pedestrian shall not start to cross the roadway in the direction of the signal indication, but that any pedestrian who has already started to cross on a steady walking person signal indication shall proceed to the far side of the traveled way of the street or highway, unless otherwise directed by a traffic control device to proceed only to the median of a divided highway or only to some other island or pedestrian refuge area.

(C) A steady upraised hand signal indication means that a pedestrian shall not enter the roadway in the direction of the signal indication.

(3) Regarding an operator alleged in the category described in division (A)(4) of this section, the
offender and the operator of the motor vehicle occupied the motor vehicle together at the time of the offense.

(1) Except as provided in division (C)(2) of this section, whoever violates division (A)(1), (A)(2), or (A)(3) of this section is guilty of an unclassified misdemeanor. When the offense is an unclassified misdemeanor, the offender shall be sentenced pursuant to § 130.18, § 130.99 or R.C. §§ 2929.21 to 2929.28, except that the offender shall not be sentenced to a jail term; the offender shall not be sentenced to a community residential sanction pursuant to § 130.99(E) or R.C. § 2929.26; notwithstanding § 130.99(G)(1)(b)1. and R.C. § 2929.28(A)(2)(a), the offender may be fined up to $1,000; and, notwithstanding § 130.99(F)(1)(c) and R.C. § 2929.27(A)(3), the offender may be ordered pursuant to § 130.99(F)(3) or R.C. § 2929.27(C) to serve a term of community service of up to 500 hours. The failure of an offender to complete a term of community service imposed by the court may be punished as indirect criminal contempt under R.C. § 2705.02(A) that may be filed in the underlying case.

(2) (a) If, within three years of a violation of division (A)(1), (A)(2), or (A)(3) of this section, the offender previously has pleaded guilty to or been convicted of two or more violations of division (A)(1), (A)(2), or (A)(3) of this section, R.C. § 4511.203(A)(1), (A)(2), or (A)(3), or a substantially equivalent municipal ordinance, the offender is guilty of a misdemeanor of the first degree.

(b) Whoever violates division (A)(4) or (A)(5) of this section is guilty of a misdemeanor of the first degree.

(3) For any violation of this section, in addition to the penalties imposed under this Code or R.C. Chapter 2929, the court may impose a class seven suspension of the offender’s driver’s license, commercial driver’s license, temporary instruction permit, probationary license, or nonresident operating privilege from the range specified in R.C. § 4510.02(A)(7), and, if the vehicle involved in the offense is registered in the name of the offender, the court may order one of the following:

(a) Except as otherwise provided in division (C)(3)(b) or (C)(3)(c) of this section, the court may order, for 30 days, the immobilization of the vehicle involved in the offense and the impoundment of that vehicle’s license plates. If issued, the order shall be issued and enforced under R.C. § 4503.233.

(b) If the offender previously has been convicted of or pleaded guilty to one violation of this section, R.C. § 4511.203, or a substantially equivalent municipal ordinance, the court may order, for 60 days, the immobilization of the vehicle involved in the offense and the impoundment of that vehicle’s license plates. If issued, the order shall be issued and enforced under R.C. § 4503.233.

(c) If the offender previously has been convicted of or pleaded guilty to two or more violations of this section, R.C. § 4511.203, or a substantially equivalent municipal ordinance, the court may order the criminal forfeiture to the state of the vehicle involved in the offense. If issued, the order shall be issued and enforced under R.C. § 4503.234.

(4) If title to a motor vehicle that is subject to an order for criminal forfeiture under division (C)(3)(c) of this section is assigned or transferred and R.C. § 4503.234(B)(2) or (B)(3) applies, in addition to or independent of any other penalty established by law, the court may fine the offender the value of the vehicle as determined by publications of the National Automobile Dealers Association. The proceeds from any fine imposed under this division shall be distributed in accordance with R.C. § 4503.234(C)(2).

(D) If a court orders the criminal forfeiture of a vehicle under division (C)(3)(a) or (C)(3)(b) of this section, the court shall not release the vehicle from the immobilization before the termination of the period of immobilization ordered unless the court is presented with current proof of financial responsibility with respect to that vehicle.

(E) If a court orders the criminal forfeiture of a vehicle under division (C)(3)(c) of this section, upon receipt of the order from the court, neither the Registrar of Motor Vehicles nor any deputy registrar shall accept any application for the registration or transfer of registration of any motor vehicle owned or leased by the person named in the order. The period of denial shall be five years after the date the order is issued, unless, during that five-year period, the court with jurisdiction of the offense that resulted in the order terminates the forfeiture and notifies the Registrar of the termination. If the court terminates the forfeiture and notifies the Registrar, the Registrar shall take all necessary measures to permit the person to register a vehicle owned or leased by the person or to transfer the registration of the vehicle.

(F) This section does not apply to motor vehicle rental dealers or motor vehicle leasing dealers, as defined in R.C. § 4549.65.

(G) Evidence of a conviction of, plea of guilty to, or adjudication as a delinquent child for a violation of this section shall not be admissible as evidence in any civil action that involves the offender or delinquent child who is the subject of the conviction, plea, or adjudication and that arises from the wrongful entrustment of a motor vehicle.

(H) For purposes of this section, a vehicle is owned by a person if, at the time of a violation of this section, the vehicle is registered in the person’s name.

(R.C. § 4510.05) (Rev. 2004)

(B) Whenever a person is found guilty under the laws of this state or any ordinance of any political subdivision of this state, of operating a motor vehicle in violation of any such law or ordinance relating to reckless operation, the trial court of any court of record, in addition to or independent of all other penalties provided by law, may impose a class five suspension of the offender’s driver’s or commercial driver’s license or permit or non resident operating privilege from the range specified in R.C. § 4510.02(A)(5).

(C) Suspension of a commercial driver’s license under this section shall be concurrent with any period of suspension disqualification under R.C. § 3212.58 or 4506.16. No person who is disqualified for life from holding a commercial driver’s license under R.C. § 4506.16 shall be issued a driver’s license under R.C. Chapter 4507 during the period for which the commercial driver’s license was suspended under this section, and no person whose commercial driver’s license is suspended under this section shall be issued a driver’s license under R.C. When a demand is properly made, and the operator has the operator’s driver’s license on or about the operator’s person, the operator shall not refuse to display the license. A person’s failure to furnish satisfactory evidence that the person is licensed under R.C. Chapter 4507 when the person does not have the person’s license on or about the person’s person shall be prima facie evidence of the person’s not having obtained a driver’s license.

(B) Except as provided in division (B)(2) of this section, whoever violates this section is guilty of an unclassified misdemeanor. When the offense is an unclassified misdemeanor, the offender shall be sentenced pursuant to § 130.18, § 130.99 or R.C. §§ 2929.21 to 2929.28, except that the offender shall not be sentenced to a jail term; the offender shall be sentenced to a community residential sanction pursuant to § 130.99(E) or R.C. § 2929.26; notwithstanding § 130.99(G)(1)(b)1. and R.C. § 2929.28(A)(2)(a), the offender may be fined up to $1,000; and notwithstanding § 130.99(F)(1)(c) and R.C. § 2929.27(A)(3), the offender may be ordered pursuant to § 130.99(F)(3) or R.C. § 2929.27(C) to serve a term of community service of up to 500 hours. (3) Upon the request or motion of the prosecuting authority, a non-certified copy of the law enforcement automated data system report or a non-certified copy of a record of the Registrar of Motor Vehicles that shows the name, date of birth, and social security number of a person charged with a violation of division (A)(1) or (A)(2) of this section may be admitted into evidence as prima facie evidence that the license of the person was under suspension at the time of the alleged violation of division (A)(1) of this section or the person operated a motor vehicle in violation of a restriction at the time of the alleged violation of division (A)(2) of this section. The person charged with a violation of division (A)(1) or (A)(2) of this section may offer evidence to rebut this prima facie evidence.

The Registrar then shall take necessary measures to permit the person to register a vehicle owned or leased by the person or to transfer registration of the vehicle.

(7) The offender shall provide the court with proof of financial responsibility as defined in R.C. § 4509.01. If the offender fails to provide that proof of financial responsibility, then, in addition to any other penalties provided by law, the court may order restitution pursuant to § 130.99(G) or R.C. § 2929.28 in an amount not exceeding $5,000 for any economic loss arising from an accident or collision that was the direct and proximate result of the offender’s operation of the vehicle before, during, or after committing the offense for which the offender is sentenced under this section. The person charged with a violation of division (A)(1) or (A)(2) of this section may offer evidence to rebut this prima facie evidence.

(C) Whoever violates this section is guilty of operating a motor vehicle or motorcycle without a valid license and shall be punished as follows:

(1) If the trier of fact finds that the offender never has held a valid driver’s or commercial driver’s license issued by the state or any other jurisdiction, or, in a case involving the operation of a motorcycle by the offender, if the offender has never held a valid license as a motorcycle operator, either in the form of an endorsement upon a driver’s or commercial driver’s license or in the form of a restricted license, except as otherwise provided in this division, the offense is an unclassified misdemeanor. The failure of an offender to complete a term of community service imposed by the court may be punished as indirect criminal contempt under R.C. § 2705.02(A) that may be filed in the underlying case.

(b) A person whose medical certification information is not maintained in the commercial driver’s license information system shall have in the person’s possession the original or a copy of the current medical examiner’s certificate that was submitted to the Registrar. However, the person may operate a commercial motor vehicle with such proof of medical certification for not more than 15 days after the date the current medical examiner’s certificate was issued to the person.

§ 72.001  LANES OF TRAVEL UPON ROADWAYS.

(A) Upon all roadways of sufficient width, a vehicle shall be driven upon the right half of the roadway, except as follows:

(1) When overtaking and passing another vehicle proceeding in the same direction, or when making a left turn under the rules governing such movements;

(2) When an obstruction exists making it necessary to drive to the left of the center of the highway; provided, any person so doing shall yield the right-of-way to all vehicles traveling in the proper direction upon the unobstructed portion of the highway within such distance as to constitute an immediate hazard;

(3) When driving upon a roadway divided into three or more marked lanes for traffic under the rules applicable thereon;

(4) When driving upon a roadway designated and posted with signs for one-way traffic;

(5) When otherwise directed by a police officer or traffic-control device.

(B) (1) Upon all roadways any vehicle proceeding at less than the prevailing and lawful speed of traffic at the time and place and under the conditions then existing shall be driven in the right-hand lane then available for traffic, and far enough to the right to allow passing by faster vehicles if such passing is safe and reasonable, except under any of the following circumstances:

(a) When overtaking and passing another vehicle proceeding in the same direction;

(b) When preparing for a left turn;

(c) When the driver must necessarily drive in a lane other than the right-hand lane to continue on the driver’s intended route.

(2) Nothing in division (B)(1) of this section requires a driver of a slower vehicle to compromise the driver’s safety to allow overtaking by a faster vehicle.

(C) Upon any roadway having four or more lanes for moving traffic and providing for two-way movement of traffic, no vehicle shall be driven to the left of the center line of the roadway, except when authorized by official traffic-control devices designating certain lanes to the left of the center of the roadway for use by traffic not otherwise permitted to use the lanes, or except as permitted under division (A)(2) of this section. This division shall not be construed as prohibiting the crossing of the center line in making a left turn into or from an alley, private road, or driveway.

(D) Except as otherwise provided in this division, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. If, within one year of the offense, the offender previously has been convicted of two or more predicate motor vehicle or traffic offenses, whoever violates this section is guilty of a misdemeanor of the third degree. (R.C. § 4511.25) (Rev. 2007)

§ 72.002  DRIVING THROUGH SAFETY ZONE.

(A) No vehicle shall at any time be driven through or within a safety zone.

(B) Except as otherwise provided in this division, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. If, within one year of the offense, the offender previously has been convicted of two or more predicate motor vehicle or traffic offenses, whoever violates this section is guilty of a misdemeanor of the third degree. (R.C. § 4511.60) (Rev. 2004)

§ 72.003  VEHICLES TRAVELING IN OPPOSITE DIRECTIONS.

(A) Operators of vehicles proceeding in opposite directions shall pass each other to the right, and upon roadways having width for not more than one line of traffic in each direction, each operator shall give to the other one-half of the main traveled portion of the roadway or as nearly one-half as is reasonably possible.

(B) Except as otherwise provided in this division, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one
§ 72.007 PROHIBITION AGAINST DRIVING UPON LEFT SIDE OF ROADWAY.

(A) No vehicle shall be driven upon the left side of the roadway under the following conditions:

(1) When approaching the crest of a grade or upon a curve in the highway, where the operator’s view is obstructed within such a distance as to create a hazard in the event traffic might approach from the opposite direction;
(2) When the view is obstructed upon approaching within 100 feet of any bridge, viaduct, or tunnel; or

(3) When approaching within 100 feet of or traversing any intersection or railroad grade crossing.

(B) This section does not apply to vehicles upon a one-way roadway, upon a roadway where traffic is lawfully directed to be driven to the left side, or under the conditions described in R.C. § 4511.25(A)(2) or a substantially equivalent municipal ordinance.

(C) Except as otherwise provided in this division, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. If, within one year of the offense, the offender previously has been convicted of two or more predicate motor vehicle or traffic offenses, whoever violates this section is guilty of a misdemeanor of the third degree.

(R.C. § 4511.30) (Rev. 2004)

§ 72.008 HAZARDOUS ZONES.

(A) The Department of Transportation may determine those portions of any state highway where overtaking and passing other traffic or driving to the left of the center or center line of the roadway would be especially hazardous, and may, by appropriate signs or markings on the highway, indicate the beginning and end of such zones. When signs or markings are in place and clearly visible, every operator of a vehicle shall obey the directions of the signs or markings, notwithstanding the distances set out in R.C. § 4511.30.

(B) Division (A) of this section does not apply when all of the following apply:

(1) The slower vehicle is proceeding at less than half the speed of the speed limit applicable to that location.

(2) The faster vehicle is capable of overtaking and passing the slower vehicle without exceeding the speed limit.

(3) There is sufficient clear sight distance to the left of the center or center line of the roadway to meet the overtaking and passing provisions of R.C. § 4511.29, considering the speed of the slower vehicle.

(C) Except as otherwise provided in this division, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. If, within one year of the offense, the offender previously has been convicted of two or more predicate motor vehicle or traffic offenses, whoever violates this section is guilty of a misdemeanor of the third degree.

(2) A vehicle passing around a rotary traffic island shall be driven only to the right of the rotary traffic island.

(B) Except as otherwise provided in this division, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. If, within one year of the offense, the offender previously has been convicted of two or more predicate motor vehicle or traffic offenses, whoever violates this section is guilty of a misdemeanor of the third degree.

(R.C. § 4511.32) (Rev. 2004)

§ 72.010 RULES FOR DRIVING IN MARKED LANES.

(A) Whenever any roadway has been divided into two or more clearly marked lanes for traffic, or wherever within the municipality traffic is lawfully moving in two or more substantially continuous lines in the same direction, the following rules apply:

(1) A vehicle shall be driven, as nearly as is practicable, entirely within a single lane or line of traffic and shall not be moved from the lane or line until the driver has first ascertained that the movement can be made with safety.

(2) Upon a roadway which is divided into three lanes and provides for the two-way movement of traffic, a vehicle shall not be driven in the center lane, except when overtaking and passing another vehicle where the roadway is clearly visible and the center lane is clear of traffic within a safe distance, or when preparing for a left turn, or where the center lane is at the time allocated exclusively to traffic moving in the direction the vehicle is proceeding, and is posted with signs to give notice of such allocation.

(3) Official signs may be erected directing specified traffic to use a designated lane or designating those lanes to be used by traffic moving in a particular direction, regardless of the center of the roadway, or restricting the use of a particular lane to only buses during certain hours or during all hours, and drivers of vehicles shall obey the directions of such signs.
(4) Official traffic-control devices may be installed prohibiting the changing of lanes on sections of roadway, and drivers of vehicles shall obey the directions of every such device.

(B) Except as otherwise provided in this division, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. If, within one year of the offense, the offender previously has been convicted of two or more predicate motor vehicle or traffic offenses, whoever violates this section is guilty of a misdemeanor of the third degree.

(2) A child who weighs less than 40 pounds.

(B) When any child who is in either or both of the following categories is being transported in a motor vehicle, other than a taxicab, that is owned, leased, or otherwise under the control of a nursery school or day-care center, the operator of the motor vehicle shall have the child properly secured in accordance with the manufacturer’s instructions in a child restraint system that meets federal motor vehicle safety standards:

(1) A child who is less than four years of age;

(2) A child who weighs less than 40 pounds.

(C) When any child who is less than eight years of age and less than four feet nine inches in height, who is not required by division (A) or (B) of this section to be secured in a child restraint system, is being transported in a motor vehicle, other than a taxicab or public safety vehicle as defined in R.C. § 4511.01 or a vehicle that is regulated under R.C. § 5104.015, that is required by the United States Department of Transportation to be equipped with seat belts at the time of manufacture or assembly, the operator of the motor vehicle shall have the child properly secured in accordance with the manufacturer’s instructions on a booster seat that meets federal motor vehicle safety standards.

(E) Notwithstanding any provision of law to the contrary, no law enforcement officer shall cause an operator of a motor vehicle being operated on any street or highway to stop the motor vehicle for the sole purpose of determining whether a violation of division (C) or (D) of this section has been or is being committed or for the sole purpose of issuing a ticket, citation, or summons for a violation of division (C) or (D) of this section or causing the arrest of or commencing a prosecution of a person for a violation of division (C) or (D) of this section, and absent another violation of law, a law enforcement officer’s view of the interior or visual inspection of a motor vehicle being operated on any street or highway may not be used for the purpose of determining whether a violation of division (C) or (D) of this section has been or is being committed.

(F) The Director of Public Safety shall adopt such rules as are necessary to carry out this section.

(G) The failure of an operator of a motor vehicle to secure a child in a child restraint system, a booster seat, or an occupant restraining device as required in this section is not negligence imputable to the child, is not admissible as evidence in any civil action involving the rights of the child against any other person alleged to be injured by the child, is not to be used as a basis for a criminal prosecution of the operator of the motor vehicle other than a prosecution for a violation of this section, and is not admissible as evidence in any criminal action involving the operator of the motor vehicle other than a prosecution for a violation of this section.

(H) This section does not apply when an emergency exists that threatens the life of any person operating or occupying a motor vehicle that is being used to transport a child who otherwise would be required to be restrained under this section. This section does not apply to a person operating a motor vehicle who has an affidavit signed by a physician licensed to practice in this state under R.C. (I) Nothing in this section shall be construed to require any person to carry with the person the birth certificate of a child to prove the age of the child, but the production of a valid birth certificate for a child showing that the child was not of an age to which this section applies is a defense against any ticket, citation, or summons issued for violating this section.

(J) (1) Whoever violates division (A), (B), (C), or (D) of this section shall be punished as follows, provided that the failure of an operator of a motor vehicle to secure more than one child in a child restraint system, booster seat, or occupant restraining device as required by this section that occurred at the same time, on the same day, and at the same location is deemed to be a single violation of this section:

(a) Except as otherwise provided in division (J)(1)(b) of this section, the offender is guilty of a minor misdemeanor and shall be fined not less than $25 nor more than $75.

(b) If the offender previously has been convicted of or pleaded guilty to a violation of division (A), (B), (C), or (D) of this section or of a state law or municipal ordinance that is substantially equivalent any of those divisions, the offender is guilty of a misdemeanor of the fourth degree.

Chapter 4731 or a chiropractor licensed to practice in this state under R.C. Chapter 4734 that states that the person has a physical impairment that makes use of an occupant restraining device impossible or impractical.

(D) Officers not permitted to stop cars to determine violation. Notwithstanding any provision of law to the contrary, no law enforcement officer shall cause an operator of an automobile being operated on any street or highway to stop the automobile for the sole purpose of determining whether a violation of division (B) of this section has been or is being committed or for the sole purpose of issuing a ticket, citation, or summons for the violation or for causing the arrest of or commencing a prosecution of a person for the violation. No law enforcement officer shall view the interior or visually inspect any automobile being operated on any street or highway for the sole purpose of determining whether the violation has been or is being committed.

But, the trier of fact may determine based on evidence admitted consistent with the Ohio Rules of Evidence that the failure contributed to the harm alleged in the tort action and may diminish a recovery of compensatory damages that represents non-economic loss, as defined in R.C. § 2307.011, in a tort action that could have been recovered but for the plaintiff’s failure to wear all of the available elements of a properly adjusted occupant restraining device. Evidence of that failure shall not be used as a basis for a criminal prosecution of the person other than a prosecution for a violation of this section; and shall not be admissible as evidence in a criminal action involving the person other than a prosecution for a violation of this section.

(2) If, at the time of an accident involving a passenger car equipped with occupant restraining devices, any occupant of the passenger car who sustained injury or death was not wearing an available occupant restraining device, was not wearing all of the available elements of such
§ 72.124

a device, or was not wearing such a device as properly adjusted, then, consistent with the Rules of Evidence, the fact that the occupant was not wearing the available occupant restraining device, was not wearing all of the available elements of such a device, or was not wearing such a device as properly adjusted is admissible in evidence in relation to any claim for relief in a tort action to the extent that the claim for relief satisfies all of the following:

(a) It seeks to recover damages for injury or death to the occupant;

(b) The defendant in question is the manufacturer, designer, distributor, or seller of the passenger car;

(c) The claim for relief against the defendant in question is that the injury or death sustained by the occupant was enhanced or aggravated by some design defect in the passenger car or that the passenger car was not crashworthy.

In addition, the court shall impose a class seven suspension of the person’s driver’s license or permit for a definite period of one year.

(D) The filing of a sworn complaint against a person for a violation of R.C. § 4511.205 does not preclude the filing of a sworn complaint for a violation of a substantially equivalent municipal ordinance for the same conduct.
However, if a person is adjudicated a delinquent child or a juvenile traffic offender for a violation of R.C. § 4511.205 and is also adjudicated a delinquent child or a juvenile traffic offender for a violation of a substantially equivalent municipal ordinance for the same conduct, the two offenses are allied offenses of similar import under R.C. § 2941.25.

   (2) No person who, within 20 years of the conduct described in division (A)(2)(a) of this section, previously has been convicted of or pleaded guilty to a violation of this division or a substantially equivalent state law or municipal ordinance, a violation of division (A)(1) or (B) of this section or a substantially equivalent state law or municipal ordinance, or any other equivalent offense shall do both of the following:

      (a) Operate any vehicle within this municipality while under the influence of alcohol, a drug of abuse, or a combination of them;

      (b) Subsequent to being arrested for operating the vehicle as described in division (A)(2)(a) of this section, being asked by a law enforcement officer to submit to a chemical test or tests under R.C. § 4511.191 or any substantially equivalent municipal ordinance, and being advised by the officer in accordance with R.C. § 4511.192 or any substantially equivalent municipal ordinance of the consequences of the person’s refusal or submission to the test or tests, refuse to submit to the test or tests.

(C) In any proceeding arising out of one incident, a person may be charged with a violation of division (A)(1)(a) or (A)(2) and a violation of division (B)(1), (B)(2), or (B)(3) of this section, but the person may not be convicted of more than one violation of these divisions.

(D) (1) (a) In any criminal prosecution or juvenile court proceeding for a violation of division (A)(1)(a) of this section or for an equivalent offense that is vehicle-related, the result of any test of any blood or urine withdrawn and analyzed at any health care provider, as defined in R.C. § 2317.02, may be admitted with expert testimony to be considered with any other relevant and competent evidence in determining the guilt or innocence of the defendant.

(b) In any criminal prosecution for a violation of division (A) or (B) of this section or for an equivalent offense that is vehicle-related, the court may admit evidence on the concentration of alcohol, drugs of abuse, controlled substances, metabolites of a controlled substance, or a combination of them in the defendant’s whole blood, blood serum or plasma, breath, urine, or other bodily substance at the time of the alleged violation as shown by chemical analysis of the substance withdrawn within three hours of the time of the alleged violation. The three-hour time limit specified in this division regarding the admission of evidence does not extend or affect the two-hour time limit specified in R.C. § 4511.192(A) as the maximum period of time during which a person may consent to a chemical test or tests as described in that section. The court may admit evidence on the concentration of alcohol, drugs of abuse, or a combination of them as described in this division when a person submits to a blood test at the request of a law enforcement officer under R.C. § 4511.191 or a substantially equivalent municipal ordinance, or a blood or urine sample is obtained pursuant to a search warrant. Only a physician, a registered nurse, an emergency medical technician-intermediate, an emergency medical technician-paramedic, or a qualified technician, chemist, or phlebotomist shall withdraw a blood sample for the purpose of determining the alcohol, drug, controlled substance, metabolite of a controlled substance, or combination content of the whole blood, blood serum, or blood plasma. This limitation does not apply to the taking of breath or urine specimens. A person authorized to withdraw blood under this division may refuse to withdraw blood under this division, if in that person’s opinion, the physical welfare of the person would be endangered by the withdrawing of blood. The bodily substance withdrawn under this division (D)(1)(b) shall be analyzed in accordance with methods approved by the Director of Health by an individual possessing a valid permit issued by the Director pursuant to R.C. § 3701.143.

(c) As used in division (D)(1)(b) of this section, EMERGENCY MEDICAL TECHNICIAN-INTERMEDIATE and EMERGENCY MEDICAL TECHNICIAN-PARAMEDIC have the same meanings as in R.C. § 4765.01.

(2) In a criminal prosecution for a violation of division (A) of this section or for an equivalent offense that is vehicle-related, if there was at the time the bodily substance was withdrawn a concentration of less than the applicable concentration of alcohol specified in divisions (A)(1)(b), (A)(1)(c), (A)(1)(d) and (A)(1)(e) of this section or less than the applicable concentration of a listed controlled substance or a listed metabolite of a controlled substance specified for a violation of division (A)(1)(j) of this section, that fact may be considered with other competent evidence in determining the guilt or innocence of the defendant. This division does not limit or affect a criminal prosecution for a violation of division (B) of this section.

(3) Upon the request of the person who was tested, the results of the chemical test shall be made available to the person or the person’s attorney, immediately upon the completion of the chemical test analysis. If the chemical test was obtained pursuant to division (D)(1)(b) of this section, the person tested may have a physician, a registered nurse, or a qualified technician, chemist, or phlebotomist of the person’s own choosing administer a chemical test or tests, at the person’s expense, in addition to any administered at the request of a law enforcement officer. If the person was under arrest as described in R.C. § 4511.191(A)(5), the arresting officer shall advise the person at the time of the arrest that the person may have an independent chemical test taken at the person’s own expense. If the person was under arrest other than described in R.C. § 4511.191(A)(5), the form to be read to the person to be tested, as required under § 73.02, shall state that the person may have an independent test performed at the person’s expense. The failure or inability to obtain an additional chemical test by a person shall not preclude the admission of evidence relating to the chemical test or tests taken at the request of a law enforcement officer.

(4) (a) As used in division (D)(4)(b) and (D)(4)(c) of this section, NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION means the National Highway Traffic Safety Administration established as an administration of the United States Department of Transportation under 96 Stat. 2415 (1983), 49 U.S.C. § 105.

(b) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section, of a municipal ordinance relating to operating a vehicle while under the influence of alcohol, a drug of abuse, or alcohol and a drug of abuse, or of a municipal ordinance relating to operating a vehicle with a prohibited concentration
of alcohol, a controlled substance, or a metabolite of a controlled substance in the whole blood, blood serum or plasma, breath, or urine, if a law enforcement officer has administered a field sobriety test to the operator of the vehicle involved in the violation and if it is shown by clear and convincing evidence that the officer administered the test in substantial compliance with the testing standards for any reliable, credible, and generally accepted field sobriety tests that were in effect at the time the tests were administered, including but not limited to any testing standards then in effect that were set by the National Highway Traffic Safety Administration, all of the following apply:

1. The officer may testify concerning the results of the field sobriety test so administered.

2. The prosecution may introduce the results of the field sobriety test so administered as evidence in any proceedings in the criminal prosecution or juvenile court proceeding.

3. If testimony is presented or evidence is introduced under division (D)(4)(b)1. or (D)(4)(b)2. of this section and if the testimony or evidence is admissible under the Rules of Evidence, the court shall admit the testimony or evidence and the trier of fact shall give it whatever weight the trier of fact considers to be appropriate.

(c) Division (D)(4)(b) of this section does not limit or preclude a court, in its determination of whether the arrest of a person was supported by probable cause or its determination of any other matter in a criminal prosecution or juvenile court proceeding of a type described in that division, from considering evidence or testimony that is not otherwise disallowed by division (D)(4)(b) of this section.

(E) (1) Subject to division (E)(3) of this section, in any criminal prosecution or juvenile court proceeding for a violation of division (A)(1)(b), (A)(1)(c), (A)(1)(d), (A)(1)(e), (A)(1)(f), (A)(1)(g), (A)(1)(h), (A)(1)(i), or (A)(1)(j) or (B)(1), (B)(2), (B)(3), or (B)(4) of this section or for an equivalent offense that is substantially equivalent to any of those divisions, a laboratory report from any laboratory personnel issued a permit by the Department of Health that contains all of the information specified in this division shall be admitted as prima facie evidence of the information and statements that the report contains. The laboratory report shall contain all of the following:

(a) The signature, under oath, of any person who performed the analysis;

(b) Any findings as to the identity and quantity of alcohol, a drug of abuse, a controlled substance, a metabolite of a controlled substance, or a combination of them that was found;

(c) A copy of a notarized statement by the laboratory director of a designee of the director that contains the name of each certified analyst or test performer involved with the report, the analyst’s or test performer’s employment relationship with the laboratory that issued the report, and a notation that performing an analysis of the type involved is part of the analyst’s or test performer’s regular duties;

(d) An outline of the analyst’s or test performer’s education, training, and experience in performing the type of analysis involved and a certification that the laboratory satisfies appropriate quality control standards in general and, in this particular analysis, under rules of the Department of Health.

(2) Notwithstanding any other provision of law regarding the admission of evidence, a report of the type described in division (E)(1) of this section is not admissible against the defendant to whom it pertains in any proceeding, other than a preliminary hearing or a grand jury proceeding, unless the prosecutor has served a copy of the report on the defendant’s attorney or, if the defendant has no attorney, on the defendant.

