Community Watch Program

What: Informational Meeting

Where: Wagnalls Memorial

When: February 11, 2019, at 6:30pm

Why: To keep our community a safe place through resident involvement

Helping to fight crime is every citizen's responsibility. Community

Watch Programs have been present in Fairfield County areas since 2007, comprised of volunteers that have partnered with local law enforcement. Trained volunteers patrol a designated area and observe and report suspicious activity, all under the guidance and supervision of the Fairfield County Sheriff's Office.

Please join us at this informational meeting to get more details about this essential program and to have your questions addressed.

PLEASE READ THE REVERSE SIDE FOR THE SNOW REMOVAL POLICY

Lancaster-Fairfield Public Transit

With the winter weather approaching, please be sure to check the rules pertaining to their services.

WINTER WEATHER POLICY

Purpose:

This Administrative Policy and Procedure outlines the Village’s winter weather response plan.

Applicability:

This policy applies to all Village employees involved in snow and ice control operations.

Overview:

The Village takes measures to conserve the use of rock salt for environmental and budgetary reasons. This plan outlines the Village’s conservation efforts and sets the level of service provided for snow and ice control operations.

Objective:

The Village’s main objective is to conserve the use of rock salt during snow and ice control operations, while still providing a safe driving environment for residents and pass-through traffic. This will require a level of service change from previous winter seasons.

Level of Service:

The following table outlines the Village’s level of service for the winter season.

| Village of Lithopolis Snow & Ice Control Treatment Methods by Weather Condition | | | | |
|--|---------------------------|---------------------------|---------------------------|---------------------------|
| Conditions | Priority 1 Streets | Priority 2 Streets | Priority 3 Streets | Priority 4 Streets |
| Snow in Forecast | Pre-treat with Brine | Pre-treat with Brine | Pre-treat with Brine | - |
| 0 to 1" Snow Fallen | 1 | 1 | - | - |
| 1 to 2" Snow Fallen | Plow/Salt | Plow | - | - |
| 2 to 4" Snow Fallen | Plow/Salt | Plow/Salt | Plow | Plow |
| 4" or More Snow Fallen | Plow/Salt | Plow/Salt | Plow/Salt | Plow |
| Ice | Salt | Salt | Salt ₂ | Salt ₂ |

- 1 *The Mayor or Village Administrator will evaluate road conditions during early snow fall events and determine if treatment is appropriate.*
- 2 *The Mayor or Village Administrator will evaluate road conditions and determine if treatment is necessary to maintain traffic at safe speed.*
- 3 *When weather forecasters predict 2" or more of snow fall please remove vehicles from the street.*

- *Brine will not be applied to pavement below 20° F or to wet pavement.*
- *Rock Salt will not be utilized below 15° F.*
- *Rock Salt will not be utilized during snowfall accumulation or during plowing operations on Priority 2 or 3 streets.*
- *The Village reserves the right to apply Rock Salt as may be necessary to ensure public safety.*

Priority of Streets: Village streets will be plowed in the following order:

Priority 1: Major and through streets

Priority 2: Subdivision entrances and site-specific areas.

Priority 3: Secondary streets. (Generally non-through streets) *In subdivisions where the village has not accepted public dedication of the streets, plowing will only be done when a hold-harmless agreement is provided by the developer.*

Priority 4: Cul-de-sacs, dead-end streets and alleys.
