At the June 11th Council Meeting, Council passed an Ordinance making the position of Mayor part-time Starting January 1, 2020

Dear Village Resident,

You are entitled to a free 65-gallon recycling tote, (current trash tote is 95- gallon).

If you'd like to participate in recycling, please call our Utility Clerk, Michelle Triplett, and she can place the delivery order.

In the past year we have increased our recycling by over 20%.

Not only is recycling great for the environment, it creates jobs and makes our landfills last longer.

Please see the reversed side for what is accepted.

Thank you, Joe Taylor Mayor