(3) A report of the type described in division (E)(1) of this section shall not be prima facie evidence of the contents, identity, or amount of any substance if, within seven days after the defendant to whom the report pertains or the defendant’s attorney receives a copy of the report, the defendant or the defendant’s attorney demands the testimony of the person who signed the report. The judge in the case may extend the seven-day time limit in the interest of justice.

(F) (1) Except as otherwise provided in this division, any physician, registered nurse, emergency medical technician-intermediate, emergency medical technician-paramedic, or qualified technician, chemist, or phlebotomist who withdraws blood from a person pursuant to this section or R.C. § 4511.19, 4511.191 or 4511.192, and any hospital, first-aid station, or clinic at which blood is withdrawn from a person pursuant to this section or R.C. § 4511.19, 4511.191 or 4511.192, is immune from criminal liability and civil liability based upon a claim of assault and battery or any other claim that is not a claim of malpractice, for any act performed in withdrawing blood from the person. The immunity provided in this division also extends to an emergency medical service organization that employs an emergency medical technician-intermediate or emergency medical technician-paramedic who withdraws blood under this section. The immunity provided in this division is not available to a person who withdraws blood if the person engages in willful or wanton misconduct.

(2) As used in division (F)(1), EMERGENCY MEDICAL TECHNICIAN-INTERMEDIATE and EMERGENCY MEDICAL TECHNICIAN-PARAMEDIC have the same meanings as in R.C. § 4765.01.

(G) (1) Whoever violates any provisions of divisions (A)(1)(a) through (A)(1)(i) or (A)(2) of this section is guilty of operating a vehicle under the influence of alcohol, a drug of abuse, or a combination of them. Whoever violates division (A)(1)(j) of this section is guilty of operating a vehicle while under the influence of a listed controlled
substance or a listed metabolite of a controlled substance. The court shall sentence the offender for either offense under R.C. Chapter 2929, except as otherwise authorized or required by divisions (G)(1)(a) through (G)(1)(e) of this section:

(a) Except as otherwise provided in division (G)(1)(b), (G)(1)(c), (G)(1)(d), or (G)(1)(e) of this section, the offender is guilty of a misdemeanor of the first degree, and the court shall sentence the offender to all of the penalties and sanctions provided in R.C. § 4511.19(G)(1)(a)(i) through (G)(1)(a)(iv).

(b) Except as otherwise provided in division (G)(1)(e) of this section, an offender who, within six years of the offense, previously has been convicted of or pleaded guilty to one violation of division (A) or (B) of this section or one other equivalent offense is guilty of a misdemeanor of the first degree. The court shall sentence the offender to all of the penalties and sanctions provided in R.C. § 4511.19(G)(1)(b)(i) through (G)(1)(b)(v).

(c) Except as otherwise provided in division (G)(1)(e) of this section, an offender who, within six years of the offense, previously has been convicted of or pleaded guilty to two violations of division (A) or (B) of this section or other equivalent offenses is guilty of a misdemeanor. The court shall sentence the offender to all of the penalties and sanctions provided in R.C. § 4511.19(G)(1)(c)(i) through (G)(1)(c)(vi).

(d) Except as otherwise provided in division (G)(1)(e) of this section, an offender who, within six years of the offense, previously has been convicted of or pleaded guilty to three or more violations of division (A) or (B) of this section or other equivalent offenses or an offender who, within 20 years of the offense, previously has been convicted of or pleaded guilty to five or more violations of that nature is guilty of a felony to be prosecuted under appropriate state law.

(e) An offender who previously has been convicted of or pleaded guilty to a violation of R.C. § 4511.19(A) that was a felony, regardless of when the violation and the conviction or guilty plea occurred, is guilty of a felony to be prosecuted under appropriate state law.

(2) An offender who is convicted of or pleads guilty to a violation of division (A) of this section and who subsequently seeks reinstatement of the driver’s or occupational driver’s license or permit or nonresident operating privilege suspended under this section or R.C. § 4511.19 as a result of the conviction or guilty plea shall pay a reinstatement fee as provided in R.C. § 4511.191(F)(2).

(3) (a) If an offender is sentenced to a jail term under R.C. § 4511.19(G)(1)(b)(i) or (G)(1)(b)(ii) or (G)(1)(c)(i) or (G)(1)(c)(ii) and if, within 60 days of sentencing of the offender, the court issues a written finding on the record that, due to the unavailability of space at the jail where the offender is required to serve the term, the offender will not be able to begin serving that term within the 60-day period following the date of sentencing, the court may impose an alternative sentence as specified in R.C. § 4511.19(G)(3) that includes a term of house arrest with electronic monitoring, with continuous alcohol monitoring, or with both electronic monitoring and continuous alcohol monitoring.

(b) As an alternative to the mandatory jail terms as required by R.C. § 4511.19(G)(1), the court may sentence the offender as provided in R.C. § 4511.19(G)(3).

(4) If an offender’s driver’s license or occupational driver’s license or permit or nonresident operating privilege is suspended under division (G) of this section or R.C. § 4511.19(G) and if R.C. § 4510.13 permits the court to grant limited driving privileges, the court may grant the limited driving privileges in accordance with that section. If division (A)(7) of that section requires the court impose as a condition of the privileges that the offender must display on the vehicle that is driven subject to the privileges restricted license plates that are issued under R.C. § 4503.231, except as provided in division (B) of that section, the court shall impose that condition as one of the conditions of the limited driving privileges granted to the offender, except as provided in R.C. § 4503.231(B).

(5) Fines imposed under this section for a violation of division (A) of this section shall be distributed as provided in R.C. § 4511.19(G)(5).

(6) If title to a motor vehicle that is subject to an order of criminal forfeiture under division (G)(1)(c), (G)(1)(d), or (G)(1)(e) of this section is assigned or transferred and R.C. § 4503.234(B)(2) or (B)(3) applies, in addition to or independent of any other penalty established by law, the court may fine the offender the value of the vehicle as determined by publications of the National Automobile Dealers Association. The proceeds of any fine so imposed shall be distributed in accordance with division (C)(2) of that section.

(7) In all cases in which an offender is sentenced under division (G) of this section, the offender shall provide the court with proof of financial responsibility as defined in R.C. § 4509.01. If the offender fails to provide that proof of financial responsibility, the court, in addition to any other penalties provided by law, may order restitution pursuant to § 130.99(G) or R.C. § 2929.18 or 2929.28 in an amount not exceeding $5,000 for any economic loss arising from an accident or collision that was the direct and proximate result of the offender’s operation of the vehicle before, during, or after committing the offense for which the offender is sentenced under division (G) of this section.

(8) As used in division (G) of this section, ELECTRONIC MONITORING has the same meaning as in R.C. § 2929.01.

(H) Whoever violates division (B) of this section is guilty of operating a motor vehicle after underage alcohol consumption and shall be punished as follows:
(1) Except as otherwise provided in division (H)(2) of this section, the offender is guilty of a misdemeanor of the fourth degree. In addition to any other sanction imposed for the offense, the court shall impose a class six suspension of the offender’s driver’s license, commercial driver’s license, temporary instruction permit, probationary license, or nonresident operating privilege form the range specified in R.C. § 4510.02(A)(6).

(2) If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one or more violations of division (A) or (B) of this section or other equivalent offense or offenses, the offender is guilty of a misdemeanor of the third degree. In addition to any other sanction imposed for the offense, the court shall impose a class four suspension of the offender’s driver’s license, commercial driver’s license, temporary instruction permit, probationary license, or nonresident operating privilege from the range specified in R.C. § 4510.02(A)(4).

(3) If the offender also is convicted of or also pleads guilty to a specification of the type described in R.C. § 2941.1414 and if the court imposes a jail term for the violation of division (B) of this section, the court shall impose upon the offender an additional definite jail term pursuant to R.C. § 2929.24(E).

(4) The offender shall provide the court with proof of financial responsibility as defined in R.C. § 4509.01. If the offender fails to provide that proof of financial responsibility, then, in addition to any other penalties provided by law, the court may order restitution pursuant to § 130.99(G) or R.C. § 2929.28 in an amount not exceeding $5,000 for any economic loss arising from an accident or collision that was the direct and proximate result of the offender’s operation of the vehicle before, during, or after committing the violation of division (B) of this section.

(I) (1) No court shall sentence an offender to an alcohol treatment program under this section unless the treatment program complies with the minimum standards for alcohol treatment programs adopted under R.C. Chapter 5119 by the Director of Mental Health and Addiction Services.

(2) An offender who stays in a drivers’ intervention program or in an alcohol treatment program under an order issued under this section shall pay the cost of the stay in the program. However, if the court determines that an offender who stays in an alcohol treatment program under an order issued under this section is unable to pay the cost of the stay in the program, the court may order the cost be paid from the court’s Indigent Drivers’ Alcohol Treatment Fund.

(J) If a person whose driver’s or commercial driver’s license or permit or nonresident operating privilege is suspended under this section or R.C. § 4511.19 files an appeal regarding any aspect of the person’s trial or sentence, the appeal itself does not stay the operation of the suspension.

(K) Division (A)(1)(j) of this section does not apply to a person who operates a vehicle while the person has a concentration of a listed controlled substance or a listed metabolite of a controlled substance in the person’s whole blood, blood serum or plasma, or urine that equals or exceeds the amount specified in that division, if both of the following apply:

(1) The person obtained the controlled substance pursuant to a prescription issued by a licensed health professional authorized to prescribe drugs.

(2) The person injected, ingested, or inhaled the controlled substance in accordance with the health professional’s directions.

(L) The prohibited concentrations of a controlled substance or a metabolite of a controlled substance listed in division (A)(1)(j) of this section also apply in a prosecution of a violation of R.C. § 2923.16(D) in the same manner as if the offender is being prosecuted for a prohibited concentration of alcohol.

(M) All terms defined in R.C. § 4510.01 apply to this section. If the meaning of a term defined in R.C. § 4510.01 conflicts with the meaning of the same term as defined in R.C. § 4501.01 or 4511.01, the term as defined in R.C. § 4510.01 applies to this section.

§ 73.02

person’s whole blood, blood serum or plasma, breath, or urine if arrested for a violation of § 73.01(A) or (B), § 73.03, R.C. § 4511.19(A) or (B), R.C. § 4511.194 or a substantially equivalent municipal ordinance, or any other municipal OVI ordinance.

(3) The chemical test or tests under division (A)(2) of this section shall be administered at the request of a law enforcement officer having reasonable grounds to believe the person was operating or in physical control of a vehicle in violation of a division, section, or ordinance identified in division (A)(2) of this section. The law enforcement agency by which the officer is employed shall designate which of the tests shall be administered.

(4) Any person who is dead or unconscious, or who otherwise is in a condition rendering the person incapable of refusal, shall be deemed to have consented as provided in division (A)(2) of this section, and the test or tests may be administered, subject to R.C. §§ 313.12 through 313.16.

(5) (a) If a law enforcement officer arrests a person for a violation of R.C. § 4511.19(A) or (B), R.C. § 4511.194 or a substantially equivalent municipal ordinance, or a municipal OVI ordinance and if the person if convicted would be required to be sentenced under R.C. § 4511.19(G)(1)(c), (d), or (e), the law enforcement officer shall request the person to submit, and the person shall submit, to a chemical test or tests of the person’s whole blood, blood serum or plasma, breath, or urine for the purpose of determining the alcohol, drug of abuse, controlled substance, metabolite of a controlled substance, or combination content of the person’s whole blood, blood serum or plasma, breath, or urine. A law enforcement officer who makes a request pursuant to this division that a person submit to a chemical test or tests is not required to advise the person of the consequences of submitting to, or refusing to submit to, the test or tests and is not required to give the person the form described in division (C) of this section, but the officer shall advise the person at the time of the arrest that if the person refuses to take a chemical test the officer may employ whatever reasonable means are necessary to ensure that the person submits to a chemical test of the person’s whole blood or blood serum or plasma. The officer shall also advise the person at the time of the arrest that the person may have an independent chemical test taken at the person’s own expense. Divisions (A)(3) and (A)(4) of this section apply to the administration of a chemical test or tests pursuant to this division.

(b) If a person refuses to submit to a chemical test upon a request made pursuant to division (A)(5)(a) of this section, the law enforcement officer who made the request may employ whatever reasonable means are necessary to ensure that the person submits to a chemical test of the person’s whole blood or blood serum or plasma. A law enforcement officer who acts pursuant to this division to ensure that a person submits to a chemical test of the person’s whole blood or blood serum or plasma is immune from criminal and civil liability based upon a claim for assault and battery or any other claim for the acts, unless the officer so acted with malicious purpose, in bad faith, or in a wanton or reckless manner.

(R.C. § 4511.191(A)) (Rev. 2016)

(B) Except as provided in division (A)(5) of this section, the arresting law enforcement officer shall give advice in accordance with this section to any person under arrest for a violation of § 73.01(A) or (B), § 73.03, R.C. § 4511.19(A) or (B), R.C. § 4511.194 or a substantially equivalent municipal ordinance, or any other municipal OVI ordinance. The officer shall give that advice in a written form that contains the information described in division (C) of this section and shall read the advice to the person. The form shall contain a statement that the form was shown to the person under arrest and read to the person by the arresting officer. One or more persons shall witness the arresting officer’s reading of the form, and the witnesses shall certify to this fact by signing the form. The person must submit to the chemical test or tests, subsequent to the request of the arresting officer, within two hours of the time of the alleged violation and, if the person does not submit to the test or tests within that two-hour time limit, the failure to submit automatically constitutes a refusal to submit to the test or tests.

(C) Except as provided in division (A)(5) of this section, if a person is under arrest as described in division (B) of this section, before the person may be requested to submit to a chemical test or tests to determine the alcohol, drug of abuse, controlled substance, metabolite of a controlled substance, or combination content of the person’s whole blood, blood serum or plasma, breath, or urine, the arresting officer shall read the following form to the person:

You now are under arrest for (specifically state the offense under state law or a substantially equivalent municipal ordinance for which the person was arrested – operating a vehicle under the influence of alcohol, a drug, or a combination of them; operating a vehicle while under the influence of a listed controlled substance or a listed metabolite of a controlled substance; operating a vehicle under underage alcohol consumption; or having physical control of a vehicle while under the influence).

If you refuse to take any chemical test required by law, your Ohio driving privileges will be suspended immediately, and you will have to pay a fee to have the privileges reinstated. If you have a prior conviction of OVI, OVUAC, or operating a vehicle while under the influence of a listed controlled substance or a listed metabolite of a controlled substance under state or municipal law within the preceding 20 years, you are now under arrest for state OVI, and, if you refuse to take a chemical test, you will face increased penalties if you subsequently are convicted of the state OVI.

(Read this part unless the person is under arrest for solely having physical control of a vehicle while under the influence.) If you take any chemical test required by law and are found to be
at or over the prohibited amount of alcohol, a controlled substance, or a metabolite of a controlled substance in your whole blood, blood serum or plasma, breath, or urine as set by law, your Ohio driving privileges will be suspended immediately, and you will have to pay a fee to have the privileges reinstated.

If you take a chemical test, you may have an independent chemical test taken at your own expense.

(D) If the arresting law enforcement officer does not ask a person under arrest as described in division (B) of this section or division (A)(5) of this section to submit to a chemical test or tests under R.C. § 4511.191 or this section, the arresting officer shall seize the Ohio or out-of-state driver’s or commercial driver’s license or permit of the person and immediately forward it to the court in which the arrested person is to appear on the charge. If the arrested person is not in possession of the person’s license or permit or it is not in the person’s vehicle, the officer shall order the person to surrender it to the law enforcement agency that employs the officer within 24 hours after the arrest, and, upon the surrender, the agency immediately shall forward the license or permit to the court in which the person is to appear on the charge. Upon receipt of the license or permit, the court shall retain it pending the arrested person’s initial appearance and any action taken under R.C. § 4511.196.

(E) (1) If a law enforcement officer asks a person under arrest as described in division (A)(5) of this section to submit to a chemical test or tests under that division and the test results indicate a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the person’s whole blood, blood serum or plasma, breath, or urine at the time of the alleged offense, or if a law enforcement officer asks a person under arrest as described in division (B) of this section to submit to a chemical test or tests under R.C. § 4511.191 or this section, if the officer advises the person in accordance with this section of the consequences of the person’s refusal or submission, and if either the person refuses to submit to the test or tests or, unless the arrest was for a violation of § 73.03, R.C. § 4511.194 or a substantially equivalent municipal ordinance, the person submits to the test or tests and the test results indicate a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the person’s whole blood, blood serum or plasma, breath, or urine at the time of the alleged offense, the arresting officer shall do all of the following:

(a) On behalf of the Registrar of Motor Vehicles, notify the person that, independent of any penalties or sanctions imposed upon the person, the person’s Ohio driver’s or commercial driver’s license or permit or nonresident operating privilege is suspended immediately, that the suspension will last at least until the person’s initial appearance on the charge, which will be held within five days after the date of the person’s arrest or the issuance of a citation to the person, and that the person may appeal the suspension at the initial appearance or during the period of time ending 30 days after that initial appearance;

(b) Seize the driver’s or commercial driver’s license or permit of the person and immediately forward it to the Registrar. If the arrested person is not in possession of the person’s license or permit or it is not in the person’s vehicle, the officer shall order the person to surrender it to the law enforcement agency that employs the officer within 24 hours after the person is given notice of the suspension, and, upon the surrender, the officer’s employing agency immediately shall forward the license or permit to the Registrar;

(c) Verify the person’s current residence and, if it differs from that on the person’s driver’s or commercial driver’s license or permit, notify the Registrar of the change;

(d) Send to the Registrar, within 48 hours after the arrest of the person, a sworn report that includes all of the following statements:

1. That the officer had reasonable grounds to believe that, at the time of the arrest, the arrested person was operating a vehicle in violation of R.C. § 4511.19(A) or (B) or a municipal OVI ordinance or for being in physical control of a stationary vehicle in violation of R.C. § 4511.194 or a substantially equivalent municipal ordinance;

2. That the person was arrested and charged with a violation of R.C. § 4511.19(A) or (B), R.C. § 4511.194 or a substantially equivalent municipal ordinance, or a municipal OVI ordinance;

3. Unless division (E)(1)(d)5. of this section applies, that the officer asked the person to take the designated chemical test or tests, advised the person in accordance with this section of the consequences of submitting to, or refusing to take, the test or tests, and gave the person the form described in division (C) of this section;

4. Unless division (E)(1)(d)5. of this section applies, that either the person refused to submit to the chemical test or tests or, unless the arrest was for a violation of R.C. § 4511.194 or a substantially equivalent municipal ordinance, the person submitted to the chemical test or tests and the test results indicate a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the person’s whole blood, blood serum or plasma, breath, or urine at the time of the alleged offense.

5. If the person was under arrest as described in division (A)(5) of this section and the chemical test or tests were performed in accordance with that division, that the person was under arrest as described in that division, that the chemical test or tests were performed in accordance with that division, and that test results indicated a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the person’s whole blood, blood serum or plasma, breath, or urine at the time of the alleged offense.
§ 73.02 Ohio Basic Code, 2016 Edition – Traffic Code

(2) Division (E)(1) of this section does not apply to a person who is arrested for a violation of § 73.03, R.C. § 4511.194 or a substantially equivalent municipal ordinance, who is asked by a law enforcement officer to submit to a chemical test or tests under this section, and who submits to the test or tests, regardless of the amount of alcohol, a controlled substance, or a metabolite of a controlled substance that the test results indicate is present in the person’s whole blood, blood serum or plasma, breath, or urine.

(F) The arresting officer shall give the officer’s sworn report that is completed under this section to the arrested person at the time of the arrest, or the Registrar of Motor Vehicles shall send the report to the person by regular first class mail as soon as possible after receipt of the report, but not later than 14 days after receipt of it. An arresting officer may give an unsworn report to the arrested person at the time of the arrest provided the report is complete when given to the arrested person and subsequently is sworn to by the arresting officer. As soon as possible, but not later than 48 hours after the arrest of the person, the arresting officer shall send a copy of the sworn report to the court in which the arrested person is to appear on the charge for which the person was arrested.

(G) The sworn report of an arresting officer completed under this section is prima facie proof of the information and statements that it contains. It shall be admitted and considered as prima facie proof of the information and statements that it contains in any appeal under R.C. § 4511.197 relative to any suspension of a person’s driver’s or commercial driver’s license or permit or nonresident operating privilege that results from the arrest covered by the report. (R.C. § 4511.192) (Rev. 2010)

(H) (1) A suspension of a person’s driver’s or commercial driver’s license or permit or nonresident operating privilege under this section for the time described in R.C. § 4511.191(B) or (C) is effective immediately from the time at which the arresting officer serves the notice of suspension upon the arrested person. Any subsequent finding that the person is not guilty of the charge that resulted in the person’s being requested to take the chemical test or tests under division (A) of this section does not affect the suspension.

(2) If a person arrested for operating a vehicle in violation of § 73.01(A) or (B), R.C. § 4511.19(A) or (B), or any other municipal OV1 ordinance, or for being in physical control of a vehicle in violation of § 73.03 or R.C. § 4511.194 or a substantially equivalent municipal ordinance, regardless of whether the person’s driver’s or commercial driver’s license or permit or nonresident operating privilege is or is not suspended under R.C. § 4511.191(B) or (C) or R.C. Chapter 4510, the person’s initial appearance on the charge resulting from the arrest shall be held within five days of the persons’ arrest or the issuance of the citation to him or her, subject to any continuance granted by the court pursuant to R.C. § 4511.197 regarding the issues specified in that section. (1) The person is under the influence of alcohol, a drug of abuse, or a combination of them.

(2) The person’s whole blood, blood serum or plasma, breath, or urine contains at least the concentration of alcohol specified in § 73.01(A)(1)(b), (A)(1)(c), (A)(1)(d), or (A)(1)(e).

(3) Except as provided in division (E) of this section, the person has a concentration of a listed controlled substance or a listed metabolite of a controlled substance in the person’s whole blood, blood serum or plasma, or urine that equals or exceeds the concentration specified in § 73.01(A)(1)(j).

(C) (1) In any criminal prosecution or juvenile court proceeding for a violation of this section, if a law enforcement officer has administered a field sobriety test to the person in physical control of the vehicle involved in the violation and if it is shown by clear and convincing evidence that the officer administered the test in substantial compliance with the testing standards for any reliable, credible, and generally acceptable field sobriety tests that were in effect at the time the tests were administered, including but not limited to any testing standards then in effect what were set by the National Highway Traffic Safety Administration, all of the following apply:

(a) The officer may testify concerning the results of the field sobriety test so administered.

(b) The prosecution may introduce the results of the field sobriety test so administered as evidence
in any proceedings in the criminal prosecution or juvenile court proceeding.

   (c) If testimony is presented or evidence is introduced under division (C)(1)(a) or (C)(1)(b) of this section and if the testimony or evidence is admissible under the Rules of Evidence, the court shall admit the testimony or evidence, and the trier of fact shall give it whatever weight the trier of fact considers to be appropriate.

   (2) Division (C)(1) of this section does not limit or preclude a court, in its determination of whether the arrest of a person was supported by probable cause or its determination of any other matter in a criminal prosecution or juvenile court proceeding of a type described in that division, from considering evidence or testimony that is not otherwise disallowed by division (C)(1) of this section.

   (D) Whoever violates this section is guilty of having physical control of a vehicle while under the influence, a misdemeanor of the first degree. In addition to other sanctions imposed, the court may impose on the offender a class seven suspension of the offender’s driver’s license, commercial driver’s license, temporary instruction permit, probationary license, or nonresident operating privilege from the range specified in R.C. § 4510.02(A)(7).

   (E) Division (B)(3) of this section does not apply to a person who is in physical control of a vehicle while the person has a concentration of a listed controlled substance or a listed metabolite of a controlled substance in the person’s whole blood, blood serum or plasma, or urine that equals or exceeds the amount specified in § 73.01(A)(1)(j) if both of the following apply:

      (1) The person obtained the controlled substance pursuant to a prescription issued by a licensed health professional authorized to prescribe drugs.

      (2) The person injected, ingested, or inhaled the controlled substance in accordance with the health professional’s directions.

   (A) No person shall drive a commercial motor vehicle, as defined in R.C. § 4506.01, or a commercial car or commercial tractor, as defined in R.C. § 4501.01, while the person’s ability or alertness is so impaired by fatigue, illness, or other causes that it is unsafe for the person to drive such vehicle. No driver shall use any drug which would adversely affect the driver’s ability or alertness.

   (B) No owner, as defined in R.C. § 4501.01, of a commercial motor vehicle, commercial car or commercial tractor, or a person employing or otherwise directing the driver of such vehicle, shall require or knowingly permit a driver in any such condition described in division (A) of this section to drive such vehicle upon any street or highway.

   (C) Except as otherwise provided in this division, whoever violates this section is guilty of a minor misdemeanor. If the offender previously has been convicted of or pleaded guilty to one or more violations of this section or R.C. § 4511.79, or R.C. § 4511.63, 4511.76, 4511.761, 4511.762, 4511.764, or 4511.77 or a municipal ordinance that is substantially equivalent to any of those sections, whoever violates this section is guilty of a misdemeanor of the fourth degree.

(A) As used in this section, STREET RACING means the operation of two or more vehicles from a point side by side at accelerating speeds in a competitive attempt to outdistance each other, or the operation of one or more vehicles over a common selected course, from the same point to the same point, wherein timing is made of the participating vehicles involving competitive accelerations or speeds. Persons rendering assistance in any manner to such competitive use of vehicles shall be equally charged as the participants. The operation of two or more vehicles side by side either at speeds in excess of prima facie lawful speeds established by R.C. § 4511.21(B)(1)(a) through (B)(8) or a substantially equivalent municipal ordinance, or rapidly accelerating from a common starting point to a speed in excess of such prima facie lawful speeds shall be prima facie evidence of street racing.

(C) Whoever violates this section is guilty of street racing, a misdemeanor of the first degree. In addition to any other sanctions, the court shall suspend the offender’s driver’s license, commercial driver’s license, temporary instruction permit, probationary license, or nonresident operating privileges for not less than 30 days or more than three years. § 73.10 SPEED LIMITS.

(A) No person shall operate a motor vehicle at a speed greater or less than is reasonable or proper, having due regard for the traffic, surface, and width of the street or highway and any other conditions, and no person shall drive any motor vehicle in and upon any street or highway at a greater speed than will permit him or her to bring it to a stop within the assured clear distance ahead.

(B) It is prima facie lawful, in the absence of a lower limit declared or established pursuant to this section by the Director of Transportation or local authorities, for the operator of a motor vehicle to operate the same at a speed not exceeding the following:

(1) Twenty miles per hour in school zones during school recess and while children are going to or leaving school during the opening or closing hours, and when 20 miles per hour school speed limit signs are erected, except
that on controlled-access highways and expressways, if the right-of-way line fence has been erected without pedestrian opening, the speed shall be governed by division (B)(4) of this section, and on freeways, if the right-of-way line fence has been erected without pedestrian opening, the speed shall be governed by divisions (B)(9) and (B)(10) of this section. The end of every school zone may be marked by a sign indicating the end of the zone. Nothing in this section or in the Manual and Specifications for a Uniform System of Traffic-Control Devices shall be construed to invalidate the Director’s initial action on August 9, 1976, establishing all school zones at the traditional school zone boundaries defined by projecting school property lines, except when those boundaries are extended as provided in divisions (B)(1)(a) and (B)(1)(c) of this section.

(c) As used in this section, SCHOOL ZONE means that portion of a street or highway passing a school fronting upon the street or highway that is encompassed by projecting the school property lines to the fronting street or highway, and also includes that portion of a state highway. Upon request from local authorities for streets and highways under their jurisdiction and that portion of a state highway under the jurisdiction of the Director of Transportation or a request from a County Engineer in the case of a school zone for a special elementary school, the Director may extend the traditional school zone boundaries. The distances in divisions (B)(1)(c)1. through (B)(1)(c)3. below shall not exceed 300 feet per approach per direction, and are bounded by whichever of the following distances or combination thereof the Director approves as most appropriate:

1. The distance encompassed by projecting the school building lines normal to the fronting highway and extending a distance of 300 feet on each approach direction;

2. The distance encompassed by projecting the school property lines intersecting the fronting highway and extending a distance of 300 feet on each approach direction;

3. The distance encompassed by the special marking of the pavement for a principal school pupil crosswalk plus a distance of 300 feet on each approach direction of the highway.

(d) Nothing in this section shall be construed to invalidate the Director’s initial action on August 9, 1976, establishing all school zones at the traditional school zone boundaries defined by projecting school property lines, except when those boundaries are extended as provided in divisions (B)(1)(a) and (B)(1)(c) of this section.

(e) As used in this division, CROSSWALK has the meaning given that term in R.C. § 4511.01(LL)(2).

(f) The Director may, upon request by resolution of the Legislative Authority and upon submission by the municipality of such engineering, traffic, and other information as the Director considers necessary, designate a school zone on any portion of a state route lying within the municipality that includes a crosswalk customarily used by children going to or leaving a school during recess and opening and closing hours, whenever the distance, as measured in a straight line, from the school property line nearest the crosswalk to the nearest point of a crosswalk is no more than 1,320 feet. Such a school zone shall include the distance encompassed by the crosswalk and extending 300 feet in each appropriate direction of the state route.

(g) As used in this section, SPECIAL ELEMENTARY SCHOOL means a school that meets all of the following:

1. It is not chartered and does not receive tax revenue from any source.
2. It does not educate children beyond the eighth grade.
3. It is located outside the limits of a municipal corporation.
4. A majority of the total number of students enrolled at the school are not related by blood.
5. The principal or other person in charge of the special elementary school annually sends a report to the superintendent of the school district in which the special elementary school is located indicating the total number of students enrolled at the school, but otherwise the principal or other person in charge does not report any other information or data to the superintendent.

