1st QUARTER 2024 TRAFFIC STOP DEMOGRAPHIC DATA

Police agencies are required to collect and maintain driver profiles for all traffic stops that are conducted. The collected information includes the race and gender of the driver and whether the traffic stop resulted in a citation, arrest, or warning. We also collect information on the duration of the stop and the time of day the stop occurs. The following data encompasses the period of January through March of 2024. All percentages are rounded up or down to the nearest whole number.
