How would you like to be involved with the future planning
of the Village of Lithopolis?

Mayor Gilliland is looking for village residents who are
interested in meeting throughout the year to make
recommendations to village council involving matters
pertaining to planning and zoning, that affect the present and
future movement of traffic, residential and future business
districts along with the safety of persons and property within
the village.

If you are interested, please contact Mayor Gilliland at
mayor@lithopolis.org or call 740-400-8333.

Mayor Gilliland is also considering forming a Property
Maintenance Code Enforcement Board. The board would
consist of a minimum of 5 village residents who would meet
on a month to month basis to hear complaints
issued against property owners.

If you are interested, please contact Mayor Gilliland at
mayor@lithopolis.org or call 740-400-8333.