2. Twenty-five miles per hour in all other portions of the municipality, except on state routes outside business districts, through highways outside business districts, and alleys;

3. Thirty-five miles per hour on all state routes or through highways within the municipality outside business districts, except as provided in divisions (B)(4) and (B)(6) of this section;

4. Fifty miles per hour on controlled-access highways and expressways within the municipality;
(5) Fifty-five miles per hour on highways outside the municipality, other than highways within island jurisdictions as provided in division (B)(8) of this section, highways as provided in division (B)(9) of this section, and highways, expressways and freeways as provided in divisions (B)(12), (B)(13), (B)(14) and (B)(16) of this section;

(6) Fifty miles per hour on state routes within the municipality outside urban districts unless a lower prima facie speed is established as further provided in this section;

(7) Fifteen miles per hour on all alleys within the municipality;

(8) Thirty-five miles per hour on highways outside the municipality that are within an island jurisdiction;

(9) Sixty miles per hour on two-lane state routes outside municipal corporations as established by the Director under R.C. § 4511.21(H)(2);

(10) Fifty-five miles per hour at all times on freeways with paved shoulders inside the municipality, other than freeways as provided in divisions (B)(14) and (B)(16) of this section;

(13) Sixty-five miles per hour for operators of any motor vehicle at all times on all rural expressways without traffic control signals;

(14) Seventy miles per hour for operators of any motor vehicle at all times on all rural freeways;

(15) Fifty-five miles per hour for operators of any motor vehicle at all times on all portions of freeways in congested areas as determined by the Director and that are part of the interstate system and are located within a municipal corporation or within an interstate freeway outerbelt;

(16) Sixty-five miles per hour for operators of any motor vehicle at all times on all portions of freeways in urban areas as determined by the Director and that are part of the interstate system and are part of an interstate freeway outerbelt.

(C) It is prima facie unlawful for any person to exceed any of the speed limitations in divisions (B)(1)(a), (B)(2), (B)(3), (B)(4), (B)(5), (B)(7) and (B)(8) of this section or any declared or established pursuant to this section by the Director or local authorities and it is unlawful for any person to exceed any of the speed limitations in division (D) of this section. No person shall be convicted of more than one violation of this section for the same conduct, although violations of more than one provision of this section may be charged in the alternative in a single affidavit.

(D) No person shall operate a motor vehicle upon a street or highway as follows:

(1) At a speed exceeding 55 miles per hour, except upon a two-lane state route as provided in division (B)(9) of this section and upon a highway, expressway or freeway as provided in divisions (B)(12), (B)(13), (B)(14) and (B)(16) of this section;

(2) At a speed exceeding 60 miles per hour upon a two-lane state route as provided in division (B)(9) of this section and upon a highway as provided in division (B)(12) of this section;

(3) At a speed exceeding 65 miles per hour upon an expressway as provided in division (B)(13) of this section or upon a freeway as provided in division (B)(16) of this section, except upon a freeway as provided in division (B)(14) of this section;

(4) At a speed exceeding 70 miles per hour upon a freeway as provided in division (B)(14) of this section;

(5) At a speed exceeding the posted speed limit upon a highway, expressway or freeway for which the Director has determined and declared a speed limit pursuant to R.C. § 4511.21(I)(2) or (L)(2).

(E) Pursuant to R.C. § 4511.21(E), in every charge of violating this section, the affidavit and warrant shall specify the time, place and speed at which the defendant is alleged to have driven, and in charges made in reliance upon division (C) of this section also the speed which division (B)(1)(a), (B)(2), (B)(3), (B)(4), (B)(6), (B)(7) or (B)(8) of, or a limit declared or established pursuant to this section or R.C. § 4511.21 declares is prima facie lawful at the time and place of such alleged violation, except that in affidavits where a person is alleged to have driven at a greater speed than will permit the person to bring the vehicle to stop within the assured clear distance ahead, the affidavit and warrant need not specify the speed at which the defendant is alleged to have driven.

(F) Pursuant to R.C. § 4511.21(F), when a speed in excess of both a prima facie limitation and a limitation in division (D) of this section is alleged, the defendant shall be charged in a single affidavit, alleging a single act, with a violation indicated of both division (B)(1)(a), (B)(2), (B)(3), (B)(4), (B)(6), (B)(7) or (B)(8) of this section, or of a limit declared or established pursuant to this section or R.C. § 4511.21 by the Director or local authorities, and of the limitation in division (D) of this section. If the court finds a violation of division (B)(1)(a), (B)(2), (B)(3), (B)(4), (B)(6), (B)(7) or (B)(8) of, or a limit declared or established pursuant to, this section or R.C. § 4511.21 has occurred, it shall enter a judgment of conviction under such division and dismiss the charge under division (D) of this section. If it finds no violation of division (B)(1)(a), (B)(2), (B)(3), (B)(4), (B)(6), (B)(7) or (B)(8) of, or a limit declared or established pursuant to, this section or R.C. § 4511.21 by the Director or local authorities, and of the limitation in division (D) of this section.
to, this section or R.C. § 4511.21, it shall then consider whether the evidence supports a conviction under division (D) of this section.

(G) Pursuant to R.C. § 4511.21(G), points shall be assessed for a violation of a limitation under division (D) of this section in accordance with R.C. § 4510.036.

It is prima facie unlawful for any person to exceed the speed limits posted upon such signs.

(1) Every motor vehicle, other than a motorcycle, when operated upon a highway shall be equipped with brakes adequate to control the movement of and to stop and hold the motor vehicle, including two separate means of applying the brakes, each of which means shall be effective to apply the brakes to at least two wheels. If these two separate means of applying the brakes are connected in any way, then on such motor vehicles, manufactured or assembled after January 1, 1942, they shall be so constructed that failure of any one part of the operating mechanism shall not leave the motor vehicle without brakes on at least two wheels.

(2) Every motorcycle, when operated upon a highway shall be equipped with at least one adequate brake, which may be operated by hand or by foot.

(3) Every motorized bicycle shall be equipped with brakes meeting the rules adopted by the Director of Public Safety under R.C. § 4511.521.

(4) When operated upon the highways, the following vehicles shall be equipped with brakes adequate to control the movement of and to stop and to hold the vehicle, designed to be applied by the driver of the towing motor vehicle from its cab, and also designed and connected so that, in case of a breakaway of the towed vehicle, the brakes shall be automatically applied:

(a) Except as otherwise provided in this section, every trailer or semitrailer, except a pole trailer, with an empty weight of 2,000 pounds or more, manufactured or assembled on or after January 1, 1942;
(b) Every manufactured home or travel trailer with an empty weight of 2,000 pounds or more, manufactured or assembled on or after January 1, 2001.

(5) Every watercraft trailer with a gross weight or manufacturer’s gross vehicle weight rating of 3,000 pounds or more that is manufactured or assembled on or after January 1, 2008, shall have separate brakes equipped with hydraulic surge or electrically operated brakes on two wheels.

(6) In any combination of motor-drawn trailers or semitrailers equipped with brakes, means shall be provided for applying the rearmost brakes in approximate synchronism with the brakes on the towing vehicle, and developing the required braking effort on the rearmost wheels at the fastest rate; or means shall be provided for applying braking effort first on the rearmost brakes; or both of the above means, capable of being used alternatively, may be employed.

(7) Every vehicle and combination of vehicles, except motorcycles and motorized bicycles, and except trailers and semitrailers of a gross weight of less than 2,000 pounds, and pole trailers, shall be equipped with parking brakes adequate to hold the vehicle on any grade on which it is operated, under all conditions of loading, on a surface free from snow, ice, or loose material. The parking brakes shall be capable of being applied in conformance with the foregoing requirements by the driver’s muscular effort or by spring action or by equivalent means. Their operation may be assisted by the service brakes or other source of power provided that failure of the service brake actuation system or other power assisting mechanism will not prevent the parking brakes from being applied in conformance with the foregoing requirements. The parking brakes shall be so designed that when once applied they shall remain applied with the required effectiveness despite exhaustion of any source of energy or leakage of any kind.

(8) The same brake drums, brake shoes and lining assemblies, brake shoe anchors, and mechanical brake shoe actuation mechanism normally associated with the wheel brake assemblies may be used for both the service brakes and the parking brakes. If the means of applying the parking brakes and the service brakes are connected in any way, they shall be so constructed that failure of any one part shall not leave the vehicle without operative brakes.

(9) Every motor vehicle or combination of motor-drawn vehicles shall, at all times and under all conditions of loading, be capable of being stopped on a dry, smooth, level road free from loose material, upon application of the service or foot brake, within the following specified distances, or shall be capable of being decelerated at a sustained rate corresponding to these distances:

(a) Vehicles or combinations of vehicles having brakes on all wheels shall come to a stop in 30 feet or less from a speed of 20 miles per hour.

(b) Vehicles or combinations of vehicles not having brakes on all wheels shall come to a stop in 40 feet or less from a speed of 20 miles per hour.

(10) All brakes shall be maintained in good working order and shall be so adjusted as to operate as equally as practicable with respect to the wheels on opposite sides of the vehicle.

(c) One at the traffic side of the vehicle.

(B) Whenever any vehicle used in transporting flammable liquids in bulk, or in transporting compressed flammable gases, is disabled upon a highway at any time or place mentioned in division (A) of this section, the driver of such vehicle shall display upon the roadway the following warning devices:

(1) One red electric lantern or one red reflector shall be immediately placed on the roadway at the traffic side of the vehicle;

(2) Two other red electric lanterns or two other red reflectors shall be placed to the front and rear of the vehicle in the same manner prescribed for flares in division (A) of this section.

(C) When a vehicle of a type specified in division (B) of this section is disabled, the use of flares, fusees, or any signal produced by flame as warning signals is prohibited.

(D) Whenever any vehicle of a type referred to in this section is disabled upon any freeway, expressway, thruway, and connecting, entering, or exiting ramps within the municipality, at any time when the display of fusees, flares, red reflectors, or electric lanterns is not required, the operator of such vehicle shall display two red flags upon the roadway in the lane of traffic occupied by the disabled vehicle, one at a distance of 40 paces or approximately 100 feet in advance of the vehicle, and one at a distance of 40 paces or approximately 100 feet to the rear of the vehicle, except as provided in this section.

(E) The flares, fusees, lanterns, red reflectors, and flags to be displayed as required in this section shall conform with the applicable requirements of R.C. § 4513.27 or a substantially equivalent municipal ordinance.

(F) In the event the vehicle is disabled near a curve, crest of a hill, or other obstruction of view, the flare, flag, reflector, or lantern in that direction shall be placed as to afford ample warning to other users of the highway, but in no case shall it be placed less than 40 paces or approximately 189

§ 74.50 LOADS

§ 74.50 PERMIT REQUIRED TO EXCEED LOAD LIMITS.

(A) (1) The municipality, with respect to highways under their jurisdiction, upon application in writing, shall issue a special regional heavy hauling permit authorizing the applicant to operate or move a vehicle or combination of vehicles as follows:

(a) At a size or weight of vehicle or load exceeding the maximum specified in R.C. §§ 5577.01 to 5577.09, or otherwise not in conformity with R.C. §§ 4513.01 to 4513.37.

(b) Upon any highway under the jurisdiction of municipality except those highways with a condition insufficient to bear the weight of the vehicle or combination of vehicles as stated in the application.

(c) For regional trips at distances of 150 miles or less from a facility stated on the application as the applicant’s point of origin.

(d) Issuance of a special regional heavy hauling permit is subject to the payment of a fee established by the municipality in accordance with this section.

(2) In circumstances where a person is not eligible to receive a permit under division (A)(1) of this section, the municipality, with respect to highways under its jurisdiction, upon application in writing and for good cause shown, may issue a special permit in writing authorizing the applicant to operate or move a vehicle or combination of vehicles of a size or weight of vehicle or load exceeding the maximum specified in R.C. §§ 5577.01 through 5577.09, or otherwise not in conformity with R.C. §§ 4513.01 through 4513.37, upon any highway under its jurisdiction.
§ 74.50

(B) Notwithstanding R.C. §§ 715.22 and 723.01, the holder of a permit issued by the Director of Transportation under R.C. § 4513.34 may move the vehicle or combination of vehicles described in the permit on any highway that is a part of the state highway system when the movement is partly within and partly without the corporate limits of the municipality. No local authority shall require any other permit or license or charge any license fee or other charge against the holder of a permit for the movement of a vehicle or combination of vehicles on any highway which is a part of the state highway system. The Ohio Director of Transportation shall not require the holder of a permit issued by the municipality to obtain a special permit for the movement of vehicles or combination of vehicles on highways within the jurisdiction of the municipality. Permits may be issued for any period of time not to exceed one year, as the local authority in its discretion determines advisable or for the duration of any public construction project.

(C) (1) The application for a permit issued under this section shall be in the form that the municipality prescribes. The municipality may prescribe a permit fee to be imposed and collected when any permit described in this section is issued. The permit fee may be in an amount sufficient to reimburse the municipality for the administrative costs incurred in issuing the permit, and also to cover the cost of normal and expected damage caused to the roadway or a street or highway structure as the result of the operation of the nonconforming vehicle or combination of vehicles.

(2) For the purposes of this section and of rules adopted by the Director under R.C. § 4513.34, milk transported in bulk by vehicle is deemed a nondivisible load.

(3) For purposes of this section and of rules adopted by the Director under R.C. § 4513.34, three or fewer aluminum coils, transported by a vehicle, are deemed a nondivisible load. The Director shall adopt rules establishing requirements for an aluminum coil permit that are substantially similar to the requirements for a steel coil permit under O.A.C. Chapter 5501:2-1.

(D) The municipality shall issue a special regional heavy hauling permit under division (A)(1) of this section upon application and payment of the applicable fee. However, the municipality may issue or withhold a special permit specified in division (A)(2) of this section. If a permit is to be issued, the municipality may limit or prescribe conditions of operation for the vehicle and may require the posting of a bond or other security conditioned upon the sufficiency of the permit fee to compensate for damage caused to the roadway or a street or highway structure. In addition, the municipality, as a condition of issuance of an overweight permit, may require the applicant to develop and enter into a mutual agreement with the municipality to compensate for or to repair excess damage caused to the roadway by travel under the permit.

(E) Every permit issued under this section shall be carried in the vehicle or combination of vehicles to which it refers and shall be open to inspection by any police officer or authorized agent of any authority granting the permit. No person shall violate any of the terms of a permit.

(F) The Director of Transportation may debar an applicant from applying for a special permit under this section upon a finding based on a reasonable belief that the applicant has done any of the actions specified in R.C. § 4513.34(F).

(G) Notice and procedures for debarment shall be as provided in R.C. § 4513.34(G).

(H) (1) No person shall violate the terms of a permit issued under this section that relate to gross load limits.

(2) No person shall violate the terms of a permit issued under this section that relate to axle load by more than 2,000 pounds per axle or group of axles.

(3) No person shall violate the terms of a permit issued under this section that relate to an approved route except upon order of a law enforcement officer or authorized agent of the issuing authority.

(I) A permit issued by the municipality under this section for the operation of a vehicle or combination of vehicles is valid for the purposes of the vehicle operation in accordance with the conditions and limitations specified on the permit. Such a permit is voidable by law enforcement only for operation of a vehicle or combination of vehicles in violation of the weight, dimension, or route provisions of the permit. However, a permit is not voidable for operation in violation of a route provision of a permit if the operation is upon the order of a law enforcement officer. (R.C. § 4513.34) (Rev. 2014)

(J) Whoever violates this section is guilty of a minor misdemeanor. (R.C. § 4513.99) (Rev. 2013)

(B) Whoever violates this section is guilty of a minor misdemeanor. (R.C. § 4513.99) (Rev. 2013)
§ 74.52 ALL LOADS SHALL BE PROPERLY SECURED.

(A) No vehicle shall be driven or moved on any highway unless the vehicle is so constructed, loaded, or covered as to prevent any of its load from dropping, sifting, leaking, or otherwise escaping therefrom, except that sand or other substances may be dropped for the purpose of securing traction, or water or other substances may be sprinkled on a roadway in cleaning or maintaining the roadway.

(B) Except for a farm vehicle used to transport agricultural produce or agricultural production materials or a rubbish vehicle in the process of acquiring its load, no vehicle loaded with garbage, swill, cans, bottles, waste paper, ashes, refuse, trash, rubbish, waste, wire, paper, cartons, boxes, glass, solid waste, or any other material of an unsanitary nature that is susceptible to blowing or bouncing from a moving vehicle shall be driven or moved on any highway unless the load is covered with a sufficient cover to prevent the load or any part of the load from spilling onto the highway.

(R.C. § 4513.31)

(C) Whoever violates this section is guilty of a minor misdemeanor.

(R.C. § 4513.99) (Rev. 2013)

§ 74.53 TOWING REQUIREMENTS: EXCEPTION TO SIZE AND WEIGHT RESTRICTIONS.

(A) (1) When one vehicle is towing another vehicle, the drawbar or other connection shall be of sufficient strength to pull all the weight towed thereby, and the drawbar or other connection shall not exceed 15 feet from one vehicle to the other, except the connection between any two vehicles transporting poles, pipe, machinery, or other objects of structural nature which cannot readily be dismembered.

(2) When one vehicle is towing another and the connection consists only of a chain, rope, or cable, there shall be displayed upon such connection a white flag or cloth not less than 12 inches square.

(3) In addition to such drawbar or other connection, each trailer and each semitrailer which is not connected to a commercial tractor by means of a fifth wheel shall be coupled with stay chains or cables to the vehicle by which it is being drawn. These chains or cables shall be of sufficient size and strength to prevent the towed vehicle’s parting from the drawing vehicle in case the drawbar or other connection should break or become disengaged. In case of a loaded pole trailer, the connecting pole to the drawing vehicle shall be coupled to the drawing vehicle with stay chains or cables of sufficient size and strength to prevent the towed vehicle’s parting from the drawing vehicle.

(4) Every trailer or semitrailer, except pole and cable trailers and pole and cable dollies operated by a public utility as defined in R.C. § 5727.01, shall be equipped with a coupling device which shall be so designed and constructed that the trailer will follow substantially in the path of the vehicle drawing it, without whipping or swerving from side to side. Vehicles used to transport agricultural produce or agricultural production materials between a local place of storage and supply and the farm, when drawn or towed on a street or highway at a speed of 25 miles per hour or less, and vehicles designed and used exclusively to transport a boat between a place of storage and a marina, or in and around a marina, when drawn or towed on a street or highway for a distance of no more than ten miles and at a speed of 25 miles per hour or less, shall have a drawbar or other connection, including the hitch mounted on the towing vehicle, which shall be of sufficient strength to pull all the weight towed thereby. Only one such vehicle used to transport agricultural produce or agricultural production materials as provided in this section may be towed or drawn at one time except as follows:

(a) An agricultural tractor may tow or draw more than one such vehicle;

(b) A pickup truck or straight truck designed by the manufacturer to carry a load of not less than one-half ton and not more than two tons may tow or draw not more than two such vehicles that are being used to transport agricultural produce from the farm to a local place of storage.

No vehicle being so towed by such a pickup truck or straight truck shall be considered to be a motor vehicle.

(R.C. § 4513.32) (Rev. 1999)

(C) Exception to size and weight restrictions.

(1) The size and weight provisions of this chapter and R.C. Chapter 5577 do not apply to a person who is engaged in the initial towing or removal or a wrecked or disabled motor vehicle from the site of an emergency on a public highway where the vehicle became wrecked or disabled to the nearest site where the vehicle can be brought into conformance with the requirements of this chapter and R.C. Chapter 5577 or to the nearest qualified repair facility.

(2) Any subsequent towing of a wrecked or disabled vehicle shall comply with the size and weight provisions of this chapter and R.C. Chapter 5577.

(3) No court shall impose any penalty prescribed in R.C. § 5577.99, or any substantially equivalent municipal ordinance, or the civil liability established in R.C. § 5577.12 upon a person towing or removing a vehicle in the manner described in division (C)(1) of this section.

(R.C. § 5577.15) (Rev. 2005)

§ 74.54 WEIGHING OF VEHICLE; REMOVAL OF EXCESS LOAD.

(A) Any police officer having reason to believe that the weight of a vehicle and its load is unlawful may require
§ 74.54

(§ 74.54) the driver of the vehicle to stop and submit to a weighing of it by means of a compact, self-contained, portable, sealed scale specially adapted to determining the wheel loads of vehicles on highways; a sealed scale permanently installed in a fixed location, having a load-receiving element specially adapted to determining the wheel loads of highway vehicles; a sealed scale, permanently installed in a fixed location, having a load-receiving element specially adapted to determining the combined load of all wheels on a single axle or on successive axles of a highway vehicle; or a sealed scale adapted to weighing highway vehicles, loaded or unloaded.

(B) The driver of the vehicle shall, if necessary, be directed to proceed to the nearest available sealed scales to accomplish the weighing, provided the scales are within three miles of the point where the vehicle is stopped.

(C) Any vehicle stopped in accordance with this section may be held by the police officer for a reasonable time only to accomplish the weighing as prescribed by this section.

(D) All scales used in determining the lawful weight of a vehicle and its load shall be annually compared by a municipal, county or state sealer with the state standards or standards approved by the state, and the scales shall not be sealed if they do not conform to the state standards or standards approved by the state.

(E) At each end of a permanently installed scale, there shall be a straight approach in the same plane as the platform, of sufficient length and width to insure the level positioning of vehicles during weight determinations. During determination of weight by compact, self-contained, portable, sealed scales, specially adapted to determining the wheel loads of vehicles on highways, they shall always be used on a level terrain of sufficient length and width to accommodate the entire vehicle being weighed. Such terrain shall be level, or if not level, it shall be of such elevation that the difference in elevation between the wheels on any one axle does not exceed two inches and the difference in elevation between axles being weighed does not exceed one-quarter inch per foot of the distance between such axles.

(F) In all determinations of all weights, except gross weight, by compact, self-contained, portable, sealed scales, specially adapted to determining the wheel loads of vehicles on highways, all successive axles, 12 feet or less apart, shall be weighed simultaneously by placing one such scale under the outside wheel of each such axle. In determinations of gross weight by the use of compact, self-contained, portable, sealed scales, specially adapted to determining the wheel loads of vehicles on highways, all axles shall be weighed simultaneously by placing one such scale under the outside wheel of each axle.

(G) Whenever an officer, upon weighing a vehicle and load, determines that the weight is unlawful, he or she may require the driver to stop the vehicle in a suitable place and remain standing until such portion of the load is removed as is necessary to reduce the weight of the vehicle to the limit permitted under R.C. §§ 5577.01 through 5577.14 and this chapter.

(§ 74.55) § 74.55 OPERATION OF VEHICLE EXCEEDING WEIGHT LIMITS PROHIBITED.

(A) No traction engine, steam roller, or other vehicle, load, object or structure, whether propelled by muscular or motor power, not including vehicles run upon stationary rails or tracks, fire engines, fire trucks, or other vehicles or apparatus belonging to or used by any municipal or volunteer fire department in the discharge of its functions, shall be operated or moved over or upon the improved public streets, highways, bridges, or culverts in this municipality upon wheels, rollers or otherwise, weighing in excess of the weights prescribed in this subchapter or R.C. §§ 5577.01 et seq., including the weight of the vehicle, object, structure or contrivance and load, except upon special permission granted as provided by R.C. § 4513.34 or a substantially equivalent municipal ordinance.

(§ 74.56) § 74.56 LOAD LIMITS.

(A) Weight of load; width of tire. No person, firm or corporation shall transport over the improved public streets, alleys, intercounty highways, state highways, bridges or culverts in this municipality, in any vehicle propelled by muscular, motor or other power, any burden, including weight of vehicle and load, greater than the following:

Statutory reference:
Alteration of weight limits, approval of Director required, see R.C. § 4513.33

ALTERATION OF WEIGHT LIMITS, APPROVAL OF DIRECTOR REQUIRED.
(1) (a) In vehicles having metal tires three inches or less in width, a load of 500 pounds for each inch of the total width of the tire on all wheels;

(b) When the tires on such vehicles exceed three inches in width, an additional load of 800 pounds shall be permitted for each inch by which the total width of the tires on all wheels exceeds 12 inches.

(2) In vehicles having tires of rubber or other similar substance, for each inch of the total width of tires on all wheels, as follows:

(3) (a) For purposes of division (B)(2)(c) of this section, the maximum gross weight on any two or more consecutive axles shall be determined by application of the following formula: \( W = 500[(LN/–1) + 12N + 36] \)

(b) In this formula, \( W \) equals the overall gross weight on any group of two or more consecutive axles, \( L \) equals the distance in rounded whole feet between the extreme of any group of two or more consecutive axles, and \( N \) equals the number of axles in the group under consideration. However, two consecutive sets of tandem axles may carry a gross load of 34,000 pounds each, provided the overall distance between the first and last axles of such consecutive sets of tandem axles is 36 feet or more.

(4) Except as provided in division (B)(9) of this section, the weight of vehicle and load imposed upon a road surface that is not part of the interstate system by vehicles with pneumatic tires shall not exceed any of the following weight limitations:

(a) On any one axle, 20,000 pounds.

(b) On any two successive axles:

1. Spaced four feet or less apart, and weighed simultaneously, 24,000 pounds;

2. Spaced more than four feet apart, and weighed simultaneously, 34,000 pounds, plus 1,000 pounds per foot or fraction thereof, over four feet, not to exceed 40,000 pounds.

(c) On any three successive load-bearing axles designed to equalize the load between such axles and spaced so that each such axle of the three-axle group is more than four feet from the next axle in the three-axle group and so that the spacing between the first axle and the third axle in the three-axle group is no more than nine feet, and with such load-bearing three-axle group weighed simultaneously as a unit:

1. A weight of 48,000 pounds, with the total weight of the vehicle and load not exceeding 38,000 pounds plus an additional 900 pounds for each foot of spacing between the front axle and the rearmost axle of the vehicle;

2. As an alternative to division (B)(4)(c)1. of this section, 42,500 pounds, if part of a six-axle vehicle combination with at least 20 feet of spacing between the front axle and rearmost axle, with the total weight of the vehicle and load not exceeding 54,000 pounds plus an additional 600 pounds per each foot of spacing between the front axle and the rearmost axle of the vehicle.

(d) The total weight of the vehicle and load utilizing any combination of axles, other than as provided for three-axle groups in division (B)(4) of this section, shall not exceed 38,000 pounds plus an additional 900 pounds for each foot of spacing between the front axle and the rearmost axle of the vehicle.
(5) Notwithstanding divisions (B)(2) and (B)(4) of this section, the maximum overall gross weight of a vehicle and load imposed upon the road surface shall not exceed 80,000 pounds.

(6) Notwithstanding any other provision of law, when a vehicle is towing another vehicle, such drawbar or other connection shall be of a length such as will limit the spacing between nearest axles of the respective vehicles to a distance not in excess of 12.5 feet.

(7) As used in division (B)(2) of this section, TANDEM AXLE means two or more consecutive axles whose centers may be included between parallel transverse vertical planes spaced more than 40 inches but not more than 96 inches apart, extending across the full width of the vehicle.

(8) This division (B) does not apply to passenger bus type vehicles operated by a regional transit authority pursuant to R.C. §§ 306.30 through 306.54.

(9) Either division (B)(2) or (B)(4) of this section applies to the weight of a vehicle and its load imposed upon any road surface that is not a part of the interstate system by vehicles with pneumatic tires. As between divisions (B)(2) and (B)(4) of this section, only the division that yields the highest total gross vehicle weight limit shall be applied to any such vehicle. Once that division has been determined, only the limits contained in the subdivisions of that division shall apply to that vehicle.

(R.C. § 5577.04) (Rev. 2002)

(C) Axle and wheel load, gross weights and towing connection length for solid rubber tires.

(1) No vehicle, load, object or structure having a maximum axle load greater than 16,000 pounds when such vehicle is equipped with solid rubber tires shall be operated or moved upon the improved public highways, streets, bridges or culverts. The maximum wheel load of any one wheel of such vehicle shall not exceed 650 pounds per inch width of tire, measured as prescribed by division (A) of this section, nor shall any solid tire or rubber or other resilient material, on any wheel of any such vehicle, be less than one inch thick when measure from the top of the flanges of the tire channel.

(2) The weight of vehicle and load imposed upon the road surface by any two successive axles, spaces four feet or less apart, shall not exceed 19,000 pounds for solid tires; or by any two successive axles spaced more than four feet but less than eight feet apart, shall not exceed 24,000 pounds for solid tires; or by any two successive axles, spaced eight feet or more apart, shall not exceed 28,000 pounds for solid tires; nor shall the total weight of vehicle and load exceed, for solid rubber tires, 28,000 pounds plus an additional 600 pounds for each foot or fraction thereof of spacing between the front axle and the rear-most axle of the vehicle; nor shall the weight of the vehicle and load imposed upon the road surface by any vehicle equipped with solid rubber tires exceed 80% of the permissible weight of vehicle and load as provided for pneumatic tires.

(3) Notwithstanding any other provision of law, when a vehicle is towing another vehicle, such drawbar or other connection shall be of a length such as will limit the spacing between the nearest axles of the respective vehicles to a distance not in excess of 12.5 feet. If the provisions of this division (C) are held to exceed the weight limitations or other provisions set forth in the “Federal-Aid Highway Act of 1958”, 72 Stat. 902, 23 U.S.C. § 127, this division (C) shall become null and void to the extent of such inconsistency.

(R.C. § 5577.041)

This provision shall not prevent the operator of a taxicab from temporarily stopping in accordance with other stopping or parking provisions at any place for the purpose of, and while actually engaged in, the expeditious loading or unloading of passengers.
(Rev. 2002) Penalty, see § 70.99

§ 76.10 PARKING IN ALLEYS AND NARROW STREETS; EXCEPTIONS.

(A) No person shall stop, stand or park any vehicle upon a street, other than an alley, in such a manner or under such conditions as to leave available less than 10 feet of the width of the roadway for free movement of vehicular traffic, except that a driver may stop temporarily during the actual loading or unloading of passengers or when directed to by a police officer or traffic control signal.

(B) Except as otherwise provided by law, no person shall stop, stand or park a vehicle within an alley except while actually loading and unloading, and then only for a period not to exceed 30 minutes.
(Rev. 2002) Penalty, see § 70.99

§ 76.11 REGISTERED OWNER PRIMA FACIE LIABLE FOR UNLAWFUL PARKING.

