Winter is Here

Village of Lithopolis Residents,

As the year quickly approaches an end, I want to take this opportunity to extend my sincere wish that everyone enjoyed a wonderful Thanksgiving, and that you will all safely enjoy the upcoming winter holidays. This year, many new residents joined our growing village, and I am very happy to welcome you to this small-but-thriving community of friends and neighbors.

As you know, this year started humbly with the discovery of the state of our village finances. You will be happy to know that we have cut more than $150,000 in expenditures in 2018 as compared to the previous year. Our past due sewer debt to Canal Winchester, in excess of $236,000, with continued diligence and focus, is slated to be paid off by the end of 2019.

This year, we were able to finally replace a police cruiser, which was originally intended to have been replaced 2 years ago. We replaced that vehicle with an all-wheel drive vehicle that is safer in poor weather, adding the 6th unit to the utility department fleet for the duration of its service.

As our village grows, policies and procedures will need to change in order to keep up with that growth. These changes will propel us forward as we become an even more dynamic and sought-after area. I strongly encourage all of our village residents to keep abreast of these changes by attending our bi-monthly council meetings, which are held on the 2nd and 4th Tuesdays of every month at 7:30pm at our village office (11820 Lithopolis Rd NW). During these open-forum meetings, you will have an opportunity to ask questions about the vision and direction of the village, and you will discover ways that you can be involved in that process. As always, I also welcome the resident’s one-on-one to discuss any questions that you may have, or to hear your thoughts about how to better serve and develop our Lithopolis community.

On behalf of the Village staff, THANK YOU for being an integral part of a tremendous year of accomplishment and forward momentum. We truly appreciate the opportunity to serve you.
