With the holiday season upon us, many people increase their online ordering. This presents an opportunity for thieves to steal packages from porches. Oftentimes, these criminals will shadow delivery trucks and retrieve packages after they have been dropped off. The Lithopolis Police Department will increase their neighborhood patrols during this time in an effort to deter these porch pirates. Here are some tips to prevent becoming a victim.

- Choose a delivery time when you know somebody will be home.
- Choose an alternate location for delivery, such as your place of employment or a trusted friend or neighbor.

Use the UPS Store in Canal Winchester as a delivery option. Check their website for details. <https://canalwinchester-oh-2968.theupsstorelocal.com/>

- Install a smart security camera at your front door.
- Make sure that you don't mail cash. Thieves will target mail delivery to look for greeting cards. These greeting cards will often contain cash or gift cards.