In any hearing on a charge of illegally parking a motor vehicle, testimony that a vehicle bearing a certain license plate was found unlawfully parked as prohibited by the provisions of this Traffic Code, and further testimony that the record of the Ohio Registrar of Motor Vehicles shows that the license plate was issued to the defendant, shall be prima facie evidence that the vehicle which was unlawfully parked, was so parked by the defendant. A certified registration copy, showing such fact, from the Registrar shall be proof of such ownership.
(Rev. 2002)

§ 76.12 WAIVER.

Any person charged with a violation of any provision of this chapter for which payment of a prescribed fine may be made, may pay such sum in the manner prescribed on the issued traffic ticket. Such payment shall be deemed a plea of guilty, waiver of court appearance and acknowledgment of conviction of the alleged offense and may be accepted in full satisfaction of the prescribed penalty for such alleged violation. Payment of the prescribed fine need not be accepted when laws prescribe that a certain number of such offenses shall require court appearance.

(A) Animals running at large.

(1) No person, who is the owner or keeper of horses, mules, cattle, bison, sheep, goats, swine, llamas, alpacas, or geese, shall permit them to run at large in the public road, highway, street, lane, or alley, or upon unenclosed land, or cause the animals to be herded, kept, or detained for the purpose of grazing on premises other than those owned or lawfully occupied by the owner or keeper of the animals.

(R.C. § 951.02) (Rev. 2012)

(2) Whoever recklessly violates division (A)(1) of this section is guilty of a misdemeanor of the fourth degree.

(R.C. § 951.99) (Rev. 2012)

(3) The owner or keeper of an animal described in division (A)(1) of this section who negligently permits it to run at large in violation of division (A)(1) of this section is liable for all damages resulting from injury, death, or loss to person or property caused by the animal in any of the places specified in division (A)(1) of this section or upon the premises of another without reference to the fence that may enclose the premises.

(4) The running at large of any animal specified in division (A)(1) of this section in or upon any of the places specified in division (A)(1) of this section is prima facie evidence in a civil action for damages under division (A)(3) of this section that the owner or keeper of the animal negligently permitted the animal to run at large in violation of division (A)(1) of this section.

(R.C. § 951.10) (Rev. 2012)
§ 90.01  Ohio Basic Code, 2016 Edition – General Regulations

(B)  Dogs running at large; dangerous dogs; debarked or surgically silenced dangerous dogs.

(1) As used in this division (B), DANGEROUS DOG has the same meaning as in R.C. § 955.11.

(2) No owner, keeper, or harborer of any female dog shall permit it to go beyond the premises of the owner, keeper, or harborer at any time the dog is in heat unless the dog is properly in leash.

(3) Except when a dog is lawfully engaged in hunting and accompanied by the owner, keeper, harborer, or handler of the dog, no owner, keeper, or harborer shall fail at any time to do either of the following:

(a) Keep the dog physically confined or restrained upon the premises of the owner, keeper, or harborer by a leash, tether, adequate fence, supervision, or secure enclosure to prevent escape;

(b) Keep the dog under the reasonable control of some person.

(4) Except when a dangerous dog is lawfully engaged in hunting or training for the purpose of hunting and is accompanied by the owner, keeper, harborer, or handler of the dog, no owner, keeper, or harborer of a dangerous dog shall fail to do either of the following:

(a) While the dog is on the premises of the owner, keeper, or harborer, securely confine it at all times in a locked pen that has a top, locked fenced yard, or other locked enclosure that has a top;

(b) While the dog is off the premises of the owner, keeper, or harborer, keep that dog on a chain-link leash or tether that is not more than six feet in length and additionally do at least one of the following: keep the dog in a locked pen that has a top, locked fenced yard, or other locked enclosure that has a top; have the leash or tether controlled by a person who is of suitable age and discretion or securely attach, tie, or affix the leash or tether to the ground or a stationary object or fixture so that the dog is adequately restrained and station a person in close enough proximity to that dog so as to prevent it from causing injury to any person; or muzzle that dog.

(5) No person who has been convicted of or pleaded guilty to three or more violations of division (B)(3) of this section involving the same dog and no owner, keeper, or harborer of a dangerous dog shall fail to do the following:

(a) Obtain liability insurance with an insurer authorized to write liability insurance in this state providing coverage in each occurrence because of damage or bodily injury to or death of a person caused by the dangerous dog if so ordered by a court and provide proof of that liability insurance upon request to any law enforcement officer, county dog warden, or public health official charged with enforcing this section;

(b) Obtain a dangerous dog registration certificate from the County Auditor pursuant to division (B)(9) of this section, affix a tag that identifies the dog as a dangerous dog to the dog’s collar, and ensure that the dog wears the collar and tag at all times;

(c) Notify the local dog warden immediately if any of the following occurs:

1. The dog is loose or unconfined.

2. The dog bites a person, unless the dog is on the property of the owner of the dog, and the person who is bitten is unlawfully trespassing or committing a criminal act within the boundaries of that property.

3. The dog attacks another animal while the dog is off the property of the owner of the dog.

(d) If the dog is sold, given to another person, or dies, notify the County Auditor within ten days of the sale, transfer, or death.

(6) No person shall do any of the following:

(a) Debark or surgically silence a dog that the person knows or has reason to believe is a dangerous dog;

(c) Falsely attest on a waiver form provided by the veterinarian under division (B)(7) of this section that the person’s dog is not a dangerous dog or otherwise provide false information on that written waiver form.

(7) Before a veterinarian debarks or surgically silences a dog, the veterinarian may give the owner of the dog a written waiver form that attests that the dog is not a dangerous dog. The written waiver form shall include all of the following:

(a) The veterinarian’s license number and current business address;

(b) The number of the license of the dog if the dog is licensed;

3. Falsely attesting on a waiver form provided by the veterinarian under R.C. § 955.22(G) that the person’s dog is not a dangerous dog or otherwise provide false information on that written waiver form.

(8) It is an affirmative defense to a charge of a violation of division (B)(6) of this section that the veterinarian who is charged with the violation obtained, prior to debarking or surgically silencing the dog, a written waiver form that complies with division (B)(7) of this section and that attests that the dog is not a dangerous dog.

(9) (a) The County Auditor shall issue a dangerous dog registration certificate to a person who is the owner of a dog, who is 18 years of age or older, and who provides the following to the County Auditor:

1. A fee of $50;

2. The person’s address, phone number, and other appropriate means for the local dog warden or County Auditor to contact the person;

3. With respect to the person and the dog for which the registration is sought, all of the following:

   a. Either satisfactory evidence of the dog’s current rabies vaccination or a statement from a licensed veterinarian that a rabies vaccination is medically contraindicated for the dog;

   b. Either satisfactory evidence of the fact that the dog has been neutered or spayed or a statement from a licensed veterinarian that neutering or spaying of the dog is medically contraindicated;

   c. Satisfactory evidence of the fact that the person has posted and will continue to post clearly visible signs at the person’s residence warning both minors and adults of the presence of a dangerous dog on the property;

   d. Satisfactory evidence of the fact that the dog has been permanently identified by means of a microchip and the dog’s microchip number.

   (b) Upon the issuance of a dangerous dog registration certificate to the owner of a dog, the County Auditor shall provide the owner with a uniformly designed tag that identifies the animal as a dangerous dog. The owner shall renew the certificate annually for the same fee and in the same manner as the initial certificate was obtained. If a certificate holder relocates to a new county, the certificate holder shall follow the procedure in division (B)(9)(c). If this section and, upon the expiration of the certificate issued in the original county, shall renew the certificate in the new county.

   (c) 1. If the owner of a dangerous dog for whom a registration certificate has previously been obtained relocates to a new address within the same county, the owner shall provide notice of the new address to the County Auditor within ten days of relocating to the new address.

      a. Provide written notice of the new address and a copy of the original dangerous dog registration certificate to the County Auditor of the new county;

      b. Provide written notice of the new address to the County Auditor of the county where the owner previously resided.

   (d) The owner of a dangerous dog shall present the dangerous dog registration certificate upon being requested to do so by any law enforcement officer, dog warden, or public health official charged with enforcing this section.

   (1) The municipal court or county court that has territorial jurisdiction over the residence of the owner, keeper, or harborer of a dog shall conduct any hearing concerning the designation of the dog as a nuisance dog, dangerous dog, or vicious dog.

   (2) If a person who is authorized to enforce this chapter has reasonable cause to believe that a dog in the person’s jurisdiction is a nuisance dog, dangerous dog, or vicious dog, the person shall notify the owner, keeper, or harborer of that dog, by certified mail or in person, of both of the following:

      a. That the person has designated the dog a nuisance dog, dangerous dog, or vicious dog, as applicable;

      b. That the owner, keeper, or harborer of the dog may request a hearing regarding the designation in accordance with this division (C). The notice shall include instructions for filing a request for a hearing in the county in which the dog’s owner, keeper, or harborer resides.

   (3) If the owner, keeper, or harborer of the dog disagrees with the designation of the dog as a nuisance dog, dangerous dog, or vicious dog, as applicable, the owner, keeper, or harborer, not later than ten days after receiving notification of the designation, may request a hearing regarding the determination. The request for a hearing shall be in writing and shall be filed with the municipal court or county court that has territorial jurisdiction over the residence of the dog’s owner, keeper, or harborer. At the hearing, the
person who designated the dog as a nuisance dog, dangerous dog, or vicious dog has the burden of proving, by clear and convincing evidence, that the dog is a nuisance dog, dangerous dog, or vicious dog. The owner, keeper, or harboring of the dog or the person who designated the dog as a nuisance dog, dangerous dog, or vicious dog may appeal the court’s final determination as in any other case filed in that court.

(4) A court, upon motion of an owner, keeper, or harboring or an attorney representing the owner, keeper, or harboring, may order that the dog designated as a nuisance dog, dangerous dog, or vicious dog be held in the possession of the owner, keeper, or harboring until the court makes a final determination under this section or during the pendency of an appeal, as applicable. Until the court makes a final determination and during the pendency of any appeal, the dog shall be confined or restrained in accordance with the provisions of division (B)(4) that apply to dangerous dogs regardless of whether the dog has been designated as a vicious dog or a nuisance dog rather than a dangerous dog. The owner, keeper, or harboring of the dog shall not be required to comply with any other requirements established in this Code or the Ohio Revised Code that concern a nuisance dog, dangerous dog, or vicious dog, as applicable, until the court makes a final determination and during the pendency of any appeal.

(5) If a dog is finally determined under this division (C), or on appeal as described in this division (C), to be a vicious dog, § 90.28(D) and divisions (B)(4) to (B)(9) of this section apply with respect to the dog and the owner, keeper, or harboring of the dog as if the dog were a dangerous dog, and § 90.36 applies with respect to the dog as if it were a dangerous dog, and the court shall issue an order that specifies that those provisions apply with respect to the dog and the owner, keeper, or harboring in that manner. As part of the order, the court shall require the owner, keeper, or harboring to obtain the liability insurance required under division (B)(5)(a) in an amount described in division (D)(4)(b) of this section.

(6) As used in this division (C), NUISANCE DOG, DANGEROUS DOG, and VICIOUS DOG have the same meanings as in R.C. § 955.11. (R.C. § 955.222) (Rev. 2013)

(D) Penalty.

(b) In addition to the penalties prescribed in division (D)(1)(a) of this section, if the offender is guilty of a violation of division (B)(2) of this section or a violation of division (B)(3) of this section that involves a dog that is not a nuisance dog, dangerous dog, or vicious dog, the court may order the offender to personally supervise the dog that the offender owns, keeps, or harbors, to cause that dog to complete dog obedience training, or to do both. (R.C. § 955.99(E))

(2) (a) Whoever commits a violation of division (B)(3) of this section that involves a nuisance dog is guilty of a minor misdemeanor on the first offense and of a misdemeanor of the fourth degree on each subsequent offense involving the same dog. Upon a person being convicted of or pleading guilty to a third violation of division (B)(3) of this section involving the same dog, the court shall require the offender to register the involved dog as a dangerous dog.

(b) In addition to the penalties prescribed in division (D)(2)(a) of this section, if a violation of division (B)(3) of this section involves a nuisance dog, the court may order the offender to personally supervise the nuisance dog that the offender owns, keeps, or harbors, to cause that dog to complete dog obedience training, or to do both. (R.C. § 955.99(F))

(3) Whoever commits a violation of division (B)(3) of this section that involves a dangerous dog, or a violation of division (B)(4) of this section is guilty of a misdemeanor of the fourth degree on a first offense and of a misdemeanor of the third degree on each subsequent offense. Additionally, the court may order the offender to personally supervise the dangerous dog that the offender owns, keeps, or harbors, to cause that dog to complete dog obedience training, or to do both, and the court may order the offender to obtain liability insurance pursuant to division (B)(5) of this section. The court, in the alternative, may order the dangerous dog to be humanely destroyed by a licensed veterinarian, the county dog warden, or the county humane society at the owner’s expense. With respect to a violation of division (B)(3) of this section that involves a dangerous dog, the court may order the offender to personally supervise the dangerous dog that the offender owns, keeps, or harbors, to cause that dog to complete dog obedience training, or to do both, and the court may order the offender to obtain liability insurance pursuant to division (B)(5) of this section. The court, in the alternative, may order the dangerous dog to be humanely destroyed by a licensed veterinarian, the county dog warden, or the county humane society at the owner’s expense. With respect to a violation of division (B)(4) of this section or at the discretion of the dog warden, the dog shall be confined or restrained in accordance with division (B)(4) of this section or at the county dog pound at the owner’s expense. (R.C. § 955.99(G))

(4) (a) Whoever commits a violation of division (B)(3) of this section that involves a vicious dog is guilty of one of the following:

1. A felony to be prosecuted under appropriate state law if the dog kills or seriously injures a person. Additionally, the court shall order that the vicious dog be humanely destroyed by a licensed veterinarian, the county dog warden, or the county humane society at the owner’s expense.

2. A misdemeanor of the first degree if the dog causes serious injury to a person. Additionally, the court may order the vicious dog to be humanely destroyed by a licensed veterinarian, the county dog warden, or the county humane society at the owner’s expense.
(b) If the court does not order the vicious dog to be destroyed under division (D)(4)(a.2) of this section, the court shall issue an order that specifies that § 90.28(D) and divisions (B)(4) to (B)(9) of this section apply with respect to the dog and the owner, keeper, or harborer of the dog as if the dog were a dangerous dog and that § 90.36 applies with respect to the dog as if it were a dangerous dog.

As part of the order, the court shall order the offender to obtain the liability insurance required under division (B)(5)(a) of this section in an amount, exclusive of interest and costs, that equals or exceeds $100,000. Until the court makes a final determination and during the pendency of any appeal of a violation of division (B)(3) of this section and at the discretion of the dog warden, the dog shall be confined or restrained in accordance with the provisions described in division (B)(4) of this section or at the county dog pound at the owner’s expense.

(R.C. § 955.99(H))

(5) Whoever violates division (B)(5)(b) of this section is guilty of a misdemeanor of the fourth degree.

(R.C. § 955.99(J))

(6) Whoever violates division (B)(6)(a), (B)(6)(b), or (B)(6)(c) of this section is guilty of a felony to be prosecuted under appropriate state law. Additionally, the court shall order that the dog involved in the violation be humanely destroyed by a licensed veterinarian, the county dog warden, or the humane society. Until the court makes a final determination and during the pendency of any appeal of a violation of division (B)(6)(a), (B)(6)(b), or (B)(6)(c) of this section and at the discretion of the dog warden, the dog shall be confined or restrained in accordance with the provisions of division (B)(4) of this section or at the county dog pound at the owner’s expense.

(R.C. § 955.99(L))

(7) Whoever violates division (B)(5)(a), (B)(5)(c), or (B)(5)(d) of this section is guilty of a minor misdemeanor.

(R.C. § 955.99(M))

(8) Whoever violates division (B)(9)(d) of this section is guilty of a minor misdemeanor.

(R.C. § 955.99(N))

(9) (a) If a dog is confined at the county dog pound pursuant to division (D)(3), (D)(4), or (D)(6) of this section, the county dog warden shall give written notice of the confinement to the owner of the dog. If the county dog warden is unable to give the notice to the owner of the dog, the county dog warden shall post the notice on the door of the residence of the owner of the dog or in another conspicuous place on the premises at which the dog was seized. The notice shall include a statement that a security in the amount of $100 is due to the county dog warden within ten days to secure payment of all reasonable expenses, including medical care and boarding of the dog for 60 days, expected to be incurred by the county dog pound in caring for the dog pending the determination. The county dog warden may draw from the security any actual costs incurred in caring for the dog.

(b) If the person ordered to post security under division (D)(9)(a) of this section does not do so within ten days of the confinement of the animal, the dog is forfeited, and the county dog warden may determine the disposition of the dog unless the court issues an order that specifies otherwise.

(c) Not more than ten days after the court makes a final determination under division (D)(3), (D)(4), or (D)(6) of this section, the county dog warden shall provide the owner of the dog with the actual cost of the confinement of the dog. If the county dog warden finds that the security provided under division (D)(9)(a) of this section is less than the actual cost of confinement of the dog, the owner shall remit the difference between the security provided and the actual cost to the county dog warden within 30 days after the court’s determination. If the county dog warden finds that the security provided under division (D)(9)(a) of this section is greater than that actual cost, the county dog warden shall remit the difference between the security provided and the actual cost to the owner within 30 days after the court’s determination.

(R.C. § 955.99(P))

(10) As used in this division (D), NUISANCE DOG, DANGEROUS DOG, and VICIOUS DOG have the same meanings as in R.C. § 955.11.

(2) If the information deciphered by the transaction scan performed under division (B)(1) of this section fails to match the information printed on the driver’s or commercial driver’s license or identification card presented by the card holder, or if the transaction scan indicates that the information so printed is false or fraudulent, neither the permit holder nor any agent or employee of the permit holder shall sell any beer, intoxicating liquor, or low-alcohol beverage to the card holder.

(3) Division (B)(1) of this section does not preclude a permit holder or an agent or employee of a permit holder from using a transaction scan device to check the validity of a document other than a driver’s or commercial driver’s license or identification card, if the document includes a bar code or magnetic strip that may be scanned by the device, as a condition of a sale beer, intoxicating liquor, or a low-alcohol beverage or of granting admission to a premises described in the definition for “transaction scan” in this section.

(C) The Registrar of Motor Vehicles, with the approval of the Liquor Control Commission, shall adopt, and may amend or rescind, rules in accordance with R.C. Chapter 119 that do both of the following:

(2) Ensure quality control in the use of transaction scan devices under R.C. §§ 2925.57, 2925.58, 2927.021, 2927.022, 4301.61, and 4301.611.

(E) Nothing in this section or R.C. § 4301.611, or a substantially equivalent municipal ordinance, relieves a permit holder or an agent or employee of a permit holder of any responsibility to comply with any other applicable local, state or federal laws or rules governing the sale of beer, intoxicating liquor, or low-alcohol beverages.

(F) Whoever violates division (B)(2) or (D) of this section is guilty of an illegal liquor transaction scan, and the court may impose upon the offender a civil penalty of up to $1,000 for each violation. (R.C. § 4301.61) (Rev. 2016)

§ 92.29 AFFIRMATIVE DEFENSES.

(A) A permit holder or an agent or employee of a permit holder may not be found guilty of a charge of a violation of this chapter or any rule of the Liquor Control Commission in which the age of the purchaser of any beer, intoxicating liquor, or low-alcohol beverage is an element of the alleged violation, if the permit holder, agent, or employee raises and proves as an affirmative defense that all of the following occurred:

(1) A card holder attempting to purchase any beer, intoxicating liquor, or low-alcohol beverage presented a driver’s or commercial driver’s license or an identification card.

(2) A transaction scan of the driver’s or commercial driver’s license or identification card that the card holder presented indicated that the license or card was valid.

(3) The beer, intoxicating liquor, or low-alcohol beverage was sold to the card holder in reasonable reliance upon the identification presented and the completed transaction scan.

(B) In determining whether a permit holder or an agent or employee of a permit holder has proven the affirmative defense provided by division (A) of this section, the Liquor Control Commission or the trier of fact in a court of record shall consider any written policy that the permit holder has adopted and implemented and that is intended to prevent violations of R.C. §§ 4301.22(A)(1) or (A)(2), 4301.63 through 4301.636, 4301.69, and 4301.691, or any substantially equivalent municipal ordinances. For purposes of division (A)(3) of this section, the Commission or trier of fact shall consider that reasonable reliance upon the identification presented and the completed transaction scan may require a permit holder or an agent or employee of a permit holder to exercise reasonable diligence to determine, and that the use of a transaction scan device does not excuse a permit holder or an agent or employee of a permit holder from exercising reasonable diligence to determine, the following:

(1) Whether a person to whom the permit holder or agent or employee of a permit holder sells any beer or intoxicating liquor is 21 years of age or older or sells low-alcohol beverage is 18 years of age or older;

(2) Whether the description and picture appearing on the driver’s or commercial driver’s license or identification card presented by a card holder is that of the card holder.

(C) The affirmative defense provided by division (A) of this section is in addition to the defense provided by R.C. § 4301.639, or any substantially equivalent municipal ordinance.
(D) In any hearing before the Liquor Control Commission and in any criminal action in which the affirmative defense provided by division (A) of this section is raised, the Registrar of Motor Vehicles or a deputy registrar who issued an identification card under R.C. §§ 4507.50 through 4507.52 shall be permitted to submit certified copies of the records of that issuance in lieu of the testimony of the personnel of or contractors with the Bureau of Motor Vehicles in the hearing or action.

(R.C. § 3767.99(C))
§ 93.05 COLLECTION OF COST OF ABATING DANGEROUS PROPERTY CONDITION; INJUNCTION; REHABILITATION.

(A) Collection of costs of abating dangerous property conditions.

(1) As used in this division (A):

ABATEMENT ACTIVITY. Means each instance of any of the following:

1. Removing, repairing, or securing insecure, unsafe, structurally defective, abandoned, deserted, or open and vacant buildings or other structures;

2. Making emergency corrections of hazardous conditions;

3. Abatement of any nuisance by the municipality or its agent pursuant to division (A)(5) of this section.

TOTAL COST. Means any costs incurred due to the use of employees, materials, or equipment of the municipality or its agent pursuant to division (A)(5) of this section, any costs arising out of contracts for labor, materials, or equipment, and costs of service of notice or publication required under this section.

(2) The municipality or its agent pursuant to division (A)(5) of this section may collect the total cost of abatement activities by any of the methods prescribed in division (A)(2)(a), (A)(2)(b), or (A)(2)(c) of this section.

(a) For each abatement activity in which costs are incurred, the Clerk of the Legislative Authority of the municipality or its agent pursuant to division (A)(5) of this section may certify the total costs of each abatement activity, together with the parcel number or another proper description of the lands on which the abatement activity occurred, the date the costs were incurred for each abatement activity, and the name of the owner of record at the time the costs were incurred for each abatement activity, to the County Auditor who shall place the costs as a charge upon the tax list and duplicate. The costs are a lien upon such lands from and after the date the costs were incurred. The costs shall be collected as other taxes and returned to the municipality or its agent pursuant to division (A)(5) of this section, as directed by the Clerk of the Legislative Authority in the certification of the total costs or in an affidavit from the agent delivered to the County Auditor or County Treasurer. The placement of the costs on the tax list and duplicate relates back to, and is effective in priority, as of the date the costs were incurred, provided that the municipality or its agent pursuant to division (A)(5) of this section certifies the total costs within one year from the date the costs were incurred. If a lien is placed on a parcel of land pursuant to this division is extinguished as provided in division (A)(8) of this section, the municipality may pursue the remedy available under division (A)(2)(b) of this section to recoup the costs incurred with respect to that parcel from any person that held title to the parcel at the time the costs were incurred.

(b) The municipality or its agent pursuant to division (A)(5) of this section may commence a civil action to recover the total costs from the person that held title to the parcel at the time the costs were incurred.

(c) The municipality or its agent pursuant to division (A)(5) of this section may file a lien on a parcel of land for the total costs incurred under this section with respect to the parcel by filing a written affidavit with the County Recorder of the county in which the parcel is located that states the parcel number, the total costs incurred with respect to the parcel, and the date such costs were incurred. The municipality or its agent may pursue a foreclosure action to enforce the lien in a court of competent jurisdiction or, pursuant to R.C. §§ 323.65 to 323.79, with the Board of Revision. The municipality or its agent may elect to acquire the parcel by indicating such an election in the complaint for foreclosure or in an amended complaint. Upon the entry of a decree of foreclosure, the County Sheriff shall advertise and offer the property for sale on at least one occasion. The minimum bid with regard to the sale of the foreclosed property shall equal the sum of the taxes, penalties, interest, costs, and assessments due and payable on the property; the total costs incurred by the municipality or its agent with respect to the property, and any associated court costs and interest as authorized by law. An owner of the property may redeem the property by paying the minimum bid within ten days after the entry of the decree of foreclosure. If an owner fails to so redeem the property, and if the parcel is not sold for want of a minimum bid, the property shall be disposed of as follows:

1. If the municipality or its agent elects to acquire the property, the parcel shall be transferred to the municipality or its agent as if the property were transferred by all owners in title to the municipality or its agent in lieu of foreclosure as provided in R.C. § 5722.10;

2. If the municipality or its agent does not elect to acquire the property, the parcel shall be forfeited to the state or to a political subdivision or school district as provided in R.C. Chapter 5723.

3. When the municipality or its agent acquires property as provided in this division (A)(2)(c), the property shall not be subject to foreclosure or forfeiture under R.C. § 323.25 or R.C. Chapter 5721 or 5723, and any lien on the property for costs incurred under this division (A) or for any unpaid taxes, penalties, interest, charges, or assessments shall be extinguished.

(3) This division (A) applies to any action taken by the municipality or its agent pursuant to division (A)(5) of this section pursuant to R.C. § 715.26 or pursuant to Section 3 of Article XVIII, Ohio Constitution.

(4) (a) The municipality or its agent pursuant to division (A)(5) of this section shall not certify to the
§ 93.05  Ohio Basic Code, 2016 Edition – General Regulations

County Auditor for placement upon the tax list and duplicate and the County Auditor shall not place upon the tax list and duplicate as a charge against the land the costs of any abatement activity undertaken under division (A)(2) of this section if any of the following apply:

1. The abatement activity occurred on land that has been transferred or sold to an electing subdivision as defined in R.C. § 5722.01, regardless of whether the electing subdivision is still the owner of the land, and the abatement activity occurred on a date prior to the transfer or confirmation of sale to the electing subdivision.

2. The abatement activity occurred on land that has been sold to a purchaser at sheriff’s sale or auditor’s sale, the abatement activity occurred on a date prior to the confirmation of sale, and the purchaser is not the owner of record of the land immediately prior to the judgment of foreclosure nor any of the following:
   a. A member of that owner’s immediate family;
   b. A person with a power of attorney appointed by that owner who subsequently transfers the land to the owner;
   c. A sole proprietorship owned by that owner or a member of that owner’s immediate family;
   d. A partnership, trust, business trust, corporation, or association of which the owner or a member of the owner’s immediate family owns or controls directly or indirectly more than 50%.

3. The abatement activity is taken on land that has been forfeited to this state for delinquent taxes, unless the owner of record redeems the land.

(b) Upon valid written notice to the County Auditor by any owner possessing an ownership interest of record of the land or by an electing subdivision previously in the chain of title of the land that the costs of an abatement activity undertaken under division (A)(2) of this section was certified for placement or placed upon the tax list and duplicate as a charge against the land in violation of this division, the County Auditor shall promptly remove such charge from the tax duplicate. This written notice to the County Auditor shall include all of the following:

1. The parcel number of the land;
2. The common address of the land;
3. The date of the recording of the transfer of the land to the owner or electing subdivision;
4. The charge allegedly placed in violation of this division.

(5) The municipality may enter into an agreement with a County Land Reutilization Corporation organized under R.C. Chapter 1724 wherein the County Land Reutilization Corporation agrees to act as the agent of the municipality in connection with removing, repairing, or securing insecure, unsafe, structurally defective, abandoned, deserted, or open and vacant buildings or other structures, making emergency corrections of hazardous conditions, or abating any nuisance, including high weeds, overgrown brush, and trash and debris from vacant lots. The total costs of such actions may be collected by the corporation pursuant to division (A)(2) of this section, and shall be paid to the corporation if it paid or incurred such costs and has not been reimbursed by the owner of record at the time of the action or any other party with a recorded interest in the land.

(6) In the case of the lien of a County Land Reutilization Corporation that is the agent of the municipality, a notation shall be placed on the tax list and duplicate showing the amount of the lien ascribed specifically to the agent’s total costs. The agent has standing to pursue a separate cause of action for money damages to satisfy the lien or pursue a foreclosure action in a court of competent jurisdiction or with the Board of Revision to enforce the lien without regard to occupancy. For purposes of a foreclosure proceeding by the County Treasurer for delinquent taxes, this division does not affect the lien priority as between a County Land Reutilization Corporation and the County Treasurer, but the corporation’s lien is superior to the lien of any other lienholder of the property. As to a direct action by a County Land Reutilization Corporation, the lien for the taxes, assessment, charges, costs, penalties, and interest on the tax list and duplicate is in all cases superior to the lien of a County Land Reutilization Corporation, whose lien for total costs shall be next in priority as against all other interests, except as provided in division (A)(7) of this section.

(7) A County Land Reutilization Corporation acting as an agent of the municipality under an agreement under this division (A) may, with the County Treasurer’s consent, petition the court or Board of Revision with jurisdiction over an action undertaken under division (A)(6) of this section pleading that the lien of the corporation, as agent, for the total costs shall be superior to the lien for the taxes, assessments, charges, costs, penalties, and interest. If the court or Board of Revision determines that the lien is for total costs paid or incurred by the corporation as such an agent, and that subordinating the lien for such taxes and other impositions to the lien of the corporation promotes the expeditious abatement of public nuisances, the court or board may order the lien for the taxes and other impositions to be subordinate to the corporation’s lien. The court or board may not subordinate the lien for taxes and other such impositions to any other liens.

(8) (a) When a parcel of land upon which a lien has been placed under division (A)(2)(a) or (A)(2)(c) of this section is transferred to a County Land Reutilization Corporation, the lien on the parcel shall be extinguished if the lien is for costs or charges that were incurred before the date of the transfer to the corporation and if the corporation did not incur the costs or charges, regardless of whether the lien was attached or the costs or charges were certified before the date of transfer. In such a case, the County Land Reutilization
Corporation and its successors in title shall take title to the property free and clear of any such lien and shall be immune from liability in any action to collect such costs or charges.

(b) If a County Land Reutilization Corporation takes title to property before any costs or charges have been certified or any lien has been placed with respect to the property under division (A)(2)(a) or (A)(2)(c) of this section, the corporation shall be deemed a bona fide purchaser for value without knowledge of such costs or lien, regardless of whether the corporation had actual or constructive knowledge of the costs or lien, and any such lien shall be void and unenforceable against the corporation and its successors in title.

(9) The municipality or County Land Reutilization Corporation may file an affidavit with the County Recorder under R.C. § 5301.252 stating the nature and extent of any proceedings undertaken under this division (A). Such an affidavit may include a legal description of a parcel or, in lieu thereof, the common address of the parcel and the permanent parcel number to which such address applies.

(R.C. § 715.261) (Rev. 2015)

(B) Injunction may be granted for failure to comply. No person shall erect, alter, repair or maintain any residential building, office, mercantile building, workshop or factory, including a public or private garage, or other structure, within the municipality unless all ordinances or resolutions enacted pursuant to R.C. §§ 715.26 through 715.30 are fully complied with. In the event any building or structure is being erected, constructed, altered, repaired or maintained in violation of such ordinances or resolutions, or there is imminent threat of violation, the municipality or the owner of any contiguous or neighboring property who would be especially damaged by such violation, in addition to any other remedies provided by law, may institute a suit for injunction to prevent or terminate such violation.

(R.C. § 715.30)

(C) Appropriation of property to rehabilitate; demolition or sale.

(1) In order to rehabilitate a building or structure that the municipality has determined to be a blighted property as defined in R.C. § 1.08, the municipality may appropriate, in the manner provided by R.C. §§ 163.01 through 163.22, any such building or structure and the real property of which it is a part. The municipality shall rehabilitate the building or structure or cause it to be rehabilitated within two years after the appropriation so that the building or structure is no longer a public nuisance, insecure, unsafe, structurally defective, unhealthful or unsanitary, or a threat to the public health, safety, or welfare, in violation of a building code or ordinance adopted under R.C. § 731.231. Any building or structure appropriated pursuant to this division which is not rehabilitated within two years shall be demolished.

(2) If, during the rehabilitation process, the municipality retains title to the building or structure and the real property of which it is a part, then within 180 days after the rehabilitation is complete, the municipality shall appraise the rehabilitated building or structure and the real property of which it is a part, and shall sell the building or structure and property at public auction. The municipality shall advertise the public auction in a newspaper of general circulation in the municipality once a week for three consecutive weeks, or as provided in R.C. § 7.16, prior to the date of sale. The municipality shall sell the building or structure and real property to the highest and best bidder. No property that the municipality acquires pursuant to this division shall be leased.

subdivision; or if the property on which the motor vehicle is left is not subject to licensure or regulation by any governmental authority, unless the person having the right to the possession of the property can establish that the motor vehicle is part of a bona fide commercial operation; or if the motor vehicle is a collector’s vehicle.

(2) The municipality shall not prevent a person from storing or keeping, or restrict him or her in the method of storing or keeping, any collector’s vehicle on private property with the permission of the person having the right to the possession of the property, except that the municipality may require a person having such permission to conceal, by means of buildings, fences, vegetation, terrain, or other suitable obstruction, and unlicensed collector’s vehicle stored in the open.

(3) The Police Chief, the Legislative Authority, or the zoning authority may send notice, by certified mail with return receipt requested, to the person having the right to the possession of the property on which a junk motor vehicle is left, that within ten days of receipt of the notice, the junk motor vehicle either shall be covered by being housed in a garage or other suitable structure, or shall be removed from the property.

(4) No person shall willfully leave a junk motor vehicle uncovered in the open for more than ten days after receipt of a notice as provided in this section. The fact that a junk motor vehicle is so left is prima facie evidence of willful failure to comply with the notice, and each subsequent period of 30 days that a junk motor vehicle continues to be so left constitutes a separate offense.

(B) Whoever violates this section is guilty of a minor misdemeanor.

Lineal spacing between the buoys shall be such that under normal conditions of visibility any buoy shall be readily visible from the next adjacent buoy. No colors or symbols, except as provided for in rules of the Chief of the Division of Watercraft, shall be used on buoys or signs for marking closed or controlled areas of boating waters.

(3) Any state department, conservancy district, or political subdivision having jurisdiction and control of impounded boating waters may place such buoys or signs on its waters. Any political subdivision may apply to the Chief of the Division of Watercraft for permission to place such buoys or signs on other waters within its territorial limits. (C) In any proceeding arising out of one incident, a person may be charged with a violation of division (A)(1) and
a violation of division (B)(1), (B)(2), (B)(3), or (B)(4) of this section, but the person shall not be convicted of more than one violation of those divisions.

(D) (1) (a) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section or for an equivalent offense that is watercraft-related, the result of any test of any blood or urine withdrawn and analyzed at any health care provider, as defined in R.C. § 2317.02, may be admitted with expert testimony to be considered with any other relevant and competent evidence in determining the guilt or innocence of the defendant.

(b) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section or for an equivalent offense that is watercraft-related, the court may admit evidence on the concentration of alcohol, drugs of abuse, controlled substances, metabolites of a controlled substance, or a combination of them in the defendant’s or child’s whole blood, blood serum or plasma, urine, or breath at the time of the alleged violation as shown by chemical analysis of the substance withdrawn, or specimen taken within three hours of the time of the alleged violation. The three-hour time limit specified in this division regarding the admission of evidence does not extend or affect the two-hour time limit specified in § 96.13(C) or R.C. § 1547.111(C) as the maximum period of time during which a person may consent to a chemical test or tests as described in that section. The court may admit evidence on the concentration of alcohol, drugs of abuse, or a combination of them as described in this division when a person submits to a blood, breath, urine, or other bodily substance test at the request of a law enforcement officer under R.C. § 1547.111, or any substantially equivalent municipal ordinance, or a blood or urine sample is obtained pursuant to a search warrant. Only a physician, a registered nurse, an emergency medical technician-intermediate, an emergency medical technician-paramedic, or a qualified technician, chemist, or phlebotomist shall withdraw blood for the purpose of determining the alcohol, drug, controlled substance, metabolite of a controlled substance, or combination content of the whole blood, blood serum, or blood plasma. This limitation does not apply to the taking of breath or urine specimens. A person authorized to withdraw blood under this division may refuse to withdraw blood under this division if, in that person’s opinion, the physical welfare of the defendant or child would be endangered by withdrawing blood.

(c) The whole blood, blood serum or plasma, urine, or breath withdrawn under division (D)(1)(b) of this section shall be analyzed in accordance with methods approved by the Director of Health by an individual possessing a valid permit issued by the Director pursuant to R.C. § 3701.143.

(2) In a criminal prosecution or juvenile court proceeding for a violation of division (A) of this section or for an equivalent offense that is watercraft-related, if there was at the time the bodily substance was taken a concentration of less than the applicable concentration of alcohol specified for a violation of division (A)(2), (A)(3), (A)(4), or (A)(5) of this section or less than the applicable concentration of a listed controlled substance or a listed metabolite of a controlled substance specified for a violation of division (A)(6) of this section, that fact may be considered with other competent evidence in determining the guilt or innocence of the defendant or in making an adjudication for the child. This division does not limit or affect a criminal prosecution or juvenile court proceeding for a violation of division (B) of this section or for a violation of a prohibition that is substantially equivalent to that division.

(E) (1) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section, of a municipal ordinance relating to operating or being in physical control of any vessel underway or to manipulating any water skis, aquaplane, or similar device on the waters of this state with a prohibited concentration of alcohol, a drug of abuse, or a combination of them, or of a municipal ordinance relating to operating or being in physical control of any vessel underway or to manipulating any water skis, aquaplane, or similar device on the waters of this state with a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the whole blood, blood serum or plasma, breath, or urine, if a law enforcement officer has administered a field sobriety test to the operator or person found to be in physical control of the vessel underway involved in the violation or the person manipulating the water skis, aquaplane, or similar device involved in the violation and if it is shown by clear and convincing evidence that the officer administered the test in substantial compliance with the testing standards for reliable, credible, and generally accepted field sobriety tests for vehicles that were in effect at the time the tests were administered, including but not limited to any testing standards then in effect that have been set by the National Highway Traffic Safety Administration, that by their nature are not clearly inapplicable regarding the operation or physical control of vessels underway or the manipulation of water skis, aquaplanes, or similar devices, all of the following apply:

(a) The officer may testify concerning the results of the field sobriety test so administered.

(b) The prosecution may introduce the results of the field sobriety test so administered as evidence in any proceedings in the criminal prosecution or juvenile court proceeding.
(F) (1) Subject to division (F)(3) of this section, in any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section or for an equivalent offense that is substantially equivalent to either of those divisions, the court shall admit as prima facie evidence a laboratory report from any laboratory personnel issued a permit by the Department of Health authorizing an analysis as described in this division that contains an analysis of the whole blood, blood serum or plasma, breath, urine, or other bodily substance tested and that contains all of the information specified in this division. The laboratory report shall contain all of the following:

(a) The signature, under oath, of any person who performed the analysis;

(b) Any findings as to the identity and quantity of alcohol, a drug of abuse, a controlled substance, a metabolite of a controlled substance, or a combination of them that was found;

(c) A copy of a notarized statement by the laboratory director or a designee of the director that contains the name of each certified analyst or test performer involved with the report, the analyst’s or test performer’s employment relationship with the laboratory that issued the report, and a notation that performing an analysis of the type involved is part of the analyst’s or test performer’s regular duties;

(d) An outline of the analyst’s or test performer’s education, training, and experience in performing the type of analysis involved and a certification that the laboratory satisfies appropriate quality control standards in general and, in this particular analysis, under rules of the Department of Health.

(2) Notwithstanding any other provision of law regarding the admission of evidence, a report of the type described in division (F)(1) of this section is not admissible against the defendant or child to whom it pertains in any proceeding, other than a preliminary hearing or a grand jury proceeding, unless the prosecutor has served a copy of the report on the defendant’s or child’s attorney or, if the defendant or child has no attorney, on the defendant or child.

(F)(3) A report of the type described in division (F)(1) of this section shall not be prima facie evidence of the contents, identity, or amount of any substance if, within seven days after the defendant or child to whom the report pertains or the defendant’s or child’s attorney receives a copy of the report, the defendant or child or the defendant’s or child’s attorney demands the testimony of the person who signed the report. The judge in the case may extend the seven-day time limit in the interests of justice.

(G) Except as otherwise provided in this division, any physician, registered nurse, emergency medical technician-intermediate, emergency medical technician-paramedic, or qualified technician, chemist, or phlebotomist who withdraws blood from a person pursuant to this section, R.C. § 1547.111 or any substantially equivalent municipal ordinance, and a hospital, first-aid station, or clinic at which blood is withdrawn from a person pursuant to this section, R.C. § 1547.111 or any substantially equivalent municipal ordinance, is immune from criminal and civil liability based upon a claim of assault and battery or any other claim that is not a claim of malpractice, for any act performed in withdrawing blood from the person. The immunity provided in this division also extends to an emergency medical service organization that employs an emergency medical technician-intermediate or an emergency medical technician-paramedic who withdraws blood under this section. The immunity provided in this division is not available to a person who performs the act of withdrawing blood if the person engages in willful or wanton misconduct.

(H) Division (A)(6) of this section does not apply to a person who operates or is in physical control of a vessel underway or manipulates any water skis, aquaplane, or similar device while the person has a concentration of a listed controlled substance or a listed metabolite of a controlled substance in the person’s whole blood, blood serum or plasma, or urine that equals or exceeds the amount specified in that division, if both of the following apply:

(1) The person obtained the controlled substance pursuant to a prescription issued by a licensed health professional authorized to prescribe drugs.

(2) The person injected, ingested, or inhaled the controlled substance in accordance with the health professional’s directions.

(R.C. § 1547.11) (Rev. 2011)

(J) Whoever violates this section is guilty of a misdemeanor of the first degree and shall be punished as provided in division (J)(1), (J)(2), or (J)(3) of this section.

(1) Except as otherwise provided in division (J)(2) or (J)(3) of this section, the court shall sentence the offender to a jail term of three consecutive days and may sentence the offender pursuant to R.C. § 2929.24 to a longer jail term. In addition, the court shall impose upon the offender a fine of not less than $150 nor more than $1,000. The court may suspend the execution of the mandatory jail term of three consecutive days that it is required to impose by this division (J)(1) if the court, in lieu of the suspended jail term, places the offender under a community control sanction pursuant to R.C. § 2929.25 and requires the offender to attend, for three consecutive days, a drivers’ intervention program that is certified pursuant to R.C. § 5119.38. The court also may suspend the execution of any part of the mandatory jail term of three consecutive days that it is required to impose by this division (J)(1) if the court places the offender under a community control sanction pursuant to R.C. § 2929.25 for part of the three consecutive days; requires the offender to attend, for that part of the three consecutive days, a drivers’ intervention program that is certified pursuant to R.C. § 5119.38; and sentences the offender to a jail term equal to the remainder of the three consecutive days that the offender does not spend attending the drivers’ intervention program. The court may require the offender, as a condition of community control, to attend and satisfactorily complete any treatment or education programs, in addition to the required attendance at a drivers’ intervention program, that the operators of the drivers’ intervention program determine that the offender should attend and to report periodically to the court on the offender’s progress in the programs. The court also may impose any other conditions of community control on the offender that it considers necessary.

(2) If, within six years of the offense, the offender has been convicted of or pleaded guilty to one violation of this section, R.C. § 1547.11 or one other equivalent offense, the court shall sentence the offender to a jail term of ten consecutive days and may sentence the offender pursuant to R.C. § 2929.24 to a longer jail term. In addition, the court shall impose upon the offender a fine of not less than $150 nor more than $1,000. In addition to any other sentence that it imposes upon the offender, the court may require the offender to attend a drivers’ intervention program that is certified pursuant to R.C. § 5119.38.

(3) If, within six years of the offense, the offender has been convicted of or pleaded guilty to more than one violation or offense identified in division (J)(2) of this section, the court shall sentence the offender to a jail term of 30 consecutive days and may sentence the offender to a longer jail term of not more than one year. In addition, the court shall impose upon the offender a fine of not less than $150 nor more than $1,000. In addition to any other sentence that it imposes upon the offender, the court may require the offender to attend a drivers’ intervention program that is certified pursuant to R.C. § 5119.38.

(4) Upon a showing that serving a jail term would seriously affect the ability of an offender sentenced pursuant to division (J)(1), (J)(2), or (J)(3) of this section to continue the offender’s employment, the court may authorize that the offender be granted work release after the offender has served the mandatory jail term of 3, 10, or 30 consecutive days that the court is required by division (J)(1), (J)(2), or (J)(3) of this section to impose. No court shall authorize work release during the mandatory jail term of 3, 10, or 30 consecutive days that the court is required by division (J)(1), (J)(2), or (J)(3) of this section to impose. The duration of the work release shall not exceed the time necessary each day for the offender to commute to and from the place of
employment and the place in which the jail term is served and
the time actually spent under employment.

(5) Notwithstanding any section of the Ohio Revised Code that authorizes the suspension of the imposition or execution of a sentence or the placement of an offender in any treatment program in lieu of being imprisoned or serving a jail term, no court shall suspend the mandatory jail term of ten or 30 consecutive days required to be imposed by division (J)(2) or (J)(3) of this section or place an offender who is sentenced pursuant to division (J)(2) or (J)(3) of this section in any treatment program in lieu of being imprisoned or serving a jail term until after the offender has served the mandatory jail term of ten or 30 consecutive days required to be imposed pursuant to division (J)(2) or (J)(3) of this section. Notwithstanding any section of the Ohio Revised Code that authorizes the suspension of the imposition or execution of a sentence or the placement of an offender in any treatment program in lieu of being imprisoned or serving a jail term, no court, except as specifically authorized by division (J)(1) of this section, shall suspend the mandatory jail term of 3 consecutive days required to be imposed by division (J)(1) of this section or place an offender who is sentenced pursuant to division (J)(1) of this section in any treatment program in lieu of imprisonment until after the offender has served the mandatory jail term of 3 consecutive days required to be imposed pursuant to division (J)(1) of this section.

(R.C. § 1547.99(G))(Rev. 2014)

§ 96.13 IMPLIED CONSENT.

(A) (1) (a) Any person who operates or is in physical control of a vessel or manipulates any water skis, aquaplane, or similar device upon any waters in this municipality shall be deemed to have given consent to a chemical test or tests to determine the alcohol, drug of abuse, controlled substance, metabolite of a controlled substance, or combination content of the person’s whole blood, blood serum or plasma, breath, or urine if arrested for operating or being in physical control of a vessel or manipulating any water skis, aquaplane, or similar device in violation of R.C. § 1547.11 or a substantially equivalent municipal ordinance. The law enforcement agency by which the officer is employed shall designate which test or tests shall be administered.

(2) Any person who is dead or unconscious or who otherwise is in a condition rendering the person incapable of refusal shall be deemed to have consented as provided in division (A)(1) of this section, and the test or tests may be administered, subject to R.C. §§ 313.12 through 313.16.

(B) (1) If a law enforcement officer arrests a person for operating or being in physical control of a vessel or manipulating any water skis, aquaplane, or similar device in violation of R.C. § 1547.11 or a substantially equivalent municipal ordinance and if the person previously has been convicted of or pleaded guilty to two or more violations of R.C. § 1547.11 or other equivalent offenses, the law enforcement officer shall request the person to submit, and the person shall submit, to a chemical test or tests of the person’s whole blood, blood serum or plasma, breath, or urine for the purpose of determining the alcohol, drug of abuse, controlled substance, metabolite of a controlled substance, or combination content of the person’s whole blood, blood serum or plasma, breath, or urine. A law enforcement officer who makes a request pursuant to this division that a person submit to a chemical test or tests is not required to advise the person of the consequences of refusing to submit to the test or tests and is not required to give the person the form described in division (C) of this section, but the officer shall advise the person at the time of the arrest that if the person refuses to take a chemical test the officer may employ whatever reasonable means are necessary to ensure that the person submits to a chemical test of the person’s whole blood or blood serum or plasma. The officer shall also advise the person at the time of the arrest that the person may have an independent chemical test taken at the person’s own expense. The advice shall be in written form prescribed by the Chief of the Division of Watercraft and shall be read to the person. The form shall contain a statement that the form was shown to the person under arrest and read to the person by the arresting officer. The reading of the form shall be witnessed by one or more persons, and the witnesses shall certify to this fact by signing the form. Divisions (A)(1)(b) and (A)(2) of this section apply to the administration of a chemical test or tests pursuant to this division.

(2) If a person refuses to submit to a chemical test upon a request made pursuant to division (B)(1) of this section, the law enforcement officer who made the request may employ whatever reasonable means are necessary to ensure that the person submits to a chemical test of the person’s whole blood or blood serum or plasma. A law enforcement officer who acts pursuant to this division to ensure that a person submits to a chemical test of the person’s whole blood or blood serum or plasma is immune from criminal and civil liability based upon a claim for assault and battery or any other claim for the acts, unless the officer so acted with malicious purpose, in bad faith, or in a wanton or reckless manner.
(C) Except as provided in division (B) of this section, any person under arrest for violating R.C. § 1547.11 or a substantially equivalent municipal ordinance shall be advised of the consequences of refusing to submit to a chemical test or tests designated as provided in division (A) of this section. The advice shall be in a written form prescribed by the Chief of the Division of Watercraft and shall be read to the person. The form shall contain a statement that the form was shown to the person under arrest and read to the person by the arresting officer. The reading of the form shall be witnessed by one or more persons, and the witnesses shall certify to this fact by signing the form. The person must submit to the chemical test or tests, subsequent to the request of the arresting officer, within two hours of the time of the alleged violation, and if the person does not submit to the test or tests within that two-hour time limit, the failure to submit automatically constitutes a refusal to submit to the test or tests.

(D) (1) Except as provided in division (B) of this section, if a law enforcement officer asks a person under arrest for violating R.C. § 1547.11 or a substantially equivalent municipal ordinance to submit to a chemical test or tests as provided in division (A) of this section, if the arresting officer advises the person of the consequences of the person’s refusal as provided in division (C) of this section, and the person refuses to submit, no chemical test shall be given. Upon receipt of a sworn statement of the officer that the arresting law enforcement officer had reasonable grounds to believe the arrested person violated R.C. § 1547.11 or a substantially equivalent municipal ordinance and that the person refused to submit to the chemical test upon the request of the officer, and upon receipt of the form as provided in division (C) of this section certifying that the arrested person was advised of the consequences of the refusal, the Chief of the Division of Watercraft shall inform the person by written notice that the person is prohibited from operating or being in physical control of a vessel, from manipulating any water skis, aquaplane, or similar device, and from registering any watercraft in accordance with R.C. § 1547.54, for one year following the date of the alleged violation. The suspension of these operation, physical control, manipulation, and registration privileges shall continue for the entire one-year period, subject to review as provided in this section.

(2) If the person under arrest is the owner of the vessel involved in the alleged violation, the law enforcement officer who arrested the person shall seize the watercraft registration certificate and tags from the vessel involved in the violation and forward them to the Chief of the Division of Watercraft. The Chief of the Division of Watercraft shall retain the impounded registration certificate and tags and shall impound all other registration certificates and tags issued to the person in accordance with R.C. §§ 1547.54 and 1547.57, for a period of one year following the date of the alleged violation, subject to review as provided in this section.

(3) If the arrested person fails to surrender the registration certificate because it is not on the person of the arrested person or in the watercraft, the law enforcement officer who made the arrest shall order the person to surrender it within 24 hours to the law enforcement officer or the law enforcement agency that employs the law enforcement officer. If the person fails to do so, the law enforcement officer shall notify the Chief of the Division of Watercraft of that fact in the statement the officer submits to the Chief of the Division of Watercraft under this division.

(E) Upon suspending a person’s operation, physical control, manipulation, and registration privileges in accordance with division (D) of this section, the Chief of the Division of Watercraft shall notify the person in writing, at the person’s last known address, and inform the person that the person may petition for a hearing in accordance with division (F) of this section. If a person whose operation, physical control, manipulation, and registration privileges have been suspended petitions for a hearing or appeals any adverse decision, the suspension shall begin at the termination of any hearing or appeal unless the hearing or appeal results in a decision favorable to the person.

(F) (1) Any person who has been notified by the Chief of the Division of Watercraft that the person is prohibited from operating or being in physical control of a vessel or manipulating any water skis, aquaplane, or similar device and from registering any watercraft in accordance with R.C. § 1547.54, or who has had the registration certificate and tags of the person’s watercraft impounded pursuant to division (D) of this section, within 20 days of the notification or impoundment, may file a petition in the municipal court or the county court, or if the person is a minor in juvenile court, with jurisdiction over the place at which the arrest occurred, agreeing to pay the cost of the proceedings and alleging error in the action taken by the Chief of the Division of Watercraft under division (D) of this section or alleging one or more of the matters within the scope of the hearing as provided in this section, or both. The petitioner shall notify the Chief of the Division of Watercraft of the filing of the petition and send the Chief of the Division of Watercraft a copy of the petition.

(2) The scope of the hearing is limited to the issues of whether the law enforcement officer had reasonable grounds to believe the petitioner was operating or in physical control of a vessel or manipulating any water skis, aquaplane, or similar device in violation of R.C. § 1547.11 or a substantially equivalent municipal ordinance, whether the petitioner was placed under arrest, whether the petitioner refused to submit to the chemical test upon request of the officer, and whether the petitioner was advised of the consequences of the petitioner’s refusal.

(G) (1) The Chief of the Division of Watercraft shall furnish the court a copy of the affidavit as provided in division (C) of this section and any other relevant information requested by the court.

(2) In hearing the matter and in determining whether the person has shown error in the decision taken by the Chief of the Division of Watercraft as provided in division (D) of this section, the court shall decide the issue upon the relevant, competent, and material evidence submitted by the Chief of the Division of Watercraft or the person whose operation, physical control, manipulation, and
registration privileges have been suspended. In the proceedings, the Chief of the Division of Watercraft shall be represented by the prosecuting attorney of the county in which the petition is filed if the petition is filed in a county court or juvenile court, except that if the arrest occurred within a city or village within the jurisdiction of the county court in which the petition is filed, the city director of law or village solicitor of that city or village shall represent the Chief of the Division of Watercraft. If the petition is filed in the municipal court, the Chief of the Division of Watercraft shall be represented as provided in R.C. § 1901.34.

Upon presentation of a copy of the affidavit by the marine salvage dealer or other facility, the Clerk of Courts shall issue to such owner a salvage certificate of title, free and clear of all liens and encumbrances.

(4) Whenever the marine salvage dealer or other facility receives an affidavit for the disposal of a vessel or outboard motor as provided in this division (B), such owner shall not be required to obtain an Ohio certificate of title to the vessel or motor in the owner’s name if the vessel or motor is dismantled or destroyed and both copies of the affidavit are delivered to the Clerk of Courts. Upon receipt of such an affidavit, the Clerk of Courts shall send one copy of it to the Chief of the Division of Watercraft. (R.C. § 1547.301)

(2) Any moneys accruing from the disposition of an unclaimed vessel or motor that are in excess of the expenses resulting from the removal and storage of the vessel or motor shall be credited to the General Revenue Fund or to the General Fund of the county, municipality, township, or other political subdivision, as appropriate.

It has been left on private property for at least 72 hours without the permission of the person having the right to the possession of the property; left in a sunken, beached, or drifting condition for any period of time; or left in a docked condition, on a public street or other property open to the public, or upon or within the right-of-way of any waterway, road, or highway, for 48 hours or longer without notification to the County Sheriff, the Chief of Police, or other chief of a law enforcement agency having territorial jurisdiction with respect to the location of the vessel or motor, of the reasons for leaving the vessel or motor in any such place or condition;

§ 96.32 EXHAUST MUFFLER REQUIRED; NOISE LEVELS; EXCEPTIONS.

(A) Every powercraft operated on the waters in this municipality shall be equipped at all times with a muffler or a muffler system that is in good working order, in constant operation, and effectively installed to prevent excessive or unusual noise.

(B) (1) No person shall operate or give permission for the operation of a powercraft on the waters in this municipality in such a manner as to exceed a noise level of 90 decibels on the “A” scale when subjected to a stationary sound level test as prescribed by SAE J2005.

Measurement of a noise level of not more than 75 decibels on the “A” scale of a powercraft in operation does not preclude the conducting of a stationary sound level test as prescribed by SAE J2005.

(E) Abandonment of vessel or motor without notice to law enforcement official prohibited.

(1) No person shall purposely leave an abandoned junk vessel or outboard motor on private property for more than 72 hours without the permission of the person having the right to the possession of the property; in a sunken, beached, or drifting condition for any period of time; or in a docked condition, on a public street or other property open to the public, or upon or within the right-of-way of any waterway, road, or highway, for 48 hours or longer without notification to the County Sheriff, Chief of Police or other chief of a law enforcement agency having territorial jurisdiction with respect to the location of the vessel or motor, of the reasons for leaving the vessel or motor in any such place or condition.

(2) For purposes of this division (E), the fact that an abandoned junk vessel or outboard motor has been so left without permission or notification is prima facie evidence of abandonment.

(2) That the operator or employee made a bona fide effort to ascertain the true age of the individual obtaining a tattooing, body piercing, or ear piercing service by checking the identification presented, at the time of the service, to ascertain that the description on the identification compared with the appearance of the individual and that the identification had not been altered in any way;

(3) That the operator or employee had reason to believe that the individual obtaining a tattooing, body piercing, or ear piercing service was at least age 18.

(B) In any hearing before the Board of Health and in any action or proceeding before a court of record in which a defense is raised under this section, the Registrar of Motor Vehicles or the Registrar’s deputy who issued a driver’s or commercial driver’s license or an identification card under R.C. §§ 4507.50 through 4507.52 shall be permitted to submit certified copies of the records, in the Registrar’s or deputy’s possession, of such issuance in lieu of the testimony of the personnel of the Bureau of Motor Vehicles at such hearing, action or proceeding.
(R.C. § 3730.08) (Rev. 1998)

§ 114.09 TRAINING STANDARDS; RECORDS; SAFETY AND SANITATION; EQUIPMENT.

(A) Each operator of a business that offers tattooing or body piercing services shall do all of the following:

(1) Maintain procedures for ensuring that the individuals who perform tattooing or body piercing procedures are adequately trained to perform the procedures properly;
(2) With respect to tattooing services, maintain written records that include the color, manufacturer and lot number of each pigment used for each tattoo performed;

(3) Comply with the safety and sanitation requirements for preventing transmission of infectious diseases, as established in rules adopted under R.C. § 3730.10;

(4) Ensure that all invasive equipment or parts of equipment used in performing tattooing and body piercing procedures are disinfected and sterilized by using methods that meet the disinfection and sterilization requirements established in rules adopted under R.C. § 3730.10;

(5) Ensure that weekly tests of the business’s heat sterilization devices are performed to determine whether the devices are functioning properly. In having the devices tested, the operator of the business shall use a biological monitoring system that indicates whether the devices are killing microorganisms. If a test indicates that a device is not functioning properly, the operator shall take immediate remedial action to ensure that heat sterilization is being accomplished. The operator shall maintain documentation that the weekly tests are being performed. To comply with the documentation requirement, the documents must consist of a log that indicates the date on which each test is performed and the name of the person who performed the test or, if a test was conducted by an independent testing entity, a copy of the entity’s testing report. The operator shall maintain records of each test performed for at least two years.

(B) Each operator of a business that offers ear piercing services performed with an ear piercing gun shall require the individuals who perform the ear piercing services to disinfect and sterilize the ear piercing gun by using chemical solutions that meet the disinfection and sterilization requirements established in rules adopted under R.C. § 3730.10.

CHAPTER 130: GENERAL PROVISIONS

§ 130.01 APPLICATION OF TITLE XIII.

(A) Title XIII of this code of ordinances embodies and
prescribes penalties for offenses against the municipality not
classifiable in previous titles and chapters. The word

such.

(B) Each act or omission for which a fine,
imprisonment, or both is provided under this Title or
elsewhere in this code, or each act or omission which is
declared a violation of this code, is unlawful and is hereby
made a misdemeanor. Upon conviction, the penalty or
penalties so provided shall be imposed by the court.

(b) For a misdemeanor other than a minor misdemeanor, two years;

(c) For a minor misdemeanor, six months.

(2) There is no period of limitation for the prosecution of a violation of R.C. § 2903.01 or R.C. § 2903.02.

(3) Except as otherwise provided in divisions (B) through (J) of this section, a prosecution of any of the following offenses shall be barred unless it is commenced within 20 years after the offense is committed:

(a) A violation of R.C. § 2903.03, 2903.04, 2905.01, 2905.32, 2907.04, 2907.05, 2907.21, 2909.02, 2909.22, 2909.23, 2909.24, 2909.26, 2909.27, 2909.28, 2909.29, 2911.01, 2911.02, 2911.11, 2911.12, or 2917.02, a violation of R.C. § 2903.11 or 2903.12 if the victim is a peace officer, a violation of R.C. § 2903.13 that is a felony, or a violation of former R.C. § 2907.12.

(b) A conspiracy to commit, attempt to commit, or complicity in committing a violation set forth in division (A)(3)(a) of this section.

(4) Except as otherwise provided in divisions (D) to (L) of this section, a prosecution of a violation of R.C. § 2907.02 or 2907.03 or a conspiracy to commit, attempt to commit, or complicity in committing a violation of either section shall be barred unless it is commenced within 25 years after the offense is committed.

(B) (1) Except as otherwise provided in division (B)(2) of this section, if the period of limitation provided in division (A)(1) or (A)(3) of this section has expired, prosecution shall be commenced for an offense of which an element is fraud or breach of fiduciary duty within one year after discovery of the offense either by an aggrieved person or by the aggrieved person’s legal representative who is not a party to the offense.

(2) If the period of limitation provided in division (A)(1) or (A)(3) of this section has expired, prosecution for a violation of R.C. § 2913.49 shall be commenced within five years after discovery of the offense either by an aggrieved person or the aggrieved person’s legal representative who is not a party to the offense.

(C) (1) If the period of limitation provided in division (A)(1) or (A)(3) of this section has expired, prosecution shall be commenced for the following offenses during the following specified periods of time:

(a) For an offense involving misconduct in office by a public servant at any time while the accused remains a public servant, or within two years thereafter;

(b) For an offense by a person who is not a public servant but whose offense is directly related to the misconduct in office of a public servant, at any time while that public servant remains a public servant, or within two years thereafter.

(2) As used in this division:

OFFENSE IS DIRECTLY RELATED TO THE MISCONDUCT IN OFFICE OF A PUBLIC SERVANT. The phrase includes but is not limited to a violation of R.C. § 101.71, 101.91, 121.61 or 2921.13, 102.03(F) or (H), 2921.02(A), 2921.43(A) or (B), or 3517.13(F) or (G), that is directly related to an offense involving misconduct in office of a public servant, or a violation of any municipal ordinance substantially equivalent to those Ohio Revised Code sections listed in this division (C)(2).

PUBLIC SERVANT. Has the same meaning as in R.C. § 2921.01.

(D) (1) If a DNA record made in connection with the criminal investigation of the commission of a violation of R.C. § 2907.02 or 2907.03 is determined to match another DNA record that is of an identifiable person and if the time of the determination is later than 25 years after the offense is committed, prosecution of that person for a violation of the section may be commenced within five years after the determination is complete.
(2) If a DNA record made in connection with the criminal investigation of the commission of a violation of R.C. §2907.02 or 2907.03 of the Revised Code is determined to match another DNA record that is of an identifiable person and if the time of the determination is within 25 years after the offense is committed, prosecution of that person for a violation of the section may be commenced within the longer of 25 years after the offense is committed or five years after the determination is complete.

(3) As used in this division, DNA RECORD has the same meaning as in R.C. §109.573.

(E) An offense is committed when every element of the offense occurs. In the case of an offense of which an element is a continuing course of conduct, the period of limitation does not begin to run until such course of conduct or the accused’s accountability for it terminates, whichever occurs first.

(F) A prosecution is commenced on the date an indictment is returned or an information filed, or on the date a lawful arrest without a warrant is made, or on the date a warrant, summons, citation, or other process is issued, whichever occurs first. A prosecution is not commenced by the return of an indictment or the filing of an information unless reasonable diligence is exercised to issue and execute process on the same. A prosecution is not commenced upon issuance of a warrant, summons, citation, or other process unless reasonable diligence is exercised to execute the same.

(G) The period of limitation shall not run during any time when the corpus delicti remains undiscovered.

(H) The period of limitation shall not run during any time when the accused purposely avoids prosecution. Proof that the accused departed this municipality or conceals the accused’s identity or whereabouts is prima facie evidence of the accused’s purpose to avoid prosecution.

(I) The period of limitation shall not run during any time a prosecution against the accused based on the same conduct is pending in this state, even though the indictment, information, or process that commenced the prosecution is quashed or the proceedings on the indictment, information, or process are set aside or reversed on appeal.

(J) The period of limitation for a violation of this Title XIII or Title XXIX of the Ohio Revised Code that involves a physical or mental wound, injury, disability, or condition of a nature that reasonably indicates abuse or neglect of a child under 18 years of age or of a mentally retarded, developmentally disabled, or physically impaired child under 21 years of age shall not begin to run until either of the following occurs:

(1) The victim of the offense reaches the age of majority.

(2) A public children services agency, or a municipal or county peace officer that is not the parent or guardian of the child, in the county in which the child resides or in which the abuse or neglect is occurring or has occurred has been notified that abuse or neglect is known, suspected, or believed to have occurred.

(K) As used in this section, PEACE OFFICER has the same meaning as in R.C. §2935.01.

(L) The amendments to divisions (A) and (D) of this section apply to a violation of R.C. §2907.02 or 2907.03 committed on and after July 16, 2015 and apply to a violation of either of those sections committed prior to July 16, 2015 if prosecution for that violation was not barred under this section as it existed on July 15, 2015.

(R.C. § 2901.13) (Rev. 2016)

Limitation for income tax violations, see R.C. § 718.12

§ 130.07 REQUIREMENTS FOR CRIMINAL LIABILITY; VOLUNTARY INTOXICATION.

(A) Except as provided in division (B) of this section, a person is not guilty of an offense unless both of the following apply:

(1) The person’s liability is based on conduct that includes either a voluntary act, or an omission to perform an act or duty that the person is capable of performing;

(2) The person has the requisite degree of culpability for each element as to which a culpable mental state is specified by the language defining the offense.

(B) When the language defining an offense does not specify any degree of culpability, and plainly indicates a purpose to impose strict criminal liability for the conduct described in the section, then culpability is not required for a person to be guilty of the offense. The fact that one division of a section plainly indicates a purpose to impose strict liability for an offense defined in that division does not by itself plainly indicate a purpose to impose strict criminal liability for an offense defined in other divisions of the section that do not specify a degree of culpability.

(C) (1) When language defining an element of an offense that is related to knowledge or intent or to which mens rea could fairly be applied neither specifies culpability nor plainly indicates a purpose to impose strict liability, the element of the offense is established only if a person acts recklessly.

(2) Division (C)(1) of this section does not apply to offenses defined in R.C. Title XLV.

(3) Division (C)(1) of this section does not relieve the prosecution of the burden of proving the culpable mental state required by any definition incorporated into the offense.

(D) Voluntary intoxication may not be taken into consideration in determining the existence of a mental state that is an element of a criminal offense. Voluntary
intoxication does not relieve a person of a duty to act if failure to act constitutes a criminal offense. Evidence that a person was voluntarily intoxicated may be admissible to show whether or not the person was physically capable of performing the act with which the person is charged.

(E) As used in this section:

**CULPABILITY.** Means purpose, knowledge, recklessness, or negligence, as defined in R.C. § 2901.22.

**INTOXICATION.** Includes but is not limited to intoxication resulting from the ingestion of alcohol, a drug, or alcohol and a drug.

**IN VOLUNTARY ACTS.** Means reflexes, convulsions, body movements during unconsciousness or sleep, and body movements that are not otherwise a product of the actor’s volition are involuntary acts.

**POSSESSION.** Means a voluntary act if the possessor knowingly procured or received the thing possessed, or was aware of the possessor’s control of the thing possessed for a sufficient time to have ended possession.

(R.C. § 2901.21) (Rev. 2016)

§ 130.08 CULPABLE MENTAL STATES.

(A) A person acts purposely when it is the person’s specific intention to cause a certain result, or, when the gist of the offense is a prohibition against conduct of a certain nature, regardless of what the offender intends to accomplish thereby, it is the offender’s specific intention to engage in conduct of that nature.

(B) A person acts knowingly, regardless of purpose, when the person is aware that the person’s conduct will probably cause a certain result or will probably be of a certain nature. A person has knowledge of circumstances when the person is aware that such circumstances probably exist. When knowledge of the existence of a particular fact is an element of an offense, such knowledge is established if a person subjectively believes that there is a high probability of its existence and fails to make inquiry or acts with a conscious purpose to avoid learning the fact.

(C) A person acts recklessly when, with heedless indifference to the consequences, the person disregards a substantial and unjustifiable risk that the person’s conduct is likely to cause a certain result or is likely to be of a certain nature. A person is reckless with respect to circumstances when, with heedless indifference to the consequences, the person disregards a substantial and unjustifiable risk that such circumstances are likely to exist.

(D) A person acts negligently when, because of a substantial lapse from due care, the person fails to perceive or avoid a risk that the person’s conduct may cause a certain result or may be of a certain nature. A person is negligent with respect to circumstances when, because of a substantial lapse from due care, the person fails to perceive or avoid a risk that such circumstances may exist.

(E) When the section defining an offense provides that negligence suffices to establish an element thereof, then recklessness, knowledge, or purpose is also sufficient culpability for such element. When recklessness suffices to establish an element of an offense, then knowledge or purpose is also sufficient culpability for such element. When knowledge suffices to establish an element of an offense, then purpose is also sufficient culpability for such element.

(R.C. § 2901.22) (Rev. 2016)

§ 130.09 ORGANIZATIONAL CRIMINAL LIABILITY.

(A) An organization may be convicted of an offense under any of the following circumstances:

1. The offense is a minor misdemeanor committed by an officer, agent, or employee of the organization acting in its behalf and within the scope of the officer’s, agent’s, or employee’s office or employment, except that if the section defining the offense designates the officers, agents, or employees for whose conduct the organization is accountable or the circumstances under which it is accountable, those provisions shall apply.

(B) If strict liability is imposed for the commission of an offense, its commission was authorized, requested, commanded, tolerated, or performed by the board of directors, trustees, partners, or by a high managerial officer, agent, or employee acting in behalf of the organization and within the scope of such a board’s or person’s office or employment.

(C) In a prosecution of an organization for an offense other than one for which strict liability is imposed, it is a defense that the high managerial officer, agent, or employee having supervisory responsibility over the subject matter of the offense exercised due diligence to prevent its commission. This defense is not available if it plainly appears inconsistent with the purpose of the section defining the offense.
(D) As used in this section, **ORGANIZATION** means a corporation for profit or not for profit, partnership, limited partnership, joint venture, unincorporated nonprofit association, estate, trust, or other commercial or legal entity. The term does not include an entity organized as or by a governmental agency for the execution of a governmental program.

(R.C. § 2901.23) (Rev. 2013)

§ 130.10 PERSONAL ACCOUNTABILITY FOR ORGANIZATIONAL CONDUCT.

(A) An officer, agent, or employee of an organization, as defined in R.C. § 2901.23, may be prosecuted for an offense committed by such organization, if he or she acts with the kind of culpability required for the commission of the offense, and any of the following apply:

(1) In the name of the organization or in its behalf, he or she engages in conduct constituting the offense, or causes another to engage in such conduct, or tolerates such conduct when it is of a type for which he or she has direct responsibility;

(2) He or she has primary responsibility to discharge a duty imposed on the organization by law, and such duty is not discharged.

(B) When a person is convicted of an offense by reason of this section, he or she is subject to the same penalty as if he or she had acted in his or her own behalf.

(R.C. § 2901.24) (Rev. 1999)

§ 130.11 ATTEMPT.

(A) No person, purposely or knowingly, and when purpose or knowledge is sufficient culpability for the commission of an offense, shall engage in conduct that, if successful, would constitute or result in the offense.

(B) It is no defense to a charge under this section that, in retrospect, commission of the offense that was the object of the attempt was either factually or legally impossible under the attendant circumstances, if that offense could have been committed had the attendant circumstances been as the actor believed them to be.

(C) No person who is convicted of committing a specific offense, of complicity in the commission of an offense, or of conspiracy to commit an offense, shall be convicted of an attempt to commit the same offense in violation of this section.

(D) It is an affirmative defense to a charge under this section that the actor abandoned his or her effort to commit the offense or otherwise prevented its commission, under circumstances manifesting a complete and voluntary renunciation of his or her criminal purpose.

(E) (1) Whoever violates this section is guilty of an attempt to commit an offense. An attempt to commit aggravated murder, murder, or an offense for which the maximum penalty is imprisonment for life is a felony of the first degree, to be prosecuted under appropriate state law. An attempt to commit a drug abuse offense for which the penalty is determined by the amount or number of unit doses of the controlled substance involved in the drug abuse offense is an offense of the same degree as the drug abuse offense attempted would be if that drug abuse offense had been committed and had involved an amount or number of unit doses of the controlled substance that is within the next lower range of controlled substance amounts than was involved in the attempt. An attempt to commit any other offense is an offense of the next lesser degree than the offense attempted. In the case of an attempt to commit an offense other than a violation of R.C. Chapter 3734 that is not specifically classified, an attempt is a misdemeanor of the first degree if the offense attempted is a felony, and a misdemeanor of the fourth degree if the offense attempted is a misdemeanor. In the case of an attempt to commit a violation of any provision of R.C. Chapter 3734, other than R.C. § 3734.18, that relates to hazardous wastes, an attempt is a felony to be prosecuted under appropriate state law. An attempt to commit a minor misdemeanor, or to engage in conspiracy, is not an offense under this section.

(2) In addition to any other sanctions imposed pursuant to division (E)(1) of this section for an attempt to commit aggravated murder or murder in violation of division (A) of this section, if the offender used a motor vehicle as the means to attempt to commit the offense, the court shall impose upon the offender a class two suspension of the offender’s driver’s license, commercial driver’s license, temporary instruction permit, probationary license, or nonresident operating privilege as specified in R.C. § 4510.02(A)(2).

(3) If a person is convicted of or pleads guilty to attempted rape and also is convicted of or pleads guilty to a specification of the type described in R.C. § 2941.1418, 2941.1419, or 2941.1420, the offender shall be sentenced to a prison term or term of life imprisonment pursuant to R.C. § 2971.03.

(F) As used in this section:

**DRUG ABUSE OFFENSE.** Has the same meaning as in R.C. § 2925.01.

**MOTOR VEHICLE.** Has the same meaning as in R.C. § 4501.01.

§ 130.12  COMPLICITY.

(A) No person, acting with the kind of culpability required for the commission of an offense, shall do any of the following:

(1) Solicit or procure another to commit the offense;

(2) Aid or abet another in committing the offense;

(3) Conspire with another to commit the offense in violation of R.C. § 2923.01;

(4) Cause an innocent or irresponsible person to commit the offense.

(B) It is no defense to a charge under this section that no person with whom the accused was in complicity has been convicted as a principal offender.

(C) No person shall be convicted of complicity under this section unless an offense is actually committed, but a person may be convicted of complicity in an attempt to commit an offense in violation of R.C. § 2923.02 or a substantially equivalent municipal ordinance.

(D) If an alleged accomplice of the defendant testifies against the defendant in a case in which the defendant is charged with complicity in the commission of or an attempt to commit an offense, the court shall charge the jury in accordance with R.C. § 2923.03(D).

(E) It is an affirmative defense to a charge under this section that, prior to the commission of or attempt to commit the offense, the actor terminated his or her complicity, under circumstances manifesting a complete and voluntary renunciation of his or her criminal purpose.

(F) Whoever violates this section is guilty of complicity in the commission of an offense, and shall be prosecuted and punished as if he or she were a principal offender. A charge of complicity may be stated in terms of this section, or in terms of the principal offense.

§ 130.13  PRESUMPTION OF INNOCENCE; PROOF OF OFFENSE; AFFIRMATIVE DEFENSE.

(A) Every person accused of an offense is presumed innocent until proven guilty beyond a reasonable doubt, and the burden of proof for all elements of the offense is upon the prosecution. The burden of going forward with the evidence of an affirmative defense, and the burden of proof by a preponderance of the evidence, for an affirmative defense, is upon the accused.

(B) (1) Subject to division (B)(2) of this section, a person is presumed to have acted in self defense or defense of another when using defensive force that is intended or likely to cause death or great bodily harm to another if the person against whom the defensive force is used is in the process of unlawfully and without privilege to do so entering, or has unlawfully and without privilege to do so entered, the residence or vehicle occupied by the person using the defensive force.

(2) (a) The presumption set forth in division (B)(1) of this section does not apply if the person against whom the defensive force is used has a right to be in, or is a lawful resident of, the residence or vehicle.

(b) The presumption set forth in division (B)(1) of this section does not apply if the person who uses the defensive force uses it while in a residence or vehicle and the person is unlawfully, and without privilege to be, in that residence or vehicle.

(C) As part of its charge to the jury in a criminal case, the court shall read the definitions of “reasonable doubt” and “proof beyond a reasonable doubt”, contained in division (D) of this section.

(D) As used in this section:

AFFIRMATIVE DEFENSE. An affirmative defense is either of the following:

(a) A defense expressly designated as affirmative;

(b) A defense involving an excuse or justification peculiarly within the knowledge of the accused, on which the accused can fairly be required to adduce supporting evidence.

DWELLING. Means a building or conveyance of any kind that has a roof over it and that is designed to be occupied by people lodging in the building or conveyance at night, regardless of whether the building or conveyance is temporary or permanent or is mobile or immobile. As used in this division, a building or conveyance includes but is not limited to an attached porch, and a building or conveyance with a roof over it includes but is not limited to a tent.

PROOF BEYOND A REASONABLE DOUBT.
Proof of such character that an ordinary person would be willing to rely and act upon it in the most important of the person’s own affairs.

REASONABLE DOUBT. Reasonable doubt is present when the jurors, after they have carefully considered and compared all the evidence, cannot say they are firmly convinced of the truth of the charge. It is a doubt based on reasonable and common sense. The term is not mere possible
doubt, because everything relating to human affairs or depending on moral evidence is open to some possible or imaginary doubt.

RESIDENCE. Means a dwelling in which a person resides either temporarily or permanently or is visiting as a guest.

VEHICLE. Means a conveyance of any kind, whether or not motorized, that is designed to transport people or property.

§ 130.13

§ 130.14 BATTERED WOMAN SYNDROME.

(A) The municipality hereby declares that it recognizes both of the following, in relation to the “battered woman syndrome”: that the syndrome currently is a matter of commonly accepted scientific knowledge, and that the subject matter and details of the syndrome are not within the general understanding or experience of a person who is a member of the general populace and are not within the field of common knowledge.

(B) If a person is charged with an offense involving the use of force against another and the person, as a defense to the offense charged, raises the affirmative defense of self defense, the person may introduce expert testimony of the “battered woman syndrome” and expert testimony that the person suffered from that syndrome as evidence to establish the requisite belief of an imminent danger of death or great bodily harm that is necessary, as an element of the affirmative defense, to justify the person’s use of force in question. The introduction of any expert testimony under this division shall be in accordance with the Ohio Rules of Evidence.

(R.C. § 2901.06)

§ 130.15 DELINQUENCY ADJUDICATIONS DEEMED CONVICTIONS.

(A) If a person is alleged to have committed an offense and if the person previously has been adjudicated a delinquent child or juvenile traffic offender for a violation of a law or ordinance, except as provided in division (B) of this section, the adjudication as a delinquent child or as a juvenile traffic offender is a conviction for a violation of the law for purposes of determining the offense with which the person should be charged and, if the person is convicted of or pleads guilty to an offense, the sentence to be imposed upon the person relative to the conviction or guilty plea.

(B) A previous adjudication of a person as a delinquent child or juvenile traffic offender for a violation of a law or ordinance is not a conviction for a violation of the law or ordinance for purposes of determining whether the person is a repeat violent offender, as defined in R.C. § 2929.01, or whether the person should be sentenced as a repeat violent offender under R.C. § 2929.14(B)(2) and R.C. § 2941.149. (R.C. § 2901.08) (Rev. 2012)

§ 130.16 CRIMINAL LAW JURISDICTION.

(A) A person is subject to criminal prosecution and punishment in this municipality if any of the following occur:

1. The person commits an offense under the laws of this municipality, any element of which takes place in this municipality;

2. While in this municipality, the person attempts to commit, or is guilty of complicity in the commission of, an offense in another jurisdiction, which offense is an offense under both the laws of this municipality and the other jurisdiction, or, while in this municipality, the person conspires to commit an offense in another jurisdiction, which offense is an offense under both the laws of this municipality and the other jurisdiction, and a substantial overt act in furtherance of the conspiracy is undertaken in this municipality by the person or another person involved in the conspiracy, subsequent to the person’s entrance into the conspiracy. In any case in which a person attempts to commit, is guilty of complicity in the commission of, or conspires to commit an offense in another jurisdiction as described in this division, the person is subject to criminal prosecution and punishment in this municipality for the attempt, complicity, or conspiracy, and for any resulting offense that is committed or completed in the other jurisdiction;

3. While out of this municipality, the person conspires or attempts to commit, or is guilty of complicity in the commission of, an offense in this municipality;

4. While out of this municipality, the person omits to perform a legal duty imposed by the laws of this municipality, which omission affects a legitimate interest of the municipality in protecting, governing or regulating any person, property, thing, transaction, or activity in this municipality;

5. While out of this municipality, the person unlawfully takes or retains property and subsequently brings any of the unlawfully taken or retained property into this municipality;

6. While out of this municipality, the person unlawfully takes or entices another person and subsequently brings the other person into this municipality;

7. The person, by means of a computer, computer system, computer network, telecommunication, telecommunications device, telecommunications service, or information service, causes or knowingly permits any writing, data, image or other telecommunication to be disseminated or transmitted into this municipality in violation of the law of this state or municipality.

(B) In homicide, the element referred to in division (A)(1) of this section includes the act that causes death, the physical contact that causes death, the death itself, or any other element that is set forth in the offense in question. If any part of the body of a homicide victim is found in this
municipality, the death is presumed to have occurred within this municipality.

(C) (1) This municipality includes the land and water within its boundaries and the air space above that land and water, with respect to which this municipality has either exclusive or concurrent legislative jurisdiction. Where the boundary between this municipality and another jurisdiction is disputed, the disputed territory is conclusively presumed to be within this municipality for purposes of this section.

(2) The courts of common pleas of Adams, Athens, Belmont, Brown, Clermont, Columbiana, Gallia, Hamilton, Jefferson, Lawrence, Meigs, Monroe, Scioto, and Washington counties have jurisdiction beyond the north or northwest shore of the Ohio River extending to the opposite shore line, between the extended boundary lines of any adjacent counties or adjacent state. Each of those courts of common pleas has concurrent jurisdiction on the Ohio River with any adjacent court of common pleas that borders on that river and with any court of Kentucky or of West Virginia that borders on the Ohio River and that has jurisdiction on the Ohio River under the law of Kentucky or the law of West Virginia, whichever is applicable, or under federal law.

(D) When an offense is committed under the laws of this municipality, and it appears beyond a reasonable doubt that the offense or any element of the offense took place either in this municipality or in another jurisdiction or jurisdictions, but it cannot reasonably be determined in which it took place, the offense or element is conclusively presumed to have taken place in this municipality for purposes of this section.

(E) When a person is subject to criminal prosecution and punishment in this municipality for an offense committed or completed outside this municipality, the person is subject to all specifications for that offense that would be applicable if the offense had been committed within this municipality.

(F) Any act, conduct, or element that is a basis of a person being subject under this section to criminal prosecution and punishment in this municipality need not be committed personally by the person as long as it is committed by another person who is in complicity or conspiracy with the person.

(G) This section shall be liberally construed, consistent with constitutional limitations, to allow this municipality the broadest possible jurisdiction over offenses and persons committing offenses in, or affecting, this municipality.

(H) For purposes of division (A)(2) of this section, an overt act is substantial when it is of a character that manifests a purpose on the part of the actor that the object of the conspiracy should be completed.

(b) This section does not apply to the custody and disposal of any of the following:

1. Vehicles subject to forfeiture under R.C. Title 45, except as provided in division (B)(1)(f) of this section;

2. Abandoned junk motor vehicles or other property of negligible value;

3. Property held by a department of rehabilitation and correction institution that is unclaimed, that does not have an identified owner, that the owner agrees to dispose of, or that is identified by the department as having little value;

4. Animals taken, and devices used in unlawfully taking animals, under R.C. § 1531.20;

5. Controlled substances sold by a peace officer in the performance of the officer’s official duties under R.C. § 3719.141;

(2) (a) The Police Department shall adopt and comply with a written internal control policy that does all of the following:

1. Provides for keeping detailed records as to the amount of property acquired by the Police Department and the date property was acquired;
2. Provides for keeping detailed records of the disposition of the property, which shall include but not be limited to both of the following:

   a. The manner in which it was disposed, the date of disposition, detailed financial records concerning any property sold, and the name of any person who received the property. The record shall not identify or enable identification of the individual officer who seized any item of property.

   b. The general types of expenditures made with amounts that are gained from the sale of the property and that are retained by the agency, including the specific amount expended on each general type of expenditure, except that the policy shall not provide for or permit the identification of any specific expenditure that is made in an ongoing investigation.

3. Complies with R.C. § 2981.13 if the Police Department has a Law Enforcement Trust Fund or similar fund created under that section.

   (b) The records kept under the internal control policy shall be open to public inspection during the Police Department’s regular business hours. The policy adopted under this section is a public record open for inspection under R.C. § 149.43.

   (3) The Police Department, with custody of property to be disposed of under this section or R.C. §§ 2981.12 or 2981.13, shall make a reasonable effort to locate persons entitled to possession of the property, to notify them of when and where it may be claimed, and to return the property to them at the earliest possible time. In the absence of evidence identifying persons entitled to possession, it is sufficient notice to advertise in a newspaper of general circulation in the county and to briefly describe the nature of the property in custody and inviting persons to view and establish their right to it.

   (4) As used in this section:

   CITIZENS’ REWARD PROGRAM. Has the same meaning as in R.C. § 9.92.

   LAW ENFORCEMENT AGENCY. Includes correctional institutions.

   TOWNSHIP LAW ENFORCEMENT AGENCY. Means an organized police department of a township, a township police district, a joint police district, or the office of a township constable.

   (R.C. § 2981.11) (Rev. 2013)

   (B) Disposition of unclaimed or forfeited property.

   (1) Unclaimed or forfeited property in the custody of the Police Department, other than property described in division (A)(1)(b) of this section, shall be disposed of by order of any court of record that has territorial jurisdiction over the municipality, as follows:

   (a) Drugs shall be disposed of pursuant to R.C. § 3719.11 or placed in the custody of the Secretary of the Treasury of the United States for disposal or use for medical or scientific purposes under applicable federal law.

   (b) Firearms and dangerous ordnance suitable for police work may be given to a law enforcement agency for that purpose. Firearms suitable for sporting use or as museum pieces or collectors’ items may be sold at public auction pursuant to division (B)(2) of this section. The Police Department may sell other firearms and dangerous ordnance to a federally licensed firearms dealer in a manner that the court considers proper. The Police Department shall destroy any firearms or dangerous ordnance not given to a law enforcement agency or sold or shall send them to the Bureau of Criminal Identification and Investigation for destruction by the Bureau.

   (c) Obscene materials shall be destroyed.

   (d) Beer, intoxicating liquor, or alcohol seized from a person who does not hold a permit issued under R.C. Chapters 4301 and 4303 or otherwise forfeited to the state for an offense under R.C. § 4301.45 or R.C. § 4301.53 shall be sold by the Division of Liquor Control if the Division determines that it is fit for sale or shall be placed in the custody of the Investigations Unit in the Ohio Department of Public Safety and be used for training relating to law enforcement activities. The Ohio Department of Public Safety, with the assistance of the Division of Liquor Control, shall adopt rules in accordance with R.C. Chapter 119 to provide for the distribution to state or local law enforcement agencies upon their request. If any tax imposed under R.C. Title 43 has not been paid in relation to the beer, intoxicating liquor, or alcohol, any moneys acquired from the sale shall first be used to pay the tax. All other money collected under this division (B)(1)(d) shall be paid into the State Treasury. Any beer, intoxicating liquor, or alcohol that the Division determines to be unfit for sale shall be destroyed.

   (e) Money received by an inmate of a correctional institution from an unauthorized source or in an unauthorized manner shall be returned to the sender, if known, or deposited in the Inmates’ Industrial and Entertainment Fund of the institution if the sender is not known.

   (f) 1. Any mobile instrumentality forfeited under R.C. Chapter 2981 may be given to the law enforcement agency that initially seized the mobile instrumentality for use in performing its duties, if the agency wants the mobile instrumentality. The agency shall take the mobile instrumentality subject to any security interest or lien on the mobile instrumentality.

   2. Vehicles and vehicle parts forfeited under R.C. §§ 4549.61 to 4549.63 may be given to a law enforcement agency for use in performing its duties. Those parts may be incorporated into any other official vehicle. Parts that do not bear vehicle identification numbers or derivatives of them may be sold or disposed of as provided by rules of the Director of Public Safety. Parts from which a
vehicle identification number or derivative of it has been removed, defaced, covered, altered, or destroyed and that are not suitable for police work or incorporation into an official vehicle shall be destroyed and sold as junk or scrap.

(g) Computers, computer networks, computer systems, and computer software suitable for police work may be given to a law enforcement agency for that purpose or disposed of under division (B)(2) of this section.

(h) Money seized in connection with a violation of R.C. § 2905.32, 2907.21, or 2907.22 shall be deposited in the Victims of Human Trafficking Fund created by R.C. § 5101.87.

2. Unclaimed or forfeited property that is not described in division (B)(1) of this section or division (A)(1)(b) of this section, with court approval, may be used by the law enforcement agency in possession of it. If it is not used by the agency, it may be sold without appraisal at a public auction to the highest bidder for cash or disposed of in another manner that the court considers proper.

3. Except as provided in divisions (B)(1) and (B)(5) of this section and after compliance with division (B)(4) of this section when applicable, any moneys acquired from the sale of property disposed of pursuant to this section shall be placed in the General Revenue Fund of the state, or the General Fund of the municipality.

4. If the property was in the possession of the Police Department in relation to a delinquent child proceeding in a juvenile court, 10% of any moneys acquired from the sale of property disposed of under this section shall be applied to one or more community addiction services providers, as defined in R.C. § 5119.01. A juvenile court shall not specify a services provider, except as provided in this division, unless the services provider is in the same county as the court or in a contiguous county. If no services provider is located in any of those counties, the juvenile court may specify a services provider anywhere in Ohio. The remaining 90% of the proceeds or cash shall be applied as provided in division (B)(3) of this section.

5. (a) If the Board of County Commissioners recognizes a citizens’ reward program under R.C. § 9.92, the Board shall notify the Police Department by filing a copy of its resolution conferring that recognition with the Police Department. When the Board recognizes a citizens’ reward program and the county includes a part, but not all, of the territory of the municipality, the Board shall so notify the Police Department of the recognition of the citizens’ reward program only if the county contains the highest percentage of the municipality’s population.

(b) Upon being so notified, the Police Department shall pay 25% of any forfeited proceeds or cash derived from each sale of property disposed of pursuant to this section to the citizens’ reward program for use exclusively to pay rewards. No part of the funds may be used to pay expenses associated with the program. If a citizens’ reward program that operates in more than one county or in another state in addition to this state receives funds under this section, the funds shall be used to pay rewards only for tips and information to law enforcement agencies concerning offenses committed in the county from which the funds were received.

6. Any property forfeited under R.C. Chapter 2981 not be used to pay any fine imposed upon a person who is convicted of or pleads guilty to an underlying criminal offense or a different offense arising out of the same facts and circumstances.

7. Any moneys acquired from the sale of personal effects, tools, or other property seized because the personal effects, tools, or other property were used in the commission of a violation of R.C. § 2905.32, 2907.21, or 2907.22 or derived from the proceeds of the commission of a violation of R.C. § 2905.32, 2907.21, or 2907.22 and disposed of pursuant to this division (B) shall be placed in the Victims of Human Trafficking Fund created by R.C. § 5101.87.

R.C. § 2981.12 (Rev. 2016)

Except as otherwise provided in R.C. § 2981.13, property ordered forfeited as contraband, proceeds, or an instrumentality pursuant to R.C. Chapter 2981 shall be disposed of, used, or sold pursuant to division (B) of this section or R.C. § 2981.12. If the property is to be sold under division (B) of this section or R.C. § 2981.12, the prosecutor shall cause notice of the proposed sale to be given in accordance with law.

§ 130.18 IMPOSING SENTENCE FOR MISDEMEANOR.

(A) (1) Unless a mandatory jail term is required to be imposed by R.C. § 1547.99(G), 4510.14(B), or 4511.19(G), or any other provision of the Ohio Revised Code, or any municipal ordinance, a court that imposes a sentence under this chapter upon an offender for a misdemeanor or minor misdemeanor has discretion to determine the most effective way to achieve the purposes and principles of sentencing set forth in § 130.99(B).

(2) Unless a specific sanction is required to be imposed or is precluded from being imposed by the section setting forth an offense or the penalty for an offense or by any provision of § 130.99 or 133.99 of this code or R.C. §§ 2929.23 through 2929.28, a court that imposes a sentence upon an offender for a misdemeanor may impose on the offender any sanction or combination of sanctions under § 130.99(C) through (G). The court shall not impose a sentence that imposes an unnecessary burden on local government resources.
§ 130.18 Ohio Basic Code, 2016 Edition – General Offenses

(B) (1) In determining the appropriate sentence for a misdemeanor, the court shall consider all of the following factors:

(a) The nature and circumstances of the offense or offenses;

(b) Whether the circumstances regarding the offender and the offense or offenses indicate that the offender has a history of persistent criminal activity and that the offender’s character and condition reveal a substantial risk that the offender will commit another offense;

(c) Whether the circumstances regarding the offender and the offense or offenses indicate that the offender’s history, character, and condition reveal a substantial risk that the offender will be a danger to others and that the offender’s conduct has been characterized by a pattern of repetitive, compulsive, or aggressive behavior with heedless indifference to the consequences;

(d) Whether the victim’s youth, age, disability, or other factor made the victim particularly vulnerable to the offense or made the impact of the offense more serious;

(e) Whether the offender is likely to commit future crimes in general, in addition to the circumstances described in divisions (B)(1)(b) and (B)(1)(c) of this section;

(f) Whether the offender has an emotional, mental, or physical condition that is traceable to the offender’s service in the armed forces of the United States and that was a contributing factor in the offender’s commission of the offense or offenses;

(g) The offender’s military service record.

(C) Before imposing a jail term as a sentence for a misdemeanor, a court shall consider the appropriateness of imposing a community control sanction or a combination of community control sanctions under § 130.99(D), (E), (F), and (G). A court may impose the longest jail term authorized under § 130.99(C) only upon offenders who commit the worst forms of the offense or upon offenders whose conduct and response to prior sanctions for prior offenses demonstrate that the imposition of the longest jail term is necessary to deter the offender from committing a future crime.

(D) (1) A sentencing court shall consider any relevant oral or written statement made by the victim, the defendant, the defense attorney, or the prosecuting authority regarding sentencing for a misdemeanor. This division does not create any rights to notice other than those rights authorized by R.C. Chapter 2930.

(2) At the time of sentencing for a misdemeanor or as soon as possible after sentencing, the court shall notify the victim of the offense of the victim’s right to file an application for an award of reparations pursuant to R.C. §§ 2743.51 through 2743.72.

(R.C. § 2929.22) (Rev. 2014)

§ 130.19 MULTIPLE SENTENCES.

(A) Except as provided in division (B) of this section, R.C. § 2929.14(C), or R.C. § 2971.03(D) or (E), a prison term, jail term, or sentence of imprisonment shall be served concurrently with any other prison term, jail term, or sentence of imprisonment imposed by a court of this municipality, this state, another state, or the United States. Except as provided in division (B)(2) of this section, a jail term or sentence of imprisonment for misdemeanor shall be served concurrently with a prison term or sentence of imprisonment for felony served in a state or federal correctional institution.

(B) (1) A jail term or sentence of imprisonment for a misdemeanor shall be served consecutively to any other prison term, jail term, or sentence of imprisonment when the trial court specifies that it is to be served consecutively or when it is imposed for a misdemeanor violation of R.C. § 2907.322, 2921.34 or 2923.131. When consecutive sentences are imposed for misdemeanors under this division, the term to be served is the aggregate of the consecutive terms imposed, except that the aggregate term to be served shall not exceed 18 months.

(2) A jail term or sentence of imprisonment imposed for a misdemeanor violation of R.C. § 4510.11, 4510.14, 4510.16, 4510.21, or 4511.19, or a substantially equivalent municipal ordinance, shall be served consecutively to a prison term that is imposed for a felony violation of R.C. § 2903.06, 2903.07, 2903.08 or 4511.19 or a felony violation of R.C. § 2903.04 involving the operation of a motor vehicle by the offender and that is served in a state correctional institution when the trial court specifies that it is to be served consecutively. When consecutive jail terms or sentences of imprisonment and prison terms are imposed for one or more misdemeanors and one or more felonies under this division, the term to be served is the aggregate of the consecutive terms imposed, and the offender shall serve all terms imposed for a felony before serving any term imposed for a misdemeanor.

(R.C. § 2929.41) (Rev. 2013)

§ 130.20 APPREHENSION, DETENTION, OR ARREST OF PERSON ON BOND.

(A) No person, other than a law enforcement officer, shall apprehend, detain, or arrest a principal on bond, wherever issued, unless that person meets all of the following criteria:

(1) The person is any of the following:
General Provisions

§ 130.21 SELF DEFENSE: LIMITATIONS ON DUTY TO RETREAT PRIOR TO USING FORCE.

(A) As used in this section, RESIDENCE and VEHICLE have the same meanings as in R.C. § 2901.05.

(B) For purposes of any section of this code that sets forth a criminal offense, a person who lawfully is in that person’s residence has no duty to retreat before using force in self defense, defense of another, or defense of that person’s residence, and a person who lawfully is an occupant of that person’s vehicle or who lawfully is an occupant in a vehicle owned by an immediate family member of the person has no duty to retreat before using force in self defense or defense of another.

(R.C. § 2901.09) (Rev. 2009)

§ 130.99 PENALTY FOR TITLE XIII.

(A) Generally. Except where otherwise specifically classified within the body of the section of a chapter of this title, a violation of such section shall be deemed a misdemeanor punishable upon conviction by a fine of not more than $500, imprisonment of not more than six months, or both.

(R.C. § 715.67)

(B) Considerations in misdemeanor sentencing.

(1) A court that sentences an offender for a misdemeanor or minor misdemeanor violation of any provision of the Ohio Revised Code, or of any municipal ordinance that is substantially equivalent to a misdemeanor or minor misdemeanor violation of a provision of the Ohio Revised Code, shall be guided by the overriding purposes of misdemeanor sentencing. The overriding purposes of misdemeanor sentencing are to protect the public from future crime by the offender and others and to punish the offender. To achieve those purposes, the sentencing court shall consider the impact of the offense upon the victim and the need for changing the offender’s behavior, rehabilitating the defender, and making restitution to the victim of the offense, the public, or the victim and the public.

(2) A sentence imposed for a misdemeanor or minor misdemeanor violation of an Ohio Revised Code provision or for a violation of a municipal ordinance that is subject to division (B)(1) of this section shall be reasonably calculated to achieve the two overriding purposes of misdemeanor sentencing set forth in division (B)(1) of this section, commensurate with and not demeaning to the seriousness of the offender’s conduct and its impact upon the victim, and consistent with sentences imposed for similar offenses committed by similar offenders.

(3) A court that imposes a sentence upon an offender for a misdemeanor or minor misdemeanor violation of an Ohio Revised Code provision or for a violation of a municipal ordinance that is subject to division (B)(1) of this section shall not base the sentence upon the race, ethnic background, gender, or religion of the offender.

(4) Divisions (B)(1) and (B)(2) of this section shall not apply to any offense that is disposed of by a traffic violations bureau of any court pursuant to Traffic Rule 13 and shall not apply to any violation of any provision of the Ohio Revised Code that is a minor misdemeanor and that is disposed of without a court appearance. Divisions (B)(1)
through (B)(3) of this section do not affect any penalties established by the municipality for a violation of its ordinances that are not substantially equivalent to a misdemeanor or minor misdemeanor violation of a provision of the Ohio Revised Code.
(R.C. § 2929.21) (Rev. 2005)

(C) Misdemeanor jail terms.

(1) Except as provided in § 130.18 or 133.99 of this code or R.C. § 2929.22 or 2929.23 or division (C)(5) or (C)(6) of this section and unless another term is required or authorized pursuant to law, if the sentencing court imposing a sentence upon an offender for a misdemeanor elects or is required to impose a jail term on the offender pursuant to this chapter, the court shall impose a definite jail term that shall be one of the following:

(a) For a misdemeanor of the first degree, not more than 180 days;

(b) For a misdemeanor of the second degree, not more than 90 days;

(c) For a misdemeanor of the third degree, not more than 60 days;

(d) For a misdemeanor of the fourth degree, not more than 30 days.

(2) (a) A court that sentences an offender to a jail term under division (C) of this section may permit the offender to serve the sentence in intermittent confinement or may authorize a limited release of the offender as provided in division (E)(2) of this section. The court retains jurisdiction over every offender sentenced to jail to modify the jail sentence imposed at any time, but the court shall not reduce any mandatory jail term.

(b) 1. If a prosecutor, as defined in R.C. § 2935.01, has filed a notice with the court that the prosecutor wants to be notified about a particular case and if the court is considering modifying the jail sentence of the offender in that case, the court shall notify the prosecutor that the court is considering modifying the jail sentence of the offender in that case. The prosecutor may request a hearing regarding the court’s consideration of modifying the jail sentence of the offender in that case, and, if the prosecutor requests a hearing, the court shall notify the eligible offender of the hearing.

2. If the prosecutor requests a hearing regarding the court’s consideration of modifying the jail sentence of the offender in that case, the court shall hold the hearing before considering whether or not to release the offender from the offender’s jail sentence.

(3) If a court sentences an offender to a jail term under division (C) of this section and the court assigns the offender to a county jail that has established a county jail industry program pursuant to R.C. § 5147.30, the court shall specify, as part of the sentence, whether the offender may be considered for participation in the program. During the offender’s term in the county jail, the court retains jurisdiction to modify its specification regarding the offender’s participation in the county jail industry program.

(4) If a person sentenced to a jail term pursuant to division (C) of this section, the court may impose as part of the sentence pursuant to R.C. § 2929.28 a reimbursement sanction, and, if the local detention facility in which the term is to be served is covered by a policy adopted pursuant to R.C. § 307.93, 341.14, 341.19, 341.21, 341.23, 753.02, 753.04, 753.16, 2301.56, or 2947.19 and R.C. § 2929.37, both of the following apply:

(a) The court shall specify both of the following as part of the sentence:

1. If the person is presented with an itemized bill pursuant to R.C. § 2929.37 for payment of the costs of confinement, the person is required to pay the bill in accordance with that section.

2. If the person does not dispute the bill described in division (C)(4)(a)1. of this section and does not pay the bill by the times specified in R.C. § 2929.37, the clerk of the court may issue a certificate of judgment against the person as described in that section.

(b) The sentence automatically includes any certificate of judgment issued as described in division (C)(4)(a)2. of this section.

(5) If an offender who is convicted of or pleads guilty to a violation of R.C. § 4511.19(B), or any substantially equivalent municipal ordinance, also is convicted of or also pleads guilty to a specification of the type described in R.C. § 2941.1414 and if the court imposes a jail term on the offender for the underlying offense, the court shall impose upon the offender an additional definite jail term of not more than six months. The additional jail term shall not be reduced pursuant to any provision of the Ohio Revised Code. The offender shall serve the additional jail term consecutively to and prior to the jail term imposed for the underlying offense and consecutively to any other mandatory term imposed in relation to the offense.

(6) (a) If an offender is convicted of or pleads guilty to a misdemeanor violation of R.C. § 2907.23, 2907.24, 2907.241, or 2907.25, or any substantially equivalent municipal ordinance, and to a specification of the type described in R.C. § 2941.1421 and if the court imposes a jail term on the offender for the misdemeanor violation, the court may impose upon the offender an additional definite jail term as follows:

1. Subject to division (C)(6)(a)2. of this section, an additional definite jail term of not more than 60 days;

2. If the offender previously has been convicted of or pleaded guilty to one or more misdemeanor or felony violations of R.C. § 2907.22, 2907.23, 2907.24,
2907.241, or 2907.25, or any substantially equivalent municipal ordinance, and also was convicted of or pleaded guilty to a specification of the type described in R.C. § 2941.1421 regarding one or more of those violations, an additional definite jail term of not more than 120 days.

(b) In lieu of imposing an additional definite jail term under division (C)(6)(a) of this section, the court may directly impose on the offender a sanction that requires the offender to wear a real-time processing, continual tracking electronic monitoring device during the period of time specified by the court. The period of time specified by the court shall equal the duration of an additional jail term that the court could have imposed upon the offender under division (C)(6)(a) of this section. A sanction imposed under this division shall commence on the date specified by the court, provided that the sanction shall not commence until after the offender has served the jail term imposed for the misdemeanor violation of R.C. § 2907.23, 2907.24, 2907.241, or 2907.25, or any substantially equivalent municipal ordinance, and any residential sanction imposed for the violation under division (E) of this section or R.C. § 2929.26. A sanction imposed under this division shall be considered to be a community control sanction for purposes of division (D) or this section or R.C. § 2929.25, and all provisions of this code and the Ohio Revised Code that pertain to community control sanctions shall apply to a sanction imposed under this division, except to the extent that they would by their nature be clearly inapplicable. The offender shall pay all costs associated with a sanction imposed under this division, including the cost of the use of the monitoring device.

(7) If an offender is convicted of or pleads guilty to a misdemeanor violation of R.C. § 2903.13 and also is convicted of or pleads guilty to a specification of the type described in R.C. § 2941.1423 that charges that the victim of the violation was a woman whom the offender knew was pregnant at the time of the violation, the court shall impose on the offender a mandatory jail term that is a definite term of at least 30 days.

(8) If a court sentences an offender to a jail term under this division (C), the sentencing court retains jurisdiction over the offender and the jail term. Upon motion of either party or upon the court’s own motion, the court, in the court’s sole discretion and as the circumstances warrant, may substitute one or more community control sanctions under division (E) or (F) of this section for any jail days that are not mandatory jail days. (R.C. § 2929.24) (Rev. 2012)

(D) Misdemeanor community control sanctions.

(1) (a) Except as provided in §§ 130.18 and 133.99 of this code or R.C. §§ 2929.22 and 2929.23 or when a jail term is required by law, in sentencing an offender for a misdemeanor, other than a minor misdemeanor, the sentencing court may do either of the following:

1. Directly impose a sentence that consists of one or more community control sanctions authorized by divisions (E), (F), or (G) of this section. The court may impose any other conditions of release under a community control sanction that the court considers appropriate. If the court imposes a jail term upon the offender, the court may impose any community control sanction or combination of community control sanctions in addition to the jail term.

2. Impose a jail term under division (C) of this section from the range of jail terms authorized under that division for the offense, suspend all or a portion of the jail term imposed, and place the offender under a community control sanction or combination of community control sanctions authorized under divisions (E), (F), or (G) of this section.

(b) The duration of all community control sanctions imposed upon an offender and in effect for an offender at any time shall not exceed five years.

(c) At sentencing, if a court directly imposes a community control sanction or combination of community control sanctions pursuant to division (D)(1)(a)1. of this section, the court shall state the duration of the community control sanctions imposed and shall notify the offender that if any of the conditions of the community control sanctions are violated the court may do any of the following:

1. Impose a longer time under the same community control sanction if the total time under all of the offender’s community control sanctions does not exceed the five-year limit specified in division (D)(1)(b) of this section;

2. Impose a more restrictive community control sanction under division (E), (F), or (G) of this section, but the court is not required to impose any particular sanction or sanctions;

3. Impose a definite jail term from the range of jail terms authorized for the offense under division (C) of this section.

(2) If a court sentences an offender to any community control sanction or combination of community control sanctions pursuant to division (D)(1)(a)1. of this section, the sentencing court retains jurisdiction over the offender and the period of community control for the duration of the period of community control. Upon the motion of either party or on the court’s own motion, the court, in the court’s sole discretion and as the circumstances warrant, may modify the community control sanctions or conditions of release previously imposed, substitute a community control sanction or condition of release for another community control sanction or condition of release previously imposed, or impose an additional community control sanction or condition of release.

(3) (a) If a court sentences an offender to any community control sanction or combination of community control sanctions authorized under division (E), (F), or (G) of
§ 130.99

Ohio Basic Code, 2016 Edition – General Offenses

This section, the court shall place the offender under the general control and supervision of the court or of a department of probation in the jurisdiction that serves the court for purposes of reporting to the court a violation of any of the conditions of the sanctions imposed. If the offender resides in another jurisdiction and a department of probation has been established to serve the municipal court or county court in that jurisdiction, the sentencing court may request the municipal court or the county court to receive the offender into the general control and supervision of that department of probation for purposes of reporting to the sentencing court a violation of any of the conditions of the sanctions imposed. The sentencing court retains jurisdiction over any offender whom it sentences for the duration of the sanction or sanctions imposed.

(b) The sentencing court shall require as a condition of any community control sanction that the offender abide by the law and not leave the state without the permission of the court or the offender’s probation officer. In the interests of doing justice, rehabilitating the offender, and ensuring the offender’s good behavior, the court may impose additional requirements on the offender. The offender’s compliance with the additional requirements also shall be a condition of the community control sanction imposed upon the offender.

(4) (a) If the court imposing sentence upon an offender sentences the offender to any community control sanction or combination of community control sanctions authorized under division (E), (F), or (G) of this section, and the offender violates any of the conditions of the sanctions, the public or private person or entity that supervises or administers the program or activity that comprises the sanction shall report the violation directly to the sentencing court or to the department of probation or probation officer with general control and supervision over the offender. If the public or private person or entity reports the violation to the department of probation or probation officer, the department or officer shall report the violation to the sentencing court.

(b) If an offender violates any condition of a community control sanction, the sentencing court may impose upon the violator one or more of the following penalties:

1. A longer time under the same community control sanction if the total time under all of the community control sanctions imposed on the violator does not exceed the five-year limit specified in division (D)(1)(b) of this section;

2. A more restrictive community control sanction;

3. A combination of community control sanctions, including a jail term.

(c) If the court imposes a jail term upon a violator pursuant to division (D)(4)(b) of this section, the total time spent in jail for the misdemeanor offense and the violation of a condition of the community control sanction shall not exceed the maximum jail term available for the offense for which the sanction that was violated was imposed. The court may reduce the longer period of time that the violator is required to spend under the longer sanction or the more restrictive sanction imposed under division (D)(4)(b) of this section by all or part of the time the violator successfully spent under the sanction that was initially imposed.

(5) Except as otherwise provided in this division, if an offender, for a significant period of time, fulfills the conditions of a community control sanction imposed pursuant to division (E), (F), or (G) of this section in an exemplary manner, the court may reduce the period of time under the community control sanction or impose a less restrictive community control sanction. Fulfilling the conditions of a community control sanction does not relieve the offender of a duty to make restitution under division (G) of this section. (R.C. § 2929.25) (Rev. 2012)

(E) Community residential sanction.

(1) Except when a mandatory jail term is required by law, the court imposing a sentence for a misdemeanor, other than a minor misdemeanor, may impose upon the offender any community residential sanction or combination of community residential sanctions under this division (E). Community residential sanctions include but are not limited to the following:

(a) A term of up to 180 days in a halfway house or a term in a halfway house not to exceed the longest jail term available for the offense, whichever is shorter, if the political subdivision that would have responsibility for paying the costs of confining the offender in a jail has entered into a contract with the halfway house for use of the facility for misdemeanor offenders;

(b) If the offender is an eligible offender, as defined in R.C. § 307.932, a term in a community alternative sentencing center or district community alternative sentencing center established and operated in accordance with that section, in the circumstances specified in that section, with one of the conditions of the sanction being that the offender successfully complete the portion of the sentence to be served in the center.

(2) A sentence to a community residential sanction under division (E)(1)(b) of this section shall be in accordance with R.C. § 307.932. In all other cases, the court that sentences an offender to a community residential sanction under this division (E) may do either or both of the following:

(a) Permit the offender to serve the offender’s sentence in intermittent confinement, overnight, on weekends or at any other time or times that will allow the offender to continue at the offender’s occupation or care for the offender’s family;

(b) Authorize the offender to be released so that the offender may seek or maintain employment, receive education or training, receive treatment, perform community
service, or otherwise fulfill an obligation imposed by law or by the court. A release pursuant to this division shall be only for the duration of time that is needed to fulfill the purpose of the release and for travel that reasonably is necessary to fulfill the purposes of release.

(3) The court may order that a reasonable portion of the income earned by the offender upon a release pursuant to division (E)(2) of this section be applied to any financial sanction imposed under division (G) of this section.

(4) No court shall sentence any person to a prison term for a misdemeanor or minor misdemeanor or to a jail term for a minor misdemeanor.

(5) If a court sentences a person who has been convicted of or pleaded guilty to a misdemeanor to a community residential sanction as described in division (E)(1) of this section, at the time of reception and at other times the person in charge of the operation of the halfway house, community alternative sentencing center, district community alternative sentencing center, or other place at which the offender will serve the residential sanction determines to be appropriate, the person in charge of the operation of the halfway house, community alternative sentencing center, district community alternative sentencing center, or other place at which the offender will serve the residential sanction may cause the convicted offender to be examined and tested for tuberculosis, HIV infection, hepatitis, including but not limited to hepatitis A, B, and C, and other contagious diseases. The person in charge of the operation of the halfway house, community alternative sentencing center, district community alternative sentencing center, or other place at which the offender will serve the residential sanction may cause a convicted offender in the halfway house, community alternative sentencing center, district community alternative sentencing center, or other place at which the offender will serve the residential sanction to be examined and tested for tuberculosis, HIV infection, hepatitis, including but not limited to hepatitis A, B, and C, or another contagious disease to be examined and tested involuntarily.

(6) The municipality may enter into a contract with a halfway house for use of the halfway house to house misdemeanor offenders under a sanction imposed under division (E)(1)(a) of this section.

(R.C. § 2929.26) (Rev. 2015)

(F) Nonresidential sanction where jail term is not mandatory.

(1) Except when a mandatory jail term is required by law, the court imposing a sentence for a misdemeanor, other than a minor misdemeanor, may impose upon the offender any nonresidential sanction or combination of nonresidential sanctions authorized under this division. Nonresidential sanctions include but are not limited to the following:

(a) A term of day reporting;

(b) A term of house arrest with electronic monitoring or continuous alcohol monitoring or both electronic monitoring and continuous alcohol monitoring, a term of electronic monitoring or continuous alcohol monitoring without house arrest, or a term of house arrest without electronic monitoring or continuous alcohol monitoring;

(c) A term of community service of up to 500 hours for misdemeanor of the first degree or 200 hours for a misdemeanor of the second, third, or fourth degree;

(d) A term in a drug treatment program with a level of security for the offender as determined necessary by the court;

(e) A term of intensive probation supervision;

(f) A term of basic probation supervision;

(g) A term of monitored time;

(h) A term of drug and alcohol use monitoring, including random drug testing;

(i) A curfew term;

(j) A requirement that the offender obtain employment;

(k) A requirement that the offender obtain education or training;

(l) Provided the court obtains the prior approval of the victim, a requirement that the offender participate in victim-offender mediation;

(m) If authorized by law, suspension of the offender’s privilege to operate a motor vehicle, immobilization or forfeiture of the offender’s motor vehicle, a requirement that the offender obtain a valid motor vehicle operator’s license, or any other related sanction;

(n) A requirement that the offender obtain counseling if the offense is a violation of R.C. § 2919.25 or a substantially equivalent municipal ordinance or a violation of R.C. § 2903.13 or a substantially equivalent municipal ordinance involving a person who was a family or household member at the time of the violation, if the offender committed the offense in the vicinity of one or more children who are not victims of the offense, and if the offender or the victim of the offense is a parent, guardian, custodian, or person in loco parentis of one or more of those children. This division does not limit the court in requiring that the offender obtain counseling for any offense or in any circumstance not specified in this division.

(2) If the court imposes a term of community service pursuant to division (F)(1)(c) of this section, the offender may request that the court modify the sentence to authorize the offender to make a reasonable contribution, as determined by the court, to the general fund of the county, municipality, or other local entity that provides funding to the
court. The court may grant the request if the offender demonstrates a change in circumstances from the date the court imposes the sentence or that the modification would otherwise be in the interests of justice. If the court grants the request, the offender shall make a reasonable contribution to the court, and the clerk of the court shall deposit that contribution into the general fund of the county, municipality, or other local entity that provides funding to the court. If more than one entity provides funding to the court, the clerk shall deposit a percentage of the reasonable contribution equal to the percentage of funding the entity provides to the court in that entity’s general fund.

(3) In addition to the sanctions authorized under division (F)(1) of this section, the court imposing a sentence for a misdemeanor, other than a minor misdemeanor, upon an offender who is not required to serve a mandatory jail term may impose any other sanction that is intended to discourage the offender or other persons from committing a similar offense if the sanction is reasonably related to the overriding purposes and principles of misdemeanor sentencing.

(4) The court imposing a sentence for a minor misdemeanor may impose a term of community service in lieu of all or part of a fine. The term of community service imposed for a minor misdemeanor shall not exceed 30 hours. After imposing a term of community service, the court may modify the sentence to authorize a reasonable contribution, as determined by the court, to the appropriate general fund as provided in division (F)(2) of this section.

(R.C. § 2929.27) (Rev. 2012)

(G) Financial sanctions.

(1) In addition to imposing court costs pursuant to R.C. § 2947.23, the court imposing a sentence upon an offender for a misdemeanor, including a minor misdemeanor, may sentence the offender to any financial sanction or combination of financial sanctions authorized under this division (G). If the court in its discretion imposes one or more financial sanctions, the financial sanctions that may be imposed pursuant to this section include but are not limited to the following:

(a) Restitution.

1. Unless the misdemeanor offense is a minor misdemeanor or could be disposed of by the Traffic Violations Bureau serving the court under Traffic Rule 13, restitution by the offender to the victim of the offender’s crime or any survivor of the victim, in an amount based upon the victim’s economic loss. The court may not impose restitution as a sanction pursuant to this division if the offense is a minor misdemeanor or could be disposed of by the Traffic Violations Bureau serving the court under Traffic Rule 13. If the court requires restitution, the court shall order that the restitution be made to the victim in open court or to the adult probation department that serves the jurisdiction or the clerk of the court on behalf of the victim.

2. If the court imposes restitution, the court shall determine the amount of restitution to be paid by the offender. If the court imposes restitution, the court may base the amount of restitution it orders on an amount recommended by the victim, the offender, a presentence investigation report, estimates or receipts indicating the cost of repairing or replacing property, and other information, provided that the amount the court orders as restitution shall not exceed the amount of economic loss suffered by the victim as a direct and proximate result of the commission of the offense. If the court decides to impose restitution, the court shall hold an evidentiary hearing on restitution if the offender, victim, or survivor disputes the amount of restitution. If the court holds an evidentiary hearing, at the hearing the victim or survivor has the burden to prove by a preponderance of the evidence the amount of restitution sought from the offender.

3. All restitution payments shall be credited against any recovery of economic loss in a civil action brought by the victim or any survivor of the victim against the offender. No person may introduce evidence of an award of restitution under this section in a civil action for purposes of imposing liability against an insurer under R.C. § 3937.18.

4. If the court imposes restitution, the court may order that the offender pay a surcharge, of not more than 5% of the amount of the restitution otherwise ordered, to the entity responsible for collecting and processing restitution payments.

5. The victim or survivor of the victim may request that the prosecutor in the case file a motion, or the offender may file a motion, for modification of the payment terms of any restitution ordered. If the court grants the motion, it may modify the payment terms as it determines appropriate.

(b) Fines. A fine of the type described in divisions (G)(1)(b)1. and (G)(1)(b)2. of this section payable to the appropriate entity as required by law:

1. A fine in the following amount:
   a. For a misdemeanor of the first degree, not more than $1,000;
   b. For a misdemeanor of the second degree, not more than $750;
   c. For a misdemeanor of the third degree, not more than $500;
   d. For a misdemeanor of the fourth degree, not more than $250;
   e. For a minor misdemeanor, not more than $150.

2. A state fine or cost as defined in R.C. § 2949.111.
(c) **Reimbursement.**

1. Reimbursement by the offender of any or all of the costs of sanctions incurred by the government, including but not limited to the following:

   a. All or part of the costs of implementing any community control sanction, including a supervision fee under R.C. § 2951.021;

   b. All or part of the costs of confinement in a jail or other residential facility, including but not limited to a per diem fee for room and board, the costs of medical and dental treatment, and the costs of repairing property damaged by the offender while confined;

   c. All or part of the cost of purchasing and using an immobilizing or disabling device, including a certified ignition interlock device, or a remote alcohol monitoring device that a court orders an offender to use under R.C. § 4510.13.

2. The amount of reimbursement under division (G)(1)(c)1. of this section shall not exceed the total amount of reimbursement the offender is able to pay and shall not exceed the actual cost of the sanctions. The court may collect any amount of reimbursement the offender is required to pay under that division. The treasurer shall deposit the reimbursements in the municipal corporation’s General Fund. A financial sanction of reimbursement imposed pursuant to division (G)(1)(c)1.a. of this section upon an offender is a judgment in favor of the entity administering the community control sanction, and the offender subject to the financial sanction is the judgment debtor. A financial sanction of restitution imposed pursuant to division (G)(1)(a) of this section is an order in favor of the victim of the offender’s criminal act that can be collected through a certificate of judgment as described in division (G)(4)(b)1. of this section, through execution as described in division (G)(4)(b)2. of this section or through an order as described in division (G)(4)(b)3. of this section and the offender shall be considered for purposes of the collection as a judgment debtor.

(b) Once a financial sanction is imposed as a judgment or order under this division, the victim, private provider, state, or political subdivision may do any of the following:
1. Obtain from the clerk of the court in which the judgment was entered a certificate of judgment that shall be in the same manner and form as a certificate of judgment issued in a civil action;

Before entering into a contract for the collection of amounts due from an offender pursuant to any financial sanction imposed pursuant to this division (G), a court shall comply with R.C. §§ 307.86 through 307.92.

(b) Permit payment of all or any portion of the sanction in installments, by financial transaction device if the court is a county court or a municipal court operated by a county, or by any other reasonable method, in any time, and on any terms that the court considers just, except that the maximum time permitted for payment shall not exceed five years. If the court is a county court or a municipal court operated by a county, the acceptance of payments by any financial transaction device shall be governed by the policy adopted by the board of county commissioners of the county pursuant to R.C. § 301.28. If the court is a municipal court not operated by a county, the clerk may pay any fee associated with processing an electronic transfer out of public money or may charge the fee to the offender.

(c) To defray administrative costs, charge a reasonable fee to an offender who elects a payment plan rather than a lump sum payment of any financial sanction.

(2) When an organization is convicted of an offense not specifically classified, and the section defining the offense or penalty plainly indicates a purpose to impose the penalty provided for violation upon organizations, then such penalty shall be imposed in lieu of the penalty provided in this section.

(3) When an organization is convicted of an offense not specifically classified, and the penalty provided includes a higher fine than that provided in this section, then the penalty imposed shall be pursuant to the penalty provided for violation of the section defining the offense.

(4) This section does not prevent the imposition of available civil sanctions against an organization convicted of an offense pursuant to § 130.09, either in addition to or in lieu of a fine imposed pursuant to this section.

(b) A concert that is not exempted under division (D) of this section and for which more than 3,000 tickets are offered to the public.

(2) No person shall advertise any live entertainment performance as described in division (B)(1)(a) of this section or any concert as described in division (B)(1)(b) of this section, unless the advertisement contains the words “Reserved Seats Only.”

(C) Unless exempted by division (D)(1) of this section, no person who owns or operates any restricted entertainment area shall fail to open, maintain and properly staff at least the number of entrances designated under division (E) of this section for a minimum of 90 minutes prior to the scheduled start of any live entertainment performance that is held in the restricted entertainment area and for which more than 3,000 tickets are sold, offered for sale or offered in return for a donation.

(D) (1) A live entertainment performance, other than a concert, is exempted from the provisions of divisions (B) and (C) of this section if both of the following apply:

(2) (a) The officer responsible for public safety in the municipality may, upon application of the sponsor of a concert covered by division (B) of this section, exempt the concert from the provisions of that division if such officer finds that the health, safety and welfare of the participants and spectators would not be substantially affected by failure to comply with the provisions of that division. In determining whether to grant an exemption, the officer shall consider the following factors: the size and design of the facility in which the concert is scheduled; the size, age and anticipated conduct of the crowd expected to attend the concert; and the ability of the sponsor to manage and control the expected crowd. If the sponsor of any concert desires to obtain an exemption under this division, the sponsor shall apply to the appropriate official on a form prescribed by that official. The official shall issue an order that grants or denies the exemption within five days after receipt of the application. The sponsor may appeal any order that denies an exemption to the Court of Common Pleas of the county in which the facility is located.

(b) If an official grants an exemption under division (D)(2)(a) of this section, the official shall designate
an on-duty law enforcement officer to be present at the concert. The designated officer has authority to issue orders to all security personnel at the concert to protect the health, safety and welfare of the participants and spectators.

The designated officer has authority to issue orders to all security personnel at the concert to protect the health, safety and welfare of the participants and spectators.

The designation shall be based on such factors as the size and nature of the crowd expected to attend the live entertainment performance, the length of time prior to the live entertainment performance that crowds are expected to congregate at the entrances and the amount of security provided at the restricted entertainment area.

(2) Notwithstanding division (E)(1) of this section, a state university law enforcement officer appointed pursuant to R.C. §§ 3345.04 and 3345.21 shall designate the number of entrances required to be opened, maintained and staffed in the case of a live entertainment performance that is held at a restricted entertainment area located on the campus of an educational institution covered by R.C. § 3345.04.

(F) No person shall enter into any contract for a live entertainment performance that does not permit or require compliance with this section.

(G) (1) This section does not apply to a live entertainment performance held in a restricted entertainment area if one admission ticket entitles the holder to view or participate in three or more different games, rides, activities or live entertainment performances occurring simultaneously at different sites within the restricted entertainment area and if the initial admittance entrance to the restricted entertainment area, for which the ticket is required, is separate from the entrance to any specific live entertainment performance and an additional ticket is not required for admission to the particular live entertainment performance.

(H) This section does not prohibit the Legislative Authority from imposing additional requirements, not in conflict with the section, for the promotion or holding of live entertainment performances.

(I) Whoever violates division (B), (C) or (F) of this section is guilty of a misdemeanor of the first degree. If any individual suffers physical harm to the individual’s person as a result of a violation of this section, the sentencing court shall consider this factor in favor of imposing a term of imprisonment upon the offender.

(A) As used in this section:

ABORTION. Means the purposeful termination of a human pregnancy by any person, including the pregnant woman herself, with an intention other than to produce a live birth or to remove a dead fetus or embryo.

(Rev. 2016)

EMANCIPATED. A minor shall be considered emancipated if the minor has married, entered the armed services of the United States, become employed and self-subsisting, or has otherwise become independent from the care and control of her parent, guardian or custodian.

UNEMANCIPATED. Means a woman who is unmarried and under 18 years of age who has not entered the armed services of the United States, has not become employed and self-subsisting, or has not otherwise become independent from the care and control of her parent, guardian, or custodian.

(B) No person shall perform or induce an abortion without the informed consent of the pregnant woman.
(C) No person shall knowingly perform or induce an abortion upon a pregnant minor unless one of the following is the case:

(1) The attending physician has secured the informed written consent of the minor and one parent, guardian or custodian;

(2) The minor is emancipated and the attending physician has received her informed written consent;

(3) The minor has been authorized to consent to the abortion by a court order issued pursuant to R.C. § 2919.121(C) and the attending physician has received her informed written consent; or

(4) The court has given its consent in accordance with R.C. § 2919.121(C) and the minor is having the abortion willingly.

(D) No person shall knowingly perform or induce an abortion upon a woman who is pregnant, unmarried, under 18 years of age, and unemancipated unless at least one of the circumstances enumerated in R.C. § 2919.12(B) applies.

(E) (1) It is an affirmative defense to a charge under division (D) of this section that the pregnant woman provided the person who performed or induced the abortion with false, misleading, or incorrect information about her age, marital status, or emancipation, about the age of the brother or sister to whom she requested notice to be given as a specified relative instead of one of her parents, her guardian, or her custodian, or about the last known address of either of her parents, her guardian, her custodian, or a specified brother, sister, stepparent, or grandparent to whom she requested notice to be given and the person who performed or induced the abortion did not otherwise have reasonable cause to believe the pregnant woman was under 18 years of age, unmarried, or unemancipated, to believe that the age of the brother or sister to whom she requested notice be given as a specified relative instead of one of her parents, her guardian, or her custodian was not 21 years of age, or to believe that the last known address of either of her parents, her guardian, her custodian, or a specified brother, sister, stepparent, or grandparent to whom she requested notice be given was incorrect.

(2) It is an affirmative defense to a charge under this section that compliance with the requirements of this section was not possible because an immediate threat of serious risk to the life or physical health of the pregnant woman or pregnant minor from the continuation of her pregnancy created an emergency necessitating the immediate performance or inducement of an abortion.

(F) Whoever violates this section is guilty of unlawful abortion. A violation of division (B), (C) or (D) of this section is a misdemeanor of the first degree on the first offense and a felony to be prosecuted under appropriate state law on each subsequent offense.

(H) (1) Division (C) of this section applies in lieu of division (D) of this section whenever its operation is not enjoined. If division (C) of this section is enjoined, division (D) of this section applies.

(2) If a person complies with the requirements of division (D) of this section under the good faith belief that the application or enforcement of division (C) of this section is subject to a restraining order or injunction, good faith compliance shall constitute a complete defense to any civil, criminal or professional disciplinary action brought under division (C) of this section or R.C. § 2919.121.

(3) If a person complies with the requirements of division (C) of this section under the good faith belief that it is not subject to a restraining order or injunction, good faith compliance shall constitute a complete defense to any civil, criminal or professional disciplinary action for failure to comply with the requirements of division (D) of this section.

(R.C. § 2919.122) (Rev. 1999)

(I) Failure to perform viability testing.

(1) Except in a medical emergency that prevents compliance with this division, no physician shall perform or induce or attempt to perform or induce an abortion on a pregnant woman after the beginning of the twentieth week of gestation unless, prior to the performance or inducement of the abortion or the attempt to perform or induce the abortion, the physician determines, in the physician’s good faith medical judgment, that the unborn child is not viable, and the physician makes that determination after performing a medical examination of the pregnant woman and after performing or causing to be performed those tests for assessing gestational age, weight, lung maturity, or other tests that the physician, in that physician’s good faith medical judgment, believes are necessary to determine whether an unborn child is viable.

(2) Except in a medical emergency that prevents compliance with this division, no physician shall perform or induce or attempt to perform or induce an abortion on a pregnant woman after the beginning of the twentieth week of gestation without first entering the determination made in division (I)(1) of this section and the associated findings of the medical examination and tests in the medical record of the pregnant woman.

(3) Whoever violates this division (I) is guilty of failure to perform viability testing, a misdemeanor of the fourth degree.

(4) The State Medical Board shall suspend a physician’s license to practice medicine in this state for a period of not less than six months if the physician violates this section.

(B) Transaction scan.

(1) As used in this division and division (C) of this section:

CARD HOLDER. Means any person who presents a driver’s or commercial driver’s license or an identification card to a seller, or an agent or employee of a seller, to purchase or receive cigarettes, other tobacco products, or alternative nicotine products from a seller, agent, or employee.

IDENTIFICATION CARD. Means an identification card issued under R.C. §§ 4507.50 through 4507.52.
SELLER. Means a seller of cigarettes, other tobacco products, or alternative nicotine products and includes any person whose gift of or other distribution of cigarettes, other tobacco products, or alternative nicotine products is subject to the prohibitions of division (A) of this section.

TRANSACTION SCAN. Means the process by which a seller or an agent or employee of a seller checks, by means of a transaction scan device, the validity of a driver’s or commercial driver’s license or an identification card that is presented as a condition for purchasing or receiving cigarettes, other tobacco products, or alternative nicotine products.

TRANSACTION SCAN DEVICE. Means any commercial device or combination of devices used at a point of sale that is capable of deciphering in an electronically readable format the information encoded on the magnetic strip or bar code of a driver’s or commercial driver’s license or an identification card.

(2) (a) A seller or an agent or employee of a seller may perform a transaction scan by means of a transaction scan device to check the validity of a driver’s or commercial driver’s license or identification card presented by a card holder as a condition for selling, giving away, or otherwise distributing to the card holder cigarettes, other tobacco products, or alternative nicotine products.

(b) If the information deciphered by the transaction scan performed under division (B)(2)(a) of this section fails to match the information printed on the driver’s or commercial driver’s license or identification card presented by the card holder, or if the transaction scan indicates that the information so printed is false or fraudulent, neither the seller nor any agent or employee of the seller shall sell, give away, or otherwise distribute any cigarettes, other tobacco products, or alternative nicotine products to the card holder.

(c) Division (B)(2)(a) of this section does not preclude a seller or an agent or employee of a seller from using a transaction scan device to check the validity of a document other than a driver’s or commercial driver’s license or identification card, if the document includes a bar code or magnetic strip that may be scanned by the device, as a condition for selling, giving away, or otherwise distributing cigarettes, other tobacco products, or alternative nicotine products to the person presenting the document.

(3) Rules adopted by the Registrar of Motor Vehicles under R.C. § 4301.61(C) apply to the use of transaction scan devices for purposes of this division (B) and division (C) of this section.

(4) (a) No seller or agent or employee of a seller shall electronically or mechanically record or maintain any information derived from a transaction scan, except for the following:

1. The name and date of birth of the person listed on the driver’s or commercial driver’s license or identification card presented by the card holder;

2. The expiration date and identification number of the driver’s or commercial driver’s license or identification card presented by the card holder.

(b) No seller or agent or employee of a seller shall use the information that is derived from a transaction scan or that is permitted to be recorded and maintained under division (B)(4)(a) of this section, except for purposes of division (C) of this section.

(c) No seller or agent or employee of a seller shall use a transaction scan device for a purpose other than the purpose specified in division (C)(2)(a) of this section.

(d) No seller or agent or employee of a seller shall sell or otherwise disseminate the information derived from a transaction scan to any third party, including but not limited to selling or otherwise disseminating that information for any marketing, advertising, or promotional activities, but a seller or agent or employee of a seller may release that information pursuant to a court order or as specifically authorized by division (C) of this section or another section of this code or the Ohio Revised Code.

(5) Nothing in this division (B) or division (C) of this section relieves a seller or an agent or employee of a seller of any responsibility to comply with any other applicable local, state or federal laws or rules governing the sale, giving away, or other distribution of cigarettes, other tobacco products, or alternative nicotine products.

(6) Whoever violates division (B)(2)(b) or (B)(4) of this section is guilty of engaging in an illegal tobacco product or alternative nicotine product transaction scan, and the court may impose upon the offender a civil penalty of up to $1,000 for each violation. The Clerk of the Court shall pay each collected civil penalty to the County Treasurer for deposit into the County Treasury. (R.C. § 2927.021) (Rev. 2015)

(C) Affirmative defenses.

(1) A seller or an agent or employee of a seller may not be found guilty of a charge of a violation of division (A) of this section in which the age of the purchaser or other recipient of cigarettes, other tobacco products, or alternative nicotine products is an element of the alleged violation, if the seller, agent, or employee raises and proves as an affirmative defense that all of the following occurred:

(a) A card holder attempting to purchase or receive cigarettes, other tobacco products, or alternative nicotine products presented a driver’s or commercial driver’s license or an identification card.
§ 135.25  
Ohio Basic Code, 2016 Edition – General Offenses

(b) A transaction scan of the driver’s or commercial driver’s license or identification card that the card holder presented indicated that the license or card was valid.

(c) The cigarettes, other tobacco products, or alternative nicotine products were sold, given away, or otherwise distributed to the card holder in reasonable reliance upon the identification presented and the completed transaction scan.

(2) In determining whether a seller or an agent or employee of a seller has proven the affirmative defense provided by division (C)(1) of this section, the trier of fact in the action for the alleged violation of division (A) of this section shall consider any written policy that the seller has adopted and implemented and that is intended to prevent violations of division (A) of this section. For purposes of division (C)(1)(c) of this section, the trier of fact shall consider that reasonable reliance upon the identification presented and the completed transaction scan may require a seller or an agent or employee of a seller to exercise reasonable diligence to determine, and that the use of a transaction scan device does not excuse a seller or an agent or employee of a seller from exercising reasonable diligence to determine, the following:

(a) Whether a person to whom the seller or agent or employee of a seller sells, gives away, or otherwise distributes cigarettes, other tobacco products, or alternative nicotine products is 18 years of age or older;

(b) Whether the description and picture appearing on the driver’s or commercial driver’s license or identification card presented by a card holder is that of the card holder.

(3) In any criminal action in which the affirmative defense provided by division (C)(1) of this section is raised, the Registrar of Motor Vehicles or a deputy registrar who issued an identification card under R.C. §§ 4507.50 through 4507.52 shall be permitted to submit certified copies of the records of that issuance in lieu of the testimony of the personnel of or contractors with the Bureau of Motor Vehicles in the action.

TRANSACTION SCAN DEVICE. Has the same meaning as in R.C. § 2927.021.

(2) (a) A seller or an agent or employee of a seller may perform a transaction scan by means of a transaction scan device to check the validity of a driver’s or commercial driver’s license or identification card presented by a card holder as a condition for selling, giving away, or otherwise distributing to the card holder a pseudoephedrine product or ephedrine product.
§ 138.18  Ohio Basic Code, 2016 Edition – General Offenses

(b) If the information deciphered by the transaction scan performed under division (C)(2)(a) of this section fails to match the information printed on the driver’s or commercial driver’s license or identification card presented by the card holder, or if the transaction scan indicates that the information so printed is false or fraudulent, neither the seller nor any agent or employee of the seller shall sell, give away, or otherwise distribute any pseudoephedrine product or ephedrine product to the card holder.

(c) Division (C)(2)(a) of this section does not preclude a seller or an agent or employee of a seller as a condition for selling, giving away, or otherwise distributing a pseudoephedrine product or ephedrine product to the person presenting the document from using a transaction scan device to check the validity of a document other than a driver’s or commercial driver’s license or an identification card if the document includes a bar code or magnetic strip that may be scanned by the device.

(3) Rules adopted by the Registrar of Motor Vehicles under R.C. § 4301.61(C) apply to the use of transaction scan devices for purposes of this division (C) and division (D) of this section.

(4) (a) No seller or agent or employee of a seller shall electronically or mechanically record or maintain any information derived from a transaction scan, except the following:

1. The name, address, and date of birth of the person listed on the driver’s or commercial driver’s license or identification card presented by a card holder;

2. The expiration date, identification number, and issuing agency of the driver’s or commercial driver’s license or identification card presented by a card holder.

(b) No seller or agent or employee of a seller shall use the information that is derived from a transaction scan or that is permitted to be recorded and maintained under division (C)(4)(a) of this section except for purposes of division (D) of this section, R.C. § 2925.58, or R.C. § 3715.052(A)(1).

(c) No seller or agent or employee of a seller shall use a transaction scan device for a purpose other than the purpose specified in division (C)(2)(a) of this section.

(d) No seller or agent or employee of a seller shall sell or otherwise disseminate the information derived from a transaction scan to any third party, including but not limited to selling or otherwise disseminating that information for any marketing, advertising, or promotional activities, but a seller or agent or employee of a seller may release that information pursuant to a court order or as specifically authorized by division (D) of this section or any other section of the Ohio Revised Code.

(5) Nothing in this division (C) or division (D) of this section relieves a seller or an agent or employee of a seller of any responsibility to comply with any other applicable state or federal laws or rules governing the sale, giving away, or other distribution of pseudoephedrine products or ephedrine products.

(6) Whoever violates division (C)(2)(b) or (C)(4) of this section is guilty of engaging in an illegal pseudoephedrine product or ephedrine product transaction scan, and the court may impose upon the offender a civil penalty of up to $1,000 for each violation. The Clerk of the Court shall pay each collected civil penalty to the County Treasurer for deposit into the County Treasury.

(R.C. § 2925.57) (Rev. 2014)

(D) Affirmative defenses.

(1) A seller or an agent or employee of a seller may not be found guilty of a charge of a violation of division (B) of this section in which the age of the purchaser or other recipient of a pseudoephedrine product is an element of the alleged violation if the seller, agent, or employee raises and proves as an affirmative defense that all of the following occurred:

(a) A card holder attempting to purchase or receive a pseudoephedrine product presented a driver’s or commercial driver’s license or an identification card.

(b) A transaction scan of the driver’s or commercial driver’s license or identification card that the card holder presented indicated that the license or card was valid.

(c) The pseudoephedrine product was sold, given away, or otherwise distributed to the card holder in reasonable reliance upon the identification presented and the completed transaction scan.

(2) In determining whether a seller or an agent or employee of a seller has proven the affirmative defense provided by division (D)(1) of this section, the trier of fact in the action for the alleged violation of division (B) of this section shall consider any written policy that the seller has adopted and implemented and that is intended to prevent violations of division (B) of this section. For purposes of division (D)(1)(c) of this section, the trier of fact shall consider that reasonable reliance upon the identification presented and the completed transaction scan may require a seller or an agent or employee of a seller to exercise reasonable diligence to determine, and that the use of a transaction scan device does not excuse a seller or an agent or employee of a seller from exercising reasonable diligence to determine, the following:

(a) Whether a person to whom the seller or agent or employee of a seller sells, gives away, or otherwise distributes a pseudoephedrine product is 18 years of age or older;
(b) Whether the description and picture appearing on the driver’s or commercial driver’s license or identification card presented by a card holder is that of the card holder.

(3) In any criminal action in which the affirmative defense provided by division (D)(1) of this section is raised, the Registrar of Motor Vehicles or a deputy registrar who issued an identification card under R.C. §§ 4507.50 through 4507.52 shall be permitted to submit certified copies of the records of that issuance in lieu of the testimony of the personnel of or contractors with the Bureau of Motor Vehicles in the action.

A vacancy in the Board caused by death, resignation or otherwise shall be filled in like manner for the remainder of the term.

(R.C. § 755.21)

(C) Powers.

(1) The Board of Park Trustees shall have the entire management and control of any property or funds acquired as provided in R.C. § 755.19, all improvements within any such park, moneys derived from levies made for park purposes, moneys from the General Fund appropriated by the Legislative Authority for such purposes, proceeds of bonds issued or sold for park purposes, moneys or other property donated to the municipality for park purposes, and all other park property legally acquired. All such moneys shall be placed in a special fund called the “Park Fund” and shall be disbursed by the Treasurer only upon a warrant of the Clerk, drawn in accordance with the order of the Board.

(2) Such Board shall have the control and management of parks, park entrances, parkways, boulevards, connecting viaducts, subways, children’s playgrounds, public baths and stations of public comfort located in such parks, of all improvements thereon, and the acquisition, construction, repair and maintenance thereof. The Board shall exercise exclusively all the powers and perform all the duties in regard to such property vested in and imposed upon a director of public service in a city under general law.

(3) The Board may apply, control, invest and reinvest the funds coming or arising from a gift, devise or bequest according to the terms on which the same are acquired.

(R.C. § 755.22)

(D) Compensation; oath; bond. The members of the Board of Park Trustees shall serve without compensation. Before entering upon the discharge of their duties, they shall each take the oath of office prescribed by R.C. § 733.68 and give bond in the sum of $2,500, conditioned according to R.C. § 733.71 and to the approval of the Mayor and the Legislative Authority.

(R.C. § 755.23)

It shall keep a complete record of its proceedings, which record, or a copy thereof, certified by the Clerk of the Board, shall be competent evidence of its transactions in the courts of the state. The yeas and nays shall be called upon the passage of every resolution or order. Three members of the Board shall constitute a quorum, but no resolution or order shall be adopted unless three members vote in its favor. The Municipal Clerk shall act as the Clerk of the Board of Park Trustees, but shall receive no additional salary or compensation for such services.

(R.C. § 755.24)

PLANNING AND ZONING

§ 150.15 PLANNING COMMISSION.

(A) Establishment; membership; compensation; general powers.

(1) The Legislative Authority may establish a commission of five members, consisting of the Mayor, one member of the Legislative Authority to be elected by the Legislative Authority for the remainder of his or her term as such member of the Legislative Authority, and three citizens of the municipality to be appointed by the Mayor for terms of six years each, except that the term of one of the members of the first Commission shall be for four years and one for two years. All such members shall serve without compensation.

(2) Whenever such a Commission is appointed, it shall have all the powers conferred in R.C. § 735.15.

(3) If and when the municipality adopts a Charter, and except as otherwise may be provided in that Charter, a Planning Commission created in the manner and by virtue of authority granted by such Charter shall have the powers of, and the plans made by it shall have the effect of, a planning commission or city plan created under R.C. §§ 713.01 through 713.15.

(4) Any member of a Planning Commission established under this section or by Charter, except as otherwise provided in such Charter, may hold any other public office and may serve as a member of a county planning commission and/or a regional planning commission.

(R.C. § 713.01)
(B) **Specific powers and duties.**

(1) The Planning Commission established under this section shall make plans and maps of the whole or any portion of the municipality, and of any land outside thereof, which, in the opinion of the Commission, is related to the planning of the municipality, and make changes in such plans or maps when it deems it advisable. Such maps or plans shall show the Commission's recommendations for the general location, character and extent of streets, alleys, ways, viaducts, bridges, waterways, waterfronts, subways, boulevards, parkways, parks, playgrounds, aviation fields and other public grounds, ways and open spaces; the general location of public buildings and other public property; the general location and extent of public utilities and terminals, whether publicly or privately owned or operated, for water, light, sanitation, transportation, communication, power and other purposes; and the removal, relocation, widening, narrowing, vacating, abandonment, change of use of or extension of such public ways, grounds, open spaces, buildings, property, utilities or terminals. With a view to the systematic planning of the municipality, the Commission may make recommendations to public officials concerning the general location, character and extent of any such public ways, grounds, open spaces, buildings, property, utilities or terminals. As the work of making the whole plan progresses, the Commission may from time to time adopt and publish any part thereof, and such part shall cover one or more major sections or divisions of the municipality or one or more of the functional matters to be included in the plan. The Commission may from time to time amend, extend or add to the plan. This section does not confer any powers on the Commission with respect to the construction, maintenance, use or enlargement of improvements by any public utility or railroad on its own property if such utility is owned or operated by an individual, partnership, association or a corporation for profit.

(2) The Planning Commission may accept, receive and expend funds, grants and services from the federal government or its agencies, from departments, agencies and instrumentalities of the state or any adjoining state or from one or more counties of the state or any adjoining state or from any municipal corporation or political subdivision of this or any adjoining state, including county, regional and municipal planning commissions of this or any adjoining state, or from civic sources, and contract with public authorities or to any corporations or individuals in the municipality, or the territory contiguous thereto, concerning the location of any buildings, structures or works to be erected or constructed by them. (R.C. § 713.02)

(C) **Commission shall be Platting Commission.** The Planning Commission of the municipality shall be the Platting Commission thereof, and all the powers and duties provided by R.C. §§ 735.17 through 735.26 shall, upon the appointment of a Planning Commission under this section, be transferred to it. (R.C. § 713.03)

(D) **Control of buildings.** The Legislative Authority may authorize the Planning Commission to control the height, design and location of buildings. (R.C. § 713.04)

(E) **Employment of architects and engineers.** The Planning Commission may control, appoint or employ such architects, engineers and other professional service, and may appoint such clerks, draftsmen and other subordinates as are necessary for the performance of its functions. The expenditures for such service and employments shall be within the amounts appropriated for such persons by the Legislative Authority, and the Legislative Authority shall provide for the expenses and accommodations necessary for the work of the Commission. (R.C. § 713.05)

(F) **Division of municipality into zones.** The Planning Commission may frame and adopt a plan for dividing the municipality or any portion thereof into zones or districts, representing the recommendations of the Commission, in the interest of the public health, safety, convenience, comfort,
prosperity or general welfare, for the limitation and
regulation of the height, bulk and location of buildings and
other structures, including percentage of lot occupancy,
setback building lines, area and dimensions of yards, courts
and other open spaces, and uses, of buildings and other
structures and of premises in such zones or districts.
(R.C. § 713.06) (Rev. 2002)

§ 150.16 BOARD OF ZONING APPEALS.

(A) The Legislative Authority may create an
administrative board to administer the details of the
application of the regulations under R.C. §§ 713.06 through
713.12, and may delegate to such board, in accordance with
general rules to be set forth in the districting ordinances and
regulations, the power to hear and determine appeals from
refusal of building permits by building commissioners or
other officers, to permit exceptions to and variations from the
district regulations in the classes of cases or situations
specified in the regulations, and to administer the regulations
as specified therein. Such administrative powers and
functions may be delegated by the Legislative Authority to
the Planning Commission or to the Board of Zoning Appeals.

(B) If the county administers a county zoning
resolution, the Legislative Authority and the Board of County
Commissioners may contract with each other to have the
county administer local zoning regulations, with its powers to
include hearing and deciding zoning appeals and authorizing
variances.
